RE: A PUBLIC HEARING AND THE ADOPTION OF A RESOLUTION CONFIRMING
THE ANNUAL REPORT OF THE MONTCLAIR BUSINESS IMPROVEMENT
DISTRICT ADVISORY BOARD AND LEVYING THE ANNUAL ASSESSMENT
FOR THE MONTCLAIR BUSINESS IMPROVEMENT DISTRICT FOR FISCAL
YEAR 2005/06

SUMMARY

A resolution to confirm the annual report of the Montclair Business Improvement District advisory board and to levy the annual assessment for fiscal year 2005/06 for the Montclair Business Improvement (BID) has been prepared pursuant to Street and Highways Code Section 36500 et seq. and the City of Oakland's Neighborhood Business Improvement District Program.

City Council must adopt the resolution to authorize the district to collect assessments for the upcoming fiscal year. Assessment funds will be used to pay for economic development and beautification activities outlined in the district management plan on file with the Office of the City Clerk.

A public hearing and majority protest procedure must precede City Council's consideration of the above resolution. A majority protest exists if owners of affected businesses which will pay fifty percent (50%) or more of the proposed assessments to be levied submit qualifying written protests on or before the public hearing date of November 16, 2004, for this matter.

If no majority protest exists, then City Council may adopt the above resolution. If, however, a majority protest exists, then City Council cannot adopt the resolution to levy FY 2005/06 assessments for the Montclair BID and no further proceedings to levy the proposed assessment shall be taken for a period of one year.

If the levy is approved, the Revenue Division of the Financial Services Agency will collect the assessment along with annual business taxes and will remit the amount collected minus the City's expenses of collection to designated BID administrators.

FISCAL IMPACTS

Little or no fiscal impact is anticipated. Costs associated with assessment billings and collections will be handled by the City's Revenue Division as described above. The only other cost associated with the proposed resolution is for the City staff position required to assist BID districts with their annual approval process (review of annual reports, preparation of City Council reports, etc.). This

staff position is already fully-funded within the current approved budget of the City's Neighborhood Commercial Revitalization division.

BACKGROUND

On November 9, 1999, the City Council approved Resolution #75323 C.M.S. which initiated a City of Oakland Neighborhood Business Improvement District (NBID) Program. This program is authorized by Section 36500 of the California Streets and Highway Code which allows for the establishment of local business improvement districts throughout the state. Pursuant to the above legislation, Ordinance #12378 was passed by City Council on November 27, 2001, to establish the Montclair BID and Resolution #78860 was adopted on October 19, 2004, which stated City Council's intent to levy a FY 2005/06 assessment for the district, approved the district's annual report and scheduled a related public hearing for November 16, 2004.

The Montclair BID encompasses approximately 233 businesses located in and around the Montclair commercial area and estimates an annual budget of approximately \$121,800. It provides a private funding source for enhanced safety and security, beautified physical appearance, and organized economic development and marketing activities within the district according to a City approved district management plan.

The BID model for economic development is also being used in the Temescal/Telegraph Avenue district (established 2004), the Lakeshore/Lake Park district (established 2002), the Fruitvale district (established 2001), and the Rockridge district (established 2000) and in other commercial neighborhoods throughout the country.

Revenues generated by BIDs are applied to a variety of local improvements and services beyond those already provided by existing municipal services. Examples of BID-funded services include, but are not limited to, enhanced maintenance services, security, marketing and promotions, special events, parking and transportation services, economic development activities, and capital improvements. These types of enhanced services lead to increased property, sales and business tax revenues as well as increased job opportunities and the improved economic development of commercial neighborhoods.

KEY ISSUES AND IMPACTS

There is no anticipated adverse impact associated with the authorization to levy FY 2005/06 assessments for Montclair BID.

In terms of positive impacts, authorizing the continued collection of assessments for the district will provide the Montclair BID an ongoing private funding source for enhanced safety and security, beautified physical appearance, and organized economic development and marketing activities within the district. This model for economic development has been successfully used in other commercial neighborhoods throughout the country. Accordingly, reauthorization of assessments for the Montclair BID will enable the district to continue serving as an effective self-help model for other Oakland business districts.

PROGRAM DESCRIPTION

If the City Council approves the FY 2005/06 levy for the Montclair BID, assessments will be collected in accordance with the district management plan on file with the Office of the City Clerk and the district's annual report approved by City Council on October 19, 2004. Key aspects of this document include, but are not limited to, additional security; sidewalk and street cleanup; landscaping and maintenance; district banners; additional directional signage; special events; holiday decorations; and web page design.

The annual report indicates no changes in the boundaries of the business improvement district or in any benefit zones in the area. There is also no change in the original method and basis of levying the assessment.

SUSTAINABLE OPPORTUNITIES

Economic: The proposed levy will fund activities which are intended to support the eventual increase of property, sales, and business tax revenues as well as increased job opportunities and economic development of the Montclair commercial district.

Environmental: The proposed levy will enable the Montclair BID to continue its efforts to strengthen and beautify the physical image of the existing neighborhood commercial area through the use of enhanced sidewalk and street cleaning and maintenance. Attractive new banners, directional signage and holiday decorations will also uplift and unify the district's appearance.

Social Equity: BIDs incorporate all members of a business community into a productive and proactive entity representing the interests of that community. Administration of the cash flow generated by the district itself contributes to local merchant self-empowerment and provides enhanced services for the overall physical and economic betterment of the district.

DISABILITY AND SENIOR ACCESS

The reauthorization of assessments for the BID has no direct implications for disability and senior access. However, the BID's efforts toward revitalization may encourage businesses to continue to abide by applicable state, federal and local codes and legislation regarding disability and senior access. Improved public safety and security provided by the BID could also serve to make the area safer and more accessible to all visitors, including senior citizens and disabled persons.

RECOMMENDATION(S) AND RATIONALE

Staff recommends that the City Council adopt the resolution confirming the annual report of the Montclair BID advisory board and levying the annual assessment for the Montclair BID for fiscal year 2005/06.

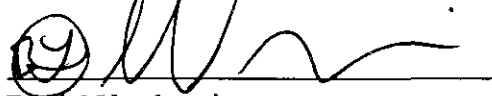

Adoption of the attached resolution will support the continuance of the Montclair BID and its planned activities which have been approved by City Council. Such business improvement districts represent a proactive effort on the part of neighborhood business owners to improve the conditions

and image of their area and to assist in the economic revitalization and physical maintenance of their respective commercial corridors.

ACTION REQUESTED OF THE CITY COUNCIL

The action requested of the City Council is to adopt the resolution confirming the annual report of the Montclair BID advisory board and levying the annual assessment for the Montclair BID for fiscal year 2005/06.
