BACKGROUND/LEGISLATIVE HISTORY

This section shall sunset on June 30, 2019.

The City agrees to consider requests by represented employees for either two and one half percent (2.5%) or five percent (5%) premium pay for possession of licenses and certifications used by the represented employee in the conduct of City business, but not required for his/her classification. Article 10: Entitlement. Where a new employee has had relevant years of service with a prior public sector employer, the City Administrator may authorize that new employee to accrue vacation at the rate set forth in Article 10.1.2.

Article 11: Holiday Pay Alternative Schedule (Applies to SB1, SC1, and SD1 only). Clarifies the right to holiday pay for employees on an approved alternative work schedule and the accrual rate for vacation and paid sick leave.

Article 12: Hours of Work (SB1, SC1 and SD1 only). Represented employee(s) may initiate requests to work alternate work schedules, including staggered work schedules, subject to the approval of the Department Head.

Hours of Work for Temporary Part-Time Members (SI1). City will provide monthly notification of the members' Fiscal to Date (FTD) hours not later than the first pay period in January 2018.

Posting of Schedules. The City, Union, and employee may agree to waive the ten (10) day notice as long as such waiver is in writing signed by all parties.

Article 13: Complaints. Sets forth a complaint process when an employee has a good faith belief that a work assignment presents health and safety risks outside those normally associated with the work. The provision also clearly states that employees may not be retaliated against for reporting safety and/or health concerns.

Equipment Safety. The City shall provide all unit members with personal protective equipment (PPE) and other safety equipment appropriate to their assignment so that they can safely do their work.

Animal Control Officer Safety Vest. The City shall provide Animal Control Officers (ACO) a new, minimum threat level IIIa bullet proof vest that must be worn while on duty in the field.

Sanctuary City Status Training (Applies to SB1, SC1, SD1, and SI1). The City agrees to offer training to unit members in the Oakland Police Department, Oakland Fire Department, Planning and Building department, Oakland Parks and Recreation, Oakland Animal Shelter, Oakland Public Library, and Department of Human Services on the City's sanctuary city status.

removed provided there has been no disciplinary action for the same three (3) year period and the employee has maintained a fully effective performance evaluation. Finally, discipline must be issued in a timely fashion following an investigation and shall be initiated not more than ninety (90) days from the date of the conclusion of an investigation.

Entry Probationary Period. Adding Fire Communications Dispatcher to provision for twelve (12) month probation.

Notice of Administrative Interview. Extending notice period from two (2) weeks to three days and adding simultaneous email and copy of notice to the Union.

The City shall consult with the Union upon request regarding the notice.

Promotional, Restricted, and Open Examinations. Revises the City's obligations with respect to recruitment and hiring. The revisions shall sunset in June 2021 per a Side Letter with SEIU. Where part time classifications (TPT) have corresponding permanent part time and full time (PPT and FT) entry level classifications and there are more than eight (8) TPT incumbents (for example Custodian; Parking Control Technician; Library Assistant; etc.), the City shall hold Restricted examinations open only to part time (TPT) employees of the City of Oakland. When there are fewer than eight (8) incumbents of the corresponding part time classification, the City may hold both Restricted and Open examinations concurrently. (SI1 only)

For Section A and B of 14.7, there are two reasons why an open recruitment may be conducted (SB1, SC1, SD1, and SI1): 1) The Restricted announcement does not yield enough applicants who meet the minimum qualifications for the classification, for the current vacancies at the time the job announcement closes, to meet the number of candidates required by the certification rule of the Civil Service Rules (5.02 – rule of four ranks) to certify to City departments/agencies; or 2) No Restricted recruitment candidate was selected for hire.

For SEIU represented PPT and FT entry level classifications (See Appendix G), the City shall hold Restricted examinations and may hold concurrent Open examinations.

For all classifications, an Open examination may be conducted when a Restricted eligible list is exhausted prior to its expiration, that is, when all candidates on a Restricted eligible list have been interviewed and the current vacancies on an authorized requisition have not been filled.

Oral Board Procedure. The City may use in-house raters only with the Union's agreement.

Results/Information. Deletes the IDR process but unit members who are not selected for a promotion or job shall, upon request, receive a written statement of the reason(s) for their non-selection.

Eligible Lists (Applies to SB1, SC1, and SD1).

Allows the City and union to discuss which specific on-the-job or other training programs should be initiated to upgrade the skills of interested employees.

Contracting Out. If the Union notifies the City within ten (10) working days of receipt of notice of such RFP, RFQ or solicitation materials as described, the City and Union shall meet and discuss within ten (10) working days on the ability of represented employees, including those on a reinstatement list, to perform such work.

Discipline. Notices of Intent shall be simultaneously copied to the City's Employee Relations Department. The Police Department shall use the procedures set forth in Administrative Instruction 523 when investigating and issuing discipline to unit member.

Sexual Harassment And Violence In The Workplace. The City may also order the employee(s) who violated the policy on sexual harassment or violence in the workplace to undergo mandatory training on City time.

