WHEREAS, the City acknowledges that it is facing a serious shelter crisis with thousands of residents living in unsheltered or in substandard housing conditions; and

WHEREAS, the number of homeless persons in the City of Oakland continues to increase, with the latest 2022 point-in-time count of 5,055 individuals experiencing homelessness in Oakland, an increase of 984 individuals (+24%) from 2019, with the largest growth in people living in their RVs and cars; and

WHEREAS, Oakland residents are being affected by the increasing number of unsheltered individuals with regard to traffic and pedestrian safety, lack of sanitation and debris services, and illicit discharges into stormwater systems; and

WHEREAS, the City does not have the resources to relocate all encampments that present such health and safety threats; and

WHEREAS, the City has requested assistance from the State pursuant to Section 131 of the Streets and Highways Code to assist in operations to perform encampment resolution activities at an encampment site located at Leet Drive at or near the intersection of Hegenberger Road; and

WHEREAS, the State of California Department of Transportation (Caltrans) has agreed to provide such assistance subject to the entry into a memorandum of understanding; and

WHEREAS, the City make seek assistance from Caltrans for other encampment sites within City boundaries; and

WHEREAS, Caltrans requires that the City and Caltrans enter into a memorandum of understanding (MOU) for each such encampment site in which Caltrans may provide such assistance; and

WHEREAS, the MOU will set forth the parties' respective roles and responsibilities prior to engaging in any encampment resolution activities at any site; and

WHEREAS, any such encampment resolution activities will be conducted in a manner consistent with the City's Encampment Management Policy; and

WHEREAS, Section 604(1) of the City Charter requires Council approval for MOUs such as this, which contemplate joint governmental action; and

WHEREAS, the Council wishes to provide such authorization to the City Administrator to enter into any memorandums of understanding with Caltrans for the purpose of receiving assistance in operations to perform encampment resolution activities at various sites within the City of Oakland subject to and in compliance with the City of Oakland's Encampment Management Policy; and

WHEREAS, the Council intends to provide this authorization for this purpose for a period of two years, although the term of any specific memorandum of understanding may exceed this two-year period and performance under any memorandum of understanding may be completed beyond this two-year period; now, therefore, be it

RESOLVED: That the City Administrator is authorized, for a period of two years, to negotiate and enter into memorandums of understanding with Caltrans in order to receive assistance in operations to perform encampment resolution activities at various sites within the City of Oakland subject to and in compliance with the City of Oakland's Encampment Management Policy; and be it
