Mayor, Council and Staff,

I have been a resident and home owner of West Oakland for four years. Attended and been actively involve in the community threw Friends of Willow Park and Prescott Neighborhood Council. I'm writing to express full support for the City of Oakland Encampment Management Policy.

I have watch as parts of our neighborhood has slowly declined and been run over from the homeless encampments/ RV's/ illegals dumping and abandoned cars. Unfortunate unhoused persons; some from this neighborhood but most from other areas. This has also attracted criminal and illegal activity and cause a human and environmental disaster. I hope all these proposed measure will be approved and enforced.