Correctional Officers. If the City establishes Correction Officer classifications, they shall be allocated to SEIU bargaining unit SC1.

Article 15: Grievances. Incorporation of procedures for appeals to the Civil Service Board for Hearing, Civil Service Board Responsibilities, and Costs that were previously in an Appendix to the MOU.

Article 17: Parity. If the City reaches an agreement with another recognized miscellaneous employee organization or imposes on another recognized miscellaneous employee organization, a wage increase greater than that provided to SEIU, represented members shall receive the equivalent under certain circumstances. This section sunsets on June 30, 2019.

Article 3: Removes City approval requirement for Union selection of number of stewards so long as the number is reasonable. Also removes the pilot project for the Union Stewards Council.

Appendix A: Change in Workweek. The classification of Hazardous Materials Inspector II shall be increased from thirty-seven and one half (37.5) hours per week to forty (40) hours at the same hourly rate of pay. The classifications Construction Inspector, Senior (Field) and Construction Inspector, Senior (Office) shall be forty (40) hours per week at the same hourly rate of pay currently assigned to the Construction Inspector, Senior (Office) classification. Seniority shall be preserved.

Appendix D: Rotating Assignments Committee. The parties will establish a committee composed of an equal number of representatives of each party and shall meet and confer regarding the issues of Rotating Assignments affecting members in the classification of Police Service Technician II and Police Record Specialist.

Appendix J: Classification study of Street Maintenance Workers and Street Maintenance Leaders. The City shall conduct a classification study of the Street Maintenance Workers and Street Maintenance Leaders assigned to the Drainage Division.

Appendix M: The City shall offer the Union three (3) seats on the Safe Streets & Clean Neighborhoods Committee (illegal dumping).

Appendix N: The City is committed to working with SEIU, Local 1021 on the reformation and revision of the Civilian Disciplinary Process for unit members permanently assigned to the Oakland Police Department that conforms with Administrative Instruction 523. As part of this commitment, the City agrees to submit a Revised Discipline Policy to SEIU no later than ninety (90) days following ratification of this

Agreement. This Revised Discipline Policy may include, but is not limited to the items as listed and pursuant to the terms in Appendix N.

General clean-up of formatting, spelling, cross references, and grammatical errors throughout the MOU.

FISCAL IMPACT

The FY 2017-2019 Adopted Budget appropriated \$10.45 million for employee compensation in the General Purpose Fund (1010). The total costs associated with the contract include the general wage increases and other economic provisions that will be absorbed within existing departmental budgets. If revenue targets are met and employees receive the additional one (1) percent wage increase effective the first pay period after January 1, 2019, the total cost of the labor agreement increases to \$7.7 million over the term of the two-year budget (\$3.4 million in FY 2017-18 and \$4.3 million in FY 2018-19). We, the undersigned, duly appointed representatives of the City of Oakland ("City") and of the Service Employees International Union, Local 1021 ("Union"), a recognized employee organization, having met and negotiated in good faith, do jointly prepare and execute on the 21st day of September 2015, the following written Memorandum of Understanding. The provisions in this Agreement supersede previous Memoranda of Understanding between the City and Union, and apply to City of Oakland employees officially designated to be members of representation units represented by the Union: Unit SB1 Craft employees; Unit SC1 Field and Operations employees; Unit SD1 Office and Technical employees and S11 Miscellaneous Part-Time Employees,

1.2 City-Union Relationship.

The provisions of this Section, which relate to subjects covered in the Employee Relations Rules, Resolution No. 55881 C.M.S., are included herein in order to provide explanatory information agreed to be desirable by the parties. It is agreed that the inclusion of this Section herein shall in no way affect the rights of the City, established by the Meyers-Milias-Brown Act and amendments thereto, which Act sets forth the basis, substantive and procedural, under which the Rules were adopted by the City Council.

ARTICLE 2: NONDISCRIMINATION

(Applies to SB1, SC1, SD1, and SI1 as Designated)

2.1 Discrimination Prohibited (Applies to SB1, SC1, SD1, and SI1)

The City and the Union agree that they shall not discriminate in any way within the meaning of the law, on account of race, color, creed, religion, sex, national origin, political affiliation, age, sexual orientation, disability, Acquired Immune Deficiency Syndrome (“AIDS”), AIDS Related Complex (“ARC”), or marital status of a member legally qualified to perform the job. The City further agrees that no employee shall be discriminated against because of Union membership, or protected union activity.

2.2 Reasonable Accommodation (Applies to SB1, SC1, and SD1 only)

The City will make reasonable accommodation for a unit member’s known physical or mental disability, unless the City demonstrates that the proposed accommodation will produce undue hardship to the City’s operation or that the City is otherwise not obligated to accommodate the unit member. Reasonable accommodations will be consistent with provisions of this MOU and of Civil Service Rules that affect the unit member being accommodated to the extent the law at the time the accommodation is implemented permits. At the request of the Union, the City agrees to discuss a proposed unit member accommodation with the Union.

