## **RECOMMENDATION**

## **EXECUTIVE SUMMARY**

This informational report provides the Life Enrichment Committee (LEC) with a listing of the many projects and activities carried out by the MCPD in 2022-23 and describes its strategic planning areas for 2023-24.

## **BACKGROUND / LEGISLATIVE HISTORY**

The MCPD was established by City Ordinance Number 9968 C.M.S. in 1980 as the Commission on Disabled Persons and amended in 1994 by Ordinance Number 11864 C.M.S. It was updated again in 2015 by City Ordinance Number [13334 C.M.S.](#) to its current name, to represent and address the issues of people with disabilities. The commission has at least 51 percent representation by people with disabilities, and the rest have professional or personal experience working with people with disabilities. The MCPD serves the following key roles in Oakland government:

- Advising the Mayor and City Council on matters affecting the disability community;
- Reviewing and commenting on City policies, programs, and actions;
- Providing advice and assistance to other City boards and commissions; and
- Participating at the local, state, and national levels in the advancement of disability rights.

## **SUSTAINABLE OPPORTUNITIES**

***Economic:*** The work of the ADA Programs division and all-volunteer commission effectively reduces the City's exposure to disability discrimination claims and provides a mechanism for amicable and cost-effective resolution of complaints that do arise.

***Environmental:*** Persons with disabilities can be more susceptible to severe negative health impacts from exposure to environmental pollution than the general population.

***Race & Equity:*** The lack of ADA accessibility to city programs and services has an inordinate impact on communities of color, who live in areas with poorer infrastructure and may have limited or non-existent internet access to information and services.

**ACTION REQUESTED OF THE CITY COUNCIL**

**Staff Recommends That The Life Enrichment Committee Receive An Informational Report And Presentation From Oakland Mayor's Commission on Persons with Disabilities Regarding Their Status and Recent Activities**
