AN ORDINANCE AMENDING MUNICIPAL CODE SECTIONS 2.16.010 AND 3.04.020, REDEFINING AND ESTABLISHING THE 2014 CITY COUNCIL AND SCHOOL BOARD DISTRICT BOUNDARIES OF THE CITY OF OAKLAND (REDISTRICTING)

The Ordinance redefines the City Council and School Board districts, based upon changes in population of the City of Oakland reflected in the United States 2010 Census, which require that the districts be redefined.

The Ordinance establishes seven districts composed of contiguous territory that are as equal as practicable in population as shown by the United States 2010 Census, are as geographically compact as practicable, and take into consideration the topography, geography, cohesiveness, contiguity, integrity, compactness of territory, the City Charter's requirement of preserving incumbents within their existing districts, and communities of interests.

The Ordinance redefines district boundaries as reflected in Map 26 approved by the City Council on October 29, 2013, as follows: Broadway Terrace is new boundary between District 1 and 4; Lakeshore Avenue and the east of the Lake neighborhood moves from District 3 to District 2; "Gold Coast" neighborhood blocks bounded by Madison Street, Lake Merritt, 17th and 14th Streets moves from District 3 into District 2; in the Glenview neighborhood, both sides of Trestle Glen Road are united into District 2; both sides of Greenwood Avenue and Canon Avenue are united into District 5; Melrose neighborhood, between Seminary and 51st Avenue from International Blvd south to San Leandro Street and the railroad tracks, from District 6 into District 5; Maxwell Park neighborhood united into District 6, from being split between District 4 and District 6; two census blocks west of Fruitvale Elementary School (not including the school itself), bordered by 1-580, Boston Ave, School Street, and Champion Street, move from District 4 to District 5.