ARTICLE 3: UNION RIGHTS

The City shall provide reasonable space on bulletin boards for official Union notices of a non-controversial nature at each central work area.

It is understood that Administrative Instruction 71 is subject to amendment to reflect current state and federal law.

3.4 Union Access to Work Locations

5.4.2 Minimum Salary Increase When Promoted (SB1, SC1, SD1 and SI1)

Whenever a unit member is promoted to a position of higher salary schedule, the unit member shall receive compensation at the salary schedule for the new position that represents a minimum of one rate increment over the amount the unit member received in the former position; provided, however, that the appointing authority, with discretion and for good cause, may provide for compensation at any step in the applicable salary schedule for the classification involved if the unit member has demonstrated outstanding achievement in the public service. Article 5.4.4 applies when a temporary part-time employee converts to a permanent full-time position or permanent part-time position regardless of classification.

5.4.3 Salary Steps (Applies to SB1, SC1, and SD1)

Advancement within the salary schedule specified for a permanent unit member's classification shall be on the basis of one year's satisfactory service, as evidenced by a performance evaluation, in the unit member's classification without having received during that one year a step increase in salary. A salary step increase for a unit member who is entitled to such an increase shall be effective at the beginning of the pay period in which the anniversary date of appointment in such classification falls; provided, however, that a unit member who has demonstrated outstanding achievement in the public service may receive a step increase at an interval other than set forth above.

5.4.3.1 Salary Step for Temporary Part-Time Members (SI1)

Advancement within the salary schedule specified for a SI1 Temporary Part-Time employee's classification shall be on the basis of completion of one thousand nine hundred and fifty (1950) hours of continuous service time in such classification without having received during said one thousand nine hundred fifty (1950) hours of service time a step increase in salary. A salary step increase for an employee who is entitled to such an increase shall be effective at the beginning of the pay period in which the employee completed the required continuous service time. Salary step increases will be monitored and given when due.

5.4.4 Library Conversion Steps (Applies to SB1, SC1, SD1, and SI1)

Whenever a temporary part-time (SI1) unit member is placed in a permanent part-time or full-time position, or a permanent part-time unit member is placed in a full-time position, the unit member mayshall be placed either in the same or higher step occupied in the previous comparable classification. Similarly, full-time or permanent part-time unit members who change to permanent part-time or temporary part-time status mayshall be placed either in the same or higher step occupied in the previous comparable classification.

~~A temporary part-time SI1 unit member's hours toward the next step do not carry over into permanent part-time or full-time status.~~

5.5 Premium Pay

5.5.1 Overtime (Applies to SB1, SC1, and SD1)

Whenever, in the judgment of a department head or designee, unit members are required to work in excess of their regular workdays or workweeks, they shall be compensated for such overtime worked at the rate of one and one-half times the hourly rate of pay for their classifications.

The City will provide a minimum of 48 hours advance notice of available overtime to be worked whenever possible.

Overtime shall be distributed among qualified unit members as equally as possible, normally on a voluntary, rotational basis among unit members performing this kind of work during regular working hours.

The City shall consider seniority as one of the primary factors in assigning overtime work.

Each department shall permit inspection of its overtime records by the Union steward or chairperson.

When a department head or designee requires a unit member to report to work on the unit member's day off or requires a unit member to return to work after the unit member has completed the unit member's regular shift and has left the City work site, the City shall compensate the unit member for at least two and one-half hours at the rate of one and one-half times the hourly rate of pay for the unit member's classification.

When a department head or designee requires a permanent unit member to work overtime contiguous to the unit member's regular shift, the City shall compensate the unit member at the overtime rate of pay for the time actually worked, with no minimum number of hours guaranteed.

In the event the Union and the City agree to a work schedule in which the scheduled work shift exceeds eight hours, the employee shall not be entitled to overtime compensation until their work hours exceed the length of their scheduled work shift.

Each department shall permit inspection of its overtime records by the Union steward or chairperson.

Whenever, in the judgment of an authorized City official, overtime work is required, overtime work shall be offered first to qualified employees who are on-site.

Overtime will be distributed among on-site employees as equally as possible.

To the extent possible, the City will provide 24 hours advance notice of available overtime to be worked.

When a unit member is assigned to a regular rotating shift schedule, that unit member shall be paid one dollar and eleven (\$1.11) cents per hour for each hour worked in the schedule. If all unit members on the standby rotation list refuse the standby rotation, the least senior and qualified unit member must accept the standby.

During all hours when assigned to standby duty, a unit member shall (a) keep the supervisor informed of the City issued a telephone number, pager or mobile number at which the unit member can be reached, and (b) be available to report within a reasonable time in the event of a call-out. A unit member assigned standby duty who fails to comply with these two conditions shall not be paid standby pay during any such period of time.

If there are alphabetical standby rotation lists in use at the time of the effective date of this Agreement, when they expire, all such lists shall operate on the basis of seniority as defined in this section.

