RE: **Public Hearing on Assessment of Liens for Delinquent Business Taxes**

SUMMARY

Pursuant to Chapter 5.04 of the Oakland Municipal Code, all businesses operating within the City, with some specific exceptions, are subject to a Business Tax based on their classification of business activity. Taxes not paid in a timely manner are subject to penalties and interest. Delinquent accounts are subject to various collection enforcement actions including filing a lien against their real property.

On November 6, 2007, staff held an administrative hearing for delinquent Business Taxes and attempted to resolve any inconsistencies or inequities prior to the public hearing before the City Council. The administrative and public hearings are held only after all other procedural means to resolve unpaid Business Taxes have been exhausted.

Based on the outcome of the administrative hearing, staff is requesting placement of Business Tax liens on 899 parcels/properties.

FISCAL IMPACT

The liens will be recorded against 899 parcels owned by 791 property owners (refer to attached list). The parcels' delinquencies represent \$1,235,560.00 in past due Business Taxes. Failure to place liens will result in a loss of \$1,280,510.00 to the General Fund. The additional revenues of \$44,950.00 are derived from the \$50 administrative fee for liening each of the 899 properties.

BACKGROUND

Staff cross-referenced Alameda County Assessor data with the Business Tax System data to identify potential non-compliant/delinquent business operators owning various types of properties. Originally, the number of property owners notified of the City's Business Tax requirements on rental property operators was 1,229. However, 330 properties were deleted from the list through the administrative hearing process, payments and/or account deactivations. The remaining 899 non-responders were notified of the City's intent to record a lien against their property; these remaining parcels are subject to lien.

KEY ISSUES AND IMPACTS

There are no key issues and impacts.

POLICY DESCRIPTION

Pursuant to Chapter 5.04 of the Oakland Municipal Code, an administrative hearing for delinquent Business Taxes is held to hear protests and resolve any inconsistencies or inequities raised by property owners prior to the public hearing before City Council.

SUSTAINABLE OPPORTUNITIES

Collections of delinquent Business Taxes have major economic and social equity implications for the City's sustainability. This revenue source is relied upon to fund essential City services.

DISABILITY AND SENIOR CITIZEN ACCESS

There are no impacts on disability and senior citizen access.

RECOMMENDATION AND RATIONALE

Staff recommends approval of a resolution accepting and confirming the report from the City Administrator on delinquent Business Taxes and confirming the recordation of liens, administrative charges, and assessment charges with the County Recorder's Office.

ACTION REQUESTED OF THE CITY COUNCIL

Staff requests City Council to approve the placement of liens and authorize the subsequent assessment for all fees and charges should they remain unpaid prior to the transfer of said assessment to the County Assessor for inclusion on the next property tax assessment.

Respectfully submitted,

for WILLIAM E. NOLAND
