WHEREAS, City Council Resolution No. 88075 remains in full force and effect to date; and

WHEREAS, the Centers for Disease Control (CDC) continues to recommend physical distancing of at least six (6) feet whenever possible, avoiding crowds and poorly ventilated spaces, particularly for people who are not fully vaccinated or who are at higher risk of getting very sick from COVID-19. (See <https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/prevention.html>); and

WHEREAS, the CDC recommends that families with children under 5 and unvaccinated household members continue to take steps to prevent COVID-19 infection including distancing. (See <https://www.cdc.gov/coronavirus/2019-ncov/groups/families-covid-19.html>); and

WHEREAS, the CDC continues to caution that older adults remain more likely to get very sick from COVID-19. (See <https://www.cdc.gov/aging/covid19/covid19-older-adults.html>); and

WHEREAS, the CDC, the California Department of Public Health, and the Alameda County Public Health Department all recommend that people experiencing COVID-19 symptoms or who have tested positive for COVID-19 stay home. (See <https://www.cdc.gov/coronavirus/2019-ncov/if-you-are-sick/steps-when-sick.html>); and

WHEREAS, in-person meetings would tempt community members who are experiencing COVID-19 symptoms to leave their homes in order to come to City facilities and participate in local government; and

WHEREAS, by making these new findings that conducting in-person meetings would present imminent risks to attendees' health, and by making a new election to conduct meetings via teleconference, the Council restarted the process, and may elect to continue to meet via teleconference by adopting subsequent resolutions, at least every 30 days, as part of a broader Council agenda, and need not do so on a single -subject agenda; now therefore be it:

RESOLVED: that the City Council finds and determines that the foregoing recitals are true and correct and hereby adopts and incorporates them into this Resolution; and be it

FURTHER RESOLVED: that, based on these determinations and consistent with federal, state and local health guidance, the City Council renews its determination that conducting in-person meetings would pose imminent risks to the health of attendees; and be it

FURTHER RESOLVED: that the City Council firmly believes that the community's health and safety and the community's right to participate in local government, are both critically important, and the City Council is committed to balancing the two by continuing to use teleconferencing to conduct public meetings, in accordance with California Government Code section 54953(e), a provision of AB 361; and be it