Residency shall be determined as of the date of certification of the Civil Service eligible list for that examination.

14.6.2 Seniority Credit for Employees (Applies to SB1, SC1, SD1 and SI1)

14.6.2.1 A unit member who has completed ten (10) or more full years (1950 for 37.5 hour work week or 2080 for 40 hour work week equals one year) of City service in any classification and who successfully competes in an examination shall receive five (5) points added to the final examination score.

14.6.2.2 A unit member who has completed fewer than ten (10) full years in any classification of City service and who successfully competes in an examination shall receive an additional number of points, not to exceed a maximum of five (5) points, added to the final examination score, prorated in accordance with the unit member's number of years of City service.

14.6.2.3 Calculation of seniority points shall be effective as of the date of the job announcement.

14.6.3 Certification of Eligibles to Fill Vacancies (Applies to SB1, SC1, SD1 and SI1)

Whenever an entry level position in the Classified Civil Service is to be filled, for which no reinstatement list exists, the appointing authority shall receive a list of four (4) ranks. In the case of multiple vacancies, the appointing authority shall receive a list of four (4) ranks, plus two (2) ranks for each additional vacancy to be filled; provided, however, that a lesser number may be certified when there is not the required number on the eligible list.

14.6.4 Selective Certification Notice (Applies to SB1, SC1, SD1, and SI1)

City may require additional and special qualifications and experience for a civil service position as provided for in the Personnel Manual of the Civil Service Rules Section 5.03 - Selective Certification. For classifications represented by the Union, the City will notify the Union

and provide a statement of reasons for such qualifications and experience at least five (5) working days in advance of the job announcement being posted. The City shall consult with the Union upon request regarding the notice.

14.7 Promotional, Restricted, and Open Examinations (Applies to SB1, SC1, SD1, and SI1 as designated)

A. For SEIU represented promotional classifications, and prior to any future open examination postings, the City shall hold Restricted examinations, open only to SEIU represented permanent employees of the City and Port of Oakland. This provision excludes positions in continuous recruitment and selectively certified positions. (SB1, SC1 and SD1 only)

B. Where there are part time classifications (TPT) for which there are corresponding permanent part time and full time (PPT and FT) entry level classifications and there are more than eight (8) TPT incumbents (for example Custodian; Parking Control Technician; Library Assistant; etc.), the City shall hold Restricted examinations open only to part time (TPT) employees of the City of Oakland. When there are fewer than eight (8) incumbents of the corresponding part time classification, the City may hold both Restricted and Open examinations concurrently. (SI1 only)

C. For Section A and B above, there are two reasons why an open recruitment may be conducted (SB1, SC1, SD1, and SI1):

1. The Restricted announcement does not yield enough applicants who meet the minimum qualifications for the classification, for the current vacancies at the time the job announcement closes, to meet the number of candidates required by the certification rule of the Civil Service Rules (5.02 – rule of four ranks) to certify to City departments/agencies. ~~At least one qualified applicant per vacancy is a sufficient pool in a Restricted recruitment under the terms of A and B above.~~

2. No Restricted recruitment candidate was selected for hire.

D. For SEIU represented PPT and FT entry level classifications (See Appendix G), the City shall hold Restricted ~~and Open~~ examinations and may hold concurrent Open examinations. Individuals on the Restricted eligible list shall be certified to the hiring department and interviewed for positions before individuals on the Open eligible list may be certified to the department. (SB1, SC1, SD1, and SI1)

D.E. For all classifications, an Open examination may be conducted when a Restricted eligible list is exhausted prior to its expiration, that is, when

all candidates on a Restricted eligible list have been interviewed and the current vacancies on an authorized requisition have not been filled.

E.F. The definitions for Open/Competitive and Restricted are (SB1, SC1, SD1, and SI1):

1. Open/Competitive: An examination procedure open to the general public as well as current City employees.
2. Restricted: An examination limited to full or part time City employees who meet the minimum qualification of the class to be examined.

14.7.1 Announcements of Promotional and Restricted Examinations
(Applies to SB1, SC1, SD1, and SI1)

The City agrees routinely to make information regarding promotional and restricted examinations available each month in advance to unit members. The City agrees to send a copy of all open, restricted, and promotional job announcements to the Union.

The City shall provide SEIU notification of SEIU represented job announcements five (5) working days prior to the posting of job announcement.

14.7.2 Oral Board Procedure~~Conduct~~ (Applies to SB1, SC1 and SD1 only)

No City employee who is a member of the department in which the current vacancy exists will sit as a voting member of an oral board for promotional examinations. A staff member of the Human Resources Management Department may sit as a non-voting member for the purposes of serving as a resource person and maintaining the orientation of the oral board. No department representative shall be present during an oral promotional examination. The City may use in-house raters only with the Union's agreement. ~~The City agrees to formally seek concurrence from the Union in the event of using in-house raters for promotional exams.~~

14.7.3 Certification of Eligibles to Fill Vacancies (Applies to SB1, SC1, SD1 and SI1)

Whenever a promotional or restricted position in the Classified Civil Service is to be filled, for which no reinstatement list exists, the appointing authority shall receive a list of four (4) ranks. In the case of multiple vacancies, the appointing authority shall receive a list of four (4) ranks, plus two (2) ranks for each additional vacancy to be filled; provided, however, that a lesser number may be certified when there is not the required number on the eligible list. Individuals on the promotional and/or restricted eligible list shall be certified and considered for appointment before individuals on the original entrance eligible list(s) are certified to the department.

