OAKLAND CITY COUNCIL

RESOLUTION NO. 90797² C.M.S.

RESOLUTION:

- (1) APPROVING ONGOING COOPERATIVE PURCHASE AGREEMENTS EXCEEDING \$250,000 FOR OAKLAND PUBLIC WORKS, BUREAU OF MAINTENANCE AND INTERNAL SERVICES (EQUIPMENT SERVICES DIVISION) COMMODITY GOODS AND SERVICES CONTRACTS AS OUTLINED IN TABLE 1 IN AN AMOUNT NOT TO EXCEED EIGHT MILLION THREE HUNDRED TWENTY-NINE THOUSAND DOLLARS (\$8,329,000); AND
- (2) ADOPTING APPROPRIATE CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA) FINDINGS

WHEREAS, the City of Oakland (City) currently maintains a fleet of approximately 1,900 vehicles and equipment, comprised of staff and emergency response vehicles, with nearly 800 of these assets requiring maintenance and repairs; and

WHEREAS, to support the maintenance of all vehicles and equipment, the division must procure commodities and services from various vendors. It is essential the City maintain valid contracts with sufficient capacity for use at any time; and

WHEREAS, Oakland Municipal Code (OMC) § 2.04.080 provides that “[w]here advantageous for the City, the City Administrator may purchase supplies or services as defined in Section 2.04.010, through legal contracts of other governmental jurisdictions or public agencies that were awarded pursuant to an appropriate competitive process [...] without further contracting, solicitation, or formal bidding. Cooperative agreements are subject to City of Oakland purchasing and other applicable policies and requirements set forth in the City’s standard contracts and insurance requirements”; and

WHEREAS, the use of cooperative agreements allows the City to ensure services are uninterrupted, provides the City with access to commodities and services at lower prices, which results in significant cost savings for the City, and significantly shortens the contract cycle because the competitive solicitation process has been completed by another governmental jurisdiction or public agency thereby saving staff time and resources; and

WHEREAS, per Oakland Municipal Code (OMC) 2.04.030 the City Council may award any purchase orders or contracts in excess of City Administrator's Authority; and

WHEREAS, City Council adopted Resolution 89845 C.M.S. on July 18, 2023, Resolution 90007 C.M.S. on December 5, 2023, Resolution 90154 C.M.S. on March 19, 2024, and Resolution 90212 C.M.S. on May 7, 2024, Resolution 90704 C.M.S. on May 6, 2025, approving ongoing cooperative agreements exceeding \$250,000 for commodities and services contracts; and

WHEREAS, the Oakland Public Works, Equipment Services Division has identified cooperative agreements currently valued at \$250,000 or less (listed on **Table 1**) that require a capacity increase for City Council's consideration; and

WHEREAS, staff seeks City Council approval pursuant to OMC § 2.04.030 of the cooperative agreements set forth in **Table 1**, which exceed \$250,000 in value as listed in **Table 1**, and are ongoing; and

WHEREAS, the proposed contracts, outlined in **Table 1** and totaling \$8,329,000, will be funded by Fund 4100 (Equipment Services Division) over the next two fiscal years, FY25-26 and FY26-27. Utilization of these contracts is contingent upon the availability of Council-authorized appropriations and a funding availability analysis conducted by the Budget Office at the time of standard purchase order request submission or prior to fund encumbrance; and

WHEREAS, the City Council finds that to the extent that these agreements are for services of a professional, scientific or technical nature, the services under the contracts are temporary in duration and shall not result in the loss of employment or salary by any person having permanent status in the competitive services; and

WHEREAS, staff recommends that the city council adopt a resolution approving ongoing cooperative purchase agreements exceeding \$250,000 for Public Works department's Maintenance and Internal Services Bureau (Equipment Services Division) commodities and services contracts as set forth in **Table 1** in an amount not to exceed eight million three hundred twenty-nine thousand dollars (\$8,329,000); and adopting appropriate California Environmental Quality Act (CEQA) findings; now, therefore, be it

RESOLVED: That the City Council approves and to the extent necessary awards the ongoing cooperative purchase agreements exceeding \$250,000 for commodities and services set forth in **Table 1**, for an amount not to exceed those amounts listed in **Table 1**, pursuant to OMC § 2.04.030(a); and be it

FURTHER RESOLVED: That the agreements and the action being undertaken to implement them are exempt from the California Environmental Quality Act (CEQA) under the following CEQA Guideline Sections: Section 15060(c)(2) (no direct or reasonably foreseeable indirect physical change in the environment); Section 15061(b)(3) (no significant effect on the environment); Section 15301 (existing facilities); Section 15307 (protection of natural resources); Section 15308 (protection of the environment); and Section 15309 (inspections), each of which provides a separate and independent basis for CEQA clearance and when viewed collectively provide an overall basis for CEQA clearance; and be it

FURTHER RESOLVED: That the City Administrator or their designee is authorized to increase the value of the ongoing cooperative purchase agreements exceeding \$250,000 for commodities and services as set forth in **Table 1**, for an amount not to exceed those amounts listed in **Table 1**, pursuant to OMC § 2.04.030(a); and be it

FURTHER RESOLVED: That the City Administrator or their designee is authorized to complete all required negotiations, execute the agreements, and take any other action consistent with this Resolution and its basic purpose; and be it
