The Council approved the item with the following amendments:

A. Adopt amendments provided by Councilmember Kalb at the April 28, 2015 committee meeting; except the policy for employee transit; and

B. Planning Staff is directed to amend and clarify the proposed Transportation Demand Management (TDM) Program, as described in Attachments M and N to the April 28, 2015 CED Committee Agenda Report, as follows:

The RPP Area shall consist of the streets within zone A and zone Bas identified in the attached figure, dated May 5, 2015. The streets within the RPP Area are deemed eligible for CHRCO-paid Residential Parking Permits a consistent with the TDM program as amended by this memo.

1. CHRCO shall retain a qualified transportation consultant, as its sole cost and expense, to perform a Baseline Parking Study in the RPP Area prior to commencement of construction to identify current on-street parking utilization, subject to City review and approval. The study shall, at a minimum, identify the addresses on all the streets that qualify for RPP funding. The study shall follow City practice that all addresses with frontage (including the back or the side of a building) to a street eligible for RPP signs are eligible to obtain RPP permit(s). In addition to identifying all the addresses, the study shall also identify how many permits each address is qualif(ed) for based on the amended TDM. While the TDM describes the number of permits the Hospital will fund, this in no way reduces the maximum number of permits that can be retained within an RPP Area pursuant to the Oakland Municipal Code 10.44.070C, as it may be amended.

2. The City shall modify certain requirements for establishing an RPP area in the RPP Area:

a. City shall lower the current requirement from 75% to a lower percentage recommended by staff for all on-street parking spaces within the proposed area to be occupied during any two one-hour periods between 8:00 a.m. and 6:00 p.m.

b. City shall lower the current requirement to have at least six adjacent block fronts to be included in each area to obtain signatures representing at least 51% of the residential units in each of the blocks within the proposed Residential Permit Parking area. All blocks within the RPP Area are eligible for the program regardless of block adjacency.

c. City shall lower the requirement to have at least 80% of each eligible block front be residentially zoned.

3. Zone A shall include all the blocks identified in the attached figure except those designated as in zone B. Zone B shall include Aileen Street from Shattuck Avenue to Market Street, 56th Street from Shattuck Avenue to Market Street, 55th Street from Genoa Street to Market Street, Dover Street from 56ih Street to Aileen Street, and Genoa Street from 55th Street to Aileen Street as identified in the attached figure.

4. CHRCO shall retain a qualified transportation consultant, as its sole cost and expense, to perform a Post-Construction Parking Study in the RPP Area pursuant to the amended TDM Program after construction of the project is completed. Separate Post-Construction Parking Studies shall be performed for zone A and zone B which analyze the different and inter-related demand pressures

depending on distance from CHRCO.

5. For RPP zone A, CHRCO shall pay for the RPP permits for a duration of ten years from the start of RPP zone A (as determined by when the first RPP permit in zone A has been issued and the RPP program is enforceable), and shall include up to one year post-construction if that still is within the ten year time-frame. For RPP Zone B, CHRCO shall pay for the RPP permits for a duration of ten years from the start of RPP zone B (as determined by when the first RPP permit in zone B has been issued and the RPP program is enforceable), and shall include up to two years post-construction if that still is within the ten year time-frame. If construction lasts longer than ten years, CHRCO will be obligated to pay for the RPP permits for the additional length of construction. Any CHRCO obligations to pay for the RPP permits shall be based upon the then current Master Fee Schedule.

A motion was made by Kalb, seconded by Kaplan, that this matter be Approved As Amended On Introduction and Scheduled for Final Passage to the Meeting of the Oakland City Council, to be heard 6/2/2015. The motion carried by the following vote:

Excused: 1 - Reid