14.7.4 ~~Immediate Dispute Resolution (IDR): Recruitment and Hiring Results/Information~~ (Applies to SB1, SC1, SD1 and SI1)

~~Unit members who are not selected for the appointment shall, upon request, receive a written statement of the reason(s) for their non-selection.~~

~~Disputes regarding the recruiting and hiring provisions of this Article may be reviewed as follows:~~

~~N. The Union and/or affected employee(s) may file a written Immediate Dispute Resolution (IDR) complaint within five (5) working days of the alleged occurrence with the Director of Human Resources Management.~~

~~N. The Complaint must contain the alleged violation of this agreement, or any dispute in the recruitment or hiring process.~~

~~N. The City and Union and/or affected employee(s) shall hold an IDR meeting within five (5) working days of the filing of the complaint, to attempt to resolve the dispute. If the dispute is not resolved within three (3) working days of the IDR meeting, the Union and/or employee may file a grievance if the matter is eligible for grieving under Article 15 of this Agreement. The grievance would be filed at Step 3 Employee Relations of the grievance procedure.~~

~~14.12.1~~ 14.8.1 The City agrees, when requested by unit members, to place unit members' names on the transfer lists for their classifications. The department shall consider all listed unit members prior to filling a vacant position, taking into account seniority, ~~and other factors.~~

~~14.12.3~~14.8.3 The City will provide the Union, on a monthly basis, a list of all temporary and exempt employees performing work that is also performed by employees covered by this Agreement. ~~14.12.4~~14.8.4 The City agrees to send a copy of all open, restricted and promotional job announcements to the Union.

~~14.13~~14.9 Eligible Lists (Applies to SB1, SC1, and SD1)

In the event Open, Restricted and/or Promotional examinations fail to produce successful candidates from among City employees represented by the Union, or based on the results of the most recently conducted examination it is likely that there will not be successful internal candidates, the City and the Union shall meet upon the Union's request, to discuss:

- A. ~~Whether~~Which specific on-the-job or other training programs should be initiated to upgrade the skills of interested employees, or
- B. If a minimum qualification is necessary to perform the essential functions of the job.

~~14.14~~14.10 Conferences And Seminars (Applies to SB1, SC1, and SD1 only)

It may be desirable for a unit member to attend a conference or a seminar which has as its primary purpose the teaching of concepts or skills that are directly beneficial to the unit member in the performance of the job, and where the unit member's attendance is in the City's best interest. Subject to the City's approval, a unit member may be granted leave with pay, with or without expenses, to attend such conference or seminar.

~~14.15~~14.11 Work Effort (Applies to SB1, SC1, SD1, and SI1)

The Union agrees to actively participate in the encouragement of all unit members to work cooperatively with management and supervisory employees to attain maximum productivity by the employees and work

groups to which they are assigned. To that end, the Union will actively encourage all unit members to participate in City training, education, and development offerings insofar as training offerings are conducive to harmonious employer-employee relations. It is understood that the City will continue to encourage the development of supervisory skills and the fostering of improved interpersonal relationships between management and unit members through a training and development program.

The Union will continue to encourage all of its unit members to support the City's goals of reducing crime, improving public schools, revitalizing the downtown area, and supporting cultural arts. Toward that end, all unit members will be encouraged to volunteer during off duty hours for activities in support of these goals, such as mentoring a school age child or participating in literacy programs.

44.16~~14.12~~ Reallocation to Vacant Position (SB1, SC1, and SD1)

Unit members serving in the Police Dispatch Communications classifications may request to be reallocated to a vacant position in a classification that has a lower maximum rate of pay. All such requests must be made in writing to the unit member's agency director or their designee and state the unit member's current classification and the classification the unit member wants to be reallocated to. Upon approval of the unit member's agency director or their designee, the request shall be forwarded to the Director of Personnel or their designee, who shall evaluate the appropriateness of the request, including but not limited to whether the unit member has the knowledge, skills, and abilities to perform the duties of the vacant position. Upon approval of the Director of Personnel or their designee, the unit member shall be reallocated to the vacant position. If, however, the vacant position resides in a different agency, the request shall be forwarded to the director of the agency in which the position resides, who may either approve or deny the request. Unit members allocated to vacancies pursuant to this provision shall serve an entry probationary period of nine (9) months. Such allocations may take precedence over an established eligible list, but in no case shall take precedence over reinstatement lists. ARTICLE 15: GRIEVANCE PROCEDURES
(Applies to SB1, SC1, SD1 and SI1 as designated)

