RE: **A Report And Resolution Granting Mash Petroleum, Inc., And the Mashhoon Revocable Trust A Revocable And Conditional Permit For A Building At 1300 Broadway To Allow An Existing Basement To Encroach Under The Public Sidewalk Along Broadway and 13th Street**

SUMMARY

A resolution has been prepared granting Mash Petroleum, a California corporation (no. C1897931) and the Mashhoon Revocable Trust, who are the owners of a historic building at 1300 Broadway, a conditional and revocable permit (ENMJ07060) that will allow an existing basement to encroach under the public sidewalk along Broadway and 13th Street.

FISCAL IMPACT

Staff costs for processing the proposed encroachment permits will be covered by fees set by the Master Fee Schedule and paid by the developer and will be deposited in the special revenue Development Service Fund (2415), Engineering Services organization (88432), Encroachment Permits account (42314), Engineering and Architectural Plan Approval (PS30). The standard conditions of the encroachment permit require the property owner to maintain liability and property damage insurance and to include the City as a named insured.

KEY ISSUES AND IMPACTS

Oakland Municipal Code Section 12.08.030 requires that the City Council approve encroachments that intrude beneath the sidewalk (basements, vaults, etc.). Building Services requires that property owners obtain encroachment permits retroactively for existing encroachments when an application is submitted for a ministerial permit or discretionary action associated with the property (Parcel Map 8902 for a residential condominium conversion).

The historic twelve (12) story building was constructed in 1905 and is located on a corner lot (APN 002-0053-007-00). The basement extends approximately fourteen (14) feet under the sidewalk along 13th Street and five (5) feet along Broadway. The encroachment has not interfered with the public's use of the right-of-way nor maintenance of underground public utilities since its construction. The City Council has previously approved similar encroachments.

SUSTAINABLE OPPORTUNITIES

Economic

The change of occupancy for conversion to condominiums will provide opportunities for professional services and construction related jobs for the Oakland community.

Item No. _____

Environmental

Construction permits for public right-of-way improvements require that the permittee comply with City ordinances and regional Best Management Practices for reducing nuisance noise, fugitive dust, construction debris disposal, and storm drainage pollutant runoff.

Social Equity

The condominium conversion will assist the economic revitalization of the downtown district.

DISABILITY AND SENIOR CITIZEN ACCESS

Construction permits for right-of-way improvements will conform with State and City requirements for handicapped accessibility.

RECOMMENDATIONS

Staff recommends that the Committee accept this report and forward it to the City Council to adopt the proposed resolution approving a conditional and revocable permit.

The Permittee also agrees that the City of Oakland may review the type and amount of insurance required at any time and may require the Permittee to increase the amount of and/or change the type of insurance coverage required. In addition, the insurance amounts stated above shall be automatically adjusted upwards cumulatively consistent with the Consumer Price Index (CPI) in the Bay Area every five years; and
5. the Permittee, by the acceptance of this conditional permit, agrees and promises to defend, hold harmless, and indemnify the City of Oakland and its officials, officers, employees, agents, representatives, assigns, successors, and volunteers from any and all claims, demands, lawsuits and judgments for damages of any kind and nature whatsoever arising out of or caused by the existence, installation or maintenance of the encroachments into the public right-of-way and regardless of responsibility for negligence. 13. the Permittee further acknowledges that it understands and agrees that it hereby expressly waives all rights and benefits which it now has or in the future may have, under and by virtue of the terms of California Civil Code Section 1542, which reads as follows: "A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM MUST HAVE MATERIALLY AFFECTED HIS SETTLEMENT WITH THE DEBTOR"; and

14. the Permittee recognizes that by waiving the provisions of Civil Code Section 1542, it will not be able to make any claims for damages that may exist, and to which, if known, would materially affect its

15. the hereinabove conditions shall be binding upon the Permittee and the successive owners and assigns thereof; and be it

FURTHER RESOLVED: That this resolution shall take effect when all the conditions hereinabove set forth shall have been complied with to the satisfaction of the City Attorney and the City Engineer of the City of Oakland and shall become null and void upon the failure of the Permittee to comply with the conditions hereinabove set forth after notice and failure to cure such conditions in a reasonable manner; and be it
