The Mayor's Office respectfully requests City Council consideration for the reappointment of two current members to the City Planning Commission whose terms expired in May of 2025.

The Planning Commission continues to play a vital role in guiding our city's development and growth through careful review of land use applications, zoning matters, and long-term planning initiatives. Maintaining experienced commissioners ensures continuity in ongoing projects and consistency in decision-making processes.

Proposed Actions:

- Reappoint two qualified commissioners for new terms
- Maintain institutional knowledge and project continuity
- Ensure uninterrupted commission operations

Next Steps: The Mayor's Office will present the reappointment recommendations at the next Council meeting. Both commissioners have demonstrated a strong commitment to public service and bring valuable expertise to the commission's work.

Reappointing these experienced members will enable the commission to continue its important work overseeing development projects and contributing to the city's comprehensive planning efforts.

We greatly appreciate any support you can provide in expediting this process and welcome the Council's prompt consideration of these reappointments.