GRIEVANCE PROCEDURE FOR SB1, SC1, AND SD1 ONLY

15.1 Definitions

A grievance is defined as any dispute that involves the interpretation or application of this Agreement that is applicable to SB1, SC1, and SD1 employees only or disciplinary action taken against a unit member, or the application of the Personnel Rules

A written Grievance for purposes of formal submission should include:

- The specific term(s) of the Agreement and/or Personnel Rules alleged to have been violated;
- The action(s) grieved, including the names, dates, places and times and how it violated a specific term of this Agreement and/or Personnel Rules;
- The particular remedy that is sought in the Grievance;
- The name and classification of the grievant;
- The name of the employee representative, if any;
- The date of submission; and
- Signature by filing party.

With the exception of grievances concerning suspension, demotion, or termination, which may be filed at Step 2, it is the express intent of the parties that grievances be resolved expeditiously at the lowest possible administrative level. In cases involving an action directly taken by a department head alleged to violate the MOU, the Union may file the grievance at Step 2. Toward that objective, the following steps are prescribed:

15.2 Procedure

15.2.1 Step 1

15.2.1.1 Informal Discussion

The unit member or the Union Representative may present the grievance orally to the immediate supervisor within fifteen (15) working days from such time as the unit member or Union should reasonably have been aware of the occurrence.

15.2.1.2 Formal Submission

Should the grievance remain unresolved, within fifteen (15) working days of the informal meeting or thirty (30) calendar days after the unit member or Union should reasonably have been aware of the occurrence, whichever occurs earlier, the unit member or Union Representative may submit the grievance in writing to the immediate supervisor within the period cited above with the elements described in Section 15.1 Definition. The supervisor shall render a decision in writing to the unit member and/or Union Representative within fifteen (15) working days of the formal submission of the grievance with a copy to the Employee Relations Department.

15.2.2 Step 2: Appeal To Department Head

The department head or director or the designated representative shall meet with the unit member or Union Representative within fifteen (15) working days following the receipt of the grievance, and shall respond to the grievance in writing within ten (10) working days after the meeting, with a copy to the Employee Relations Department. In the event that the meeting does not occur, the Union has the right to advance the grievance in accordance with Article 15.3.

15.2.3 Step 3: Employee Relations Officer - Union Staff Representative

Should the grievance remain unresolved, the unit member or Union Representative may, within fifteen (15) working days after receipt of the department head response, submit the grievance in writing to the Employee Relations Officer, for example, via email with a copy either by fax or U.S. Mail, who shall not be the same person that responded at Step 2. The Employee Relations Officer, or a designated representative, shall meet with the assigned Union Staff Representative within ten (10) working days of submission and attempt to resolve the dispute.

15.2.4 Step 4: ~~Civil Service Board~~—Arbitration

Should the grievance remain unresolved, within twenty (20) working days of the meeting described in Section 15.2.3, the Union may advance the grievance to Step 4 by notifying Employee Relations, for example, in writing via email with a copy either by fax or US Mail. If the request to advance the grievance to Step 4 is not made within twenty (20) working days, it **shall** be considered withdrawn.

In any Grievance referred to arbitration, including before the Civil Service Board as set forth in Article 15.8, the parties shall select the arbitrator using a rotational alphabetical process of the Panel List noted below for the life of this Agreement.

1. Margie Brogan
2. Nancy Hutt
3. John Kagel
4. John LaRocco
5. Michael Rappaport
6. Robert Steinberg
7. Phillip Tamoush
8. Barry Winograd

In the event an arbitrator is unavailable for arbitration, the next name on the panel list will be selected as the arbitrator.

~~In the case of a grievance concerning discharge or disciplinary action against a unit member, the Union may elect to submit the grievance to the Civil Service Board, instead of to an arbitrator. The Civil Service Board may elect to use a Hearing Officer for such appeals as described in Appendix A, Grievance Procedure. In the event that the Union elects to submit the grievance to the Civil Service Board, the filing of the written grievance in accordance with the provisions of Step 1, Section 15.2.2 above shall satisfy the requirement of the Personnel Ordinance that the unit member gave notice of intent to appeal a discharge or disciplinary action.~~

If arbitration is selected, it is agreed that the arbitrator's decision shall be final and binding on all parties and the arbitrator's fees shall be borne equally by the parties. The arbitrator shall have no power to add to or subtract from the provisions of this Agreement or of the Personnel Rules.

15.2.5 Settlement Conference

For all Grievances scheduled for hearing before an arbitrator, the parties shall hold a good faith settlement conference at least sixty (60) days prior to the hearing. At least ten (10) days prior to the hearing, the parties shall attempt to prepare a submission to the arbitrator, signed by both parties setting forth the issue(s) and specific provision number(s) in dispute. Should the parties fail to agree upon a submission, the arbitrator shall determine the issue(s).

15.2.6 Court Reporter Fees

Court reporter fees shall be shared equally by all parties requesting a copy of the transcripts, regardless of whether the arbitrator also requests a copy of the transcripts.

15.3 Time Limits

Time limits prescribed in Section 15.2, Procedure, may be extended by mutual agreement of the parties in writing. Failure by the unit member or Union to follow the time limits, unless so extended, shall nullify the grievance. Failure by the City to follow the time limits, unless so extended, shall cause the grievance to move to Step 2 or Step 3, whichever is the next level.

15.4 Witnesses

Individuals who may have direct knowledge of circumstances relating to the grievance may appear at the mutual request of the parties during any stage of the procedure. In the case of a unit member appearance, the unit member shall be compensated at the regular rate of pay for actual time spent in such appearance.

15.5 Class Action Grievance

A grievance covering more than one unit member must be identified as a “class action grievance” when first submitted. The scope of the grievance shall then be described; and, to the extent reasonably known by the Union, the grievants shall be identified by name. A “class action grievance” must meet the definition of a grievance and should contain all of the elements as described in Section 15.1 of this Article, to be processed as such.

15.6 Immediate Arbitration

Either party may waive the time limits specified in this Article and proceed to immediate arbitration in any case where either party alleges the other is threatening to take an action in violation of this Agreement in so short a period of time as to disallow the other party from proceeding within said time limits. Proceeding to arbitration under this Section shall be by mutual agreement, and such agreement shall not be withheld by either party arbitrarily.

In any such case, the arbitrator shall have no power to add to or subtract from the provisions of this Agreement or of the Personnel Rules, but shall have power to issue an order to the party initiating the grievance to abide by the normal time limits provided in this Article.

The arbitrator to hear such case shall be selected by the parties from a panel of three arbitrators mutually agreed upon when the provisions of this section are invoked. The first arbitrator, in designated order from the panel, available within a 48-hour period shall be selected.

No post-hearing briefs shall be permitted, and the arbitrator shall render a decision at the conclusion of the hearing.

15.7 Consolidation

Concurrent grievances alleging violation of the same provision shall be consolidated for the purpose of this procedure as a single grievance.

15.8 Civil Service Board Hearing

In the case of a grievance concerning disciplinary discharge or other disciplinary action against a unit member only, the Union may elect to submit the grievance to the Civil Service Board, in lieu of Arbitration. Such election is irrevocable.

The Civil Service Board may elect to use a Hearing Officer for such appeals. In the event that the Union elects to submit the disciplinary grievance to the Civil Service Board, the filing of the written grievance in accordance with the provisions of Step 2, Section 15.2.2 (Appeal to Department Head) shall satisfy the requirement of the Personnel Ordinance that the unit member gave notice of intent to appeal a disciplinary discharge or other disciplinary action.

15.8.1. Hearing Officer Panel

Hearing officers shall be selected in accordance with the Panel List identified in Article 15.2.4.1.

15.8.2. Conduct of Hearings

Hearings before a Hearing Officer will be closed to the public unless otherwise agreed to by the Grievant and City. Hearings will be audio recorded or stenographically transcribed. Copies of the audio recording will be available to the appellant, if desired, for no charge. Transcripts of the proceedings will be available upon request at the requesting parties' expense.

Closing arguments shall be oral; provided, however, that either party may elect to submit a closing brief following the presentation of closing arguments. Briefs are to be submitted to the Hearing Officer within twenty (20) calendar days of the close of the hearing unless

otherwise agreed to by the Parties. Briefs submitted after the deadline shall not be considered by the Hearing Officer.

15.8.3 Hearing Officer Responsibilities

TO CITY EMPLOYEE MEMBERS OF THE MILITARY
RESERVE RECALLED TO ACTIVE DUTY IN RESPONSE TO
THE EVENTS OF SEPTEMBER 11, 2001

WHEREAS, the President of the United States has signed an order to recall persons in the military reserve to active duty in order to combat the terrorist threat to our nation; and

WHEREAS, some of those reservists are City employees; and

WHEREAS, the City of Oakland currently provides military leave continuance of certain pay and benefits for a maximum of 30 calendar days per fiscal year to employees who have been in City service for at least one (1) year and have been ordered to report to active duty; and

WHEREAS, the City Council believes it to be in the public interest to ensure that those employees recalled to active duty during this crisis are able to continue providing for their families while in the service of their country without undue hardship or loss; and

WHEREAS, several City employees have been recalled to active military duty and have or are near to exhausting the 30 calendar days of military leave pay and benefits currently provided for; now, therefore, be it

RESOLVED: That any full-time employee of the City of Oakland who has a least one year of service or one year of combined active military service and City service and is involuntarily ordered to active duty shall continue to receive military leave pay and benefits for a period of up to 90 additional calendar days; and be it

FURTHER RESOLVED: That the military leave pay provided for by this resolution shall be discounted by the amount of active duty military pay and allowances received by the employee such that the employee does not receive more than the employee's City base pay; and be it

FURTHER RESOLVED: That the City Council does hereby delegate to the City Manager the authority to consult and confer with the City's employee organizations as to the practical details of calculating the appropriate amount of military leave pay provided for by this resolution such that the employee does not receive more in combined military leave pay and active duty military pay than the employee's City base pay, and to resolve any disputes that arise with regard to same; and be it

FURTHER RESOLVED: That the military leave benefits (as distinguished from military leave pay) provided by this resolution shall be the same as those currently provided during the initial 30 days of military leave; and be it

FURTHER RESOLVED: That the City Manager may at his discretion extend the additional period of military leave pay and benefits provided by this resolution, but in no case beyond a total period of one year for any employee; and be it

HEAD START CLASSROOM ASSESSMENT SCORING SYSTEM (C.L.A.S.S.) (Applies to SB1, SC1, and SD1)

All teachers will attend mandatory training on the Classroom Assessment Scoring System (henceforth "CLASS") tool used by the Office of Head Start and all classrooms will be assessed by the program using the tool. Teachers are expected to maintain CLASS scores that meet or exceed the national average of Head Start Classrooms. A teacher scoring below the national average will be notified and supported through training and coaching in an effort to encourage improvement with an improvement plan. The City will notify the Union of any improvement plans related to CLASS. The City will reassess using the same standards. If measurable improvement is not observed, the teacher may be subject to discipline, up to and including termination.

APPENDIX: I

TEMPORARY PART TIME EMPLOYMENT (TPT) SI1

The City may hire temporary part time employees for work that is:

1. Seasonal or of a sporadic nature (e.g. seasonal work is work fluctuating or restricted according to the season or time of the year; sporadic is work occurring at irregular intervals.)
2. Designed to complete a special project or program that has a beginning and ending date which calls for the employee to work no more than 960 hours in a fiscal year.
3. To augment permanent staff (e.g. weekend/holiday coverage, animal care), accommodate scheduling requirements, and/or other operational needs, where such augmentation cannot be accomplished by hiring additional permanent staff.
4. Of a nature that requires limited hours per day or per week because of the nature of the service to be provided, including but not limited to: on call/backfill coverage, after school programming, lifeguarding, refereeing, officiating, crossing guards, cadets, specialized program instructors, and classroom support.

If the City is unable to appropriately staff due to the terms contained in 1-4 above, and experiences urgent operational issues, such as the pending closure of a program, the City and Union shall meet within two (2) business days to discuss staffing alternatives. The parties agree that the City shall not hire temporary part time employees for the sole purpose of denying benefits.

Restricted Hiring of Temporary Part Time Employees

For the twelve (12) months following the full ratification departments will use the temporary part time employees on payroll within their departments. If there are insufficient temporary part time employees within the department, as determined by the department head, including a pool for on-call work, the hiring of additional temporary part time employees must be expressly requested in writing by the department head for approval by the City Administrator's Office for the hiring of temporary part time employees.

This provision sunsets on the last day of the 12th month following the ratification of this full agreement. Full ratification means the approval of the labor agreement by the Union and City Council.

Current Temporary Part Time Employees (TPT)

Notwithstanding Nos. 1-4 above, the City and Union agree that current temporary part time employees on City payroll as of the ratification of this agreement may work in ongoing recurring work that is outside of the terms of Nos. 1-4 above. The parties agree that the City will continue to employ temporary part time employees on payroll as of the ratification of this agreement, as determined by the City. The parties also agree that the classifications held by temporary part time employees who engage in ongoing recurring work may be converted to permanent part time or permanent full time classifications as funds permit, and as described in Section 14.7.

Temporary Part Time Employment (TPT) Conversion

The City may convert temporary part time (TPT) positions to permanent classified positions as fund permit. Effective forty-five (45) days after the execution of this MOU, a labor management committee will convene to identify and recommend to the City Administrator those temporary part time positions that could be converted to permanent classified positions. The goal of the committee is to select positions for conversion that will have a limited impact to department operations. The committee will consist of six (6) representatives from SEIU and six (6) representatives from the City. The committee will present a report to the City Administrator no later than December 31, 2015. The recommendations in the report will be reviewed and considered by the City administrator's office. This committee expires on June 30, 2017.

In the Fiscal Year 2015-2017 Adopted Budget, the City of Oakland allocated \$1,000,000 (one million dollars) to convert work performed by temporary part time employees to permanent positions. The priority of the committee will be to first review the following classifications:

- Pool Manager, PT
- Recreation Attendant I, PT
- Recreation Specialists III, PT
- Van Driver, PT
- Park Attendant, PT
- Library Aide, PT
- Library Assistant, PT
- Parking Control Technician, PT

The study shall be completed not later than nine (9) months after the ratification of this Agreement.

The Union and City agree to conduct a joint compensation survey with a mutually agreed upon third party compensation consultant. The City will then provide an opportunity to SEIU to meet and confer over the proposed Policy within sixty (60) days following the City’s submission of the Revised Discipline Policy. The City will not make any revisions that would take the City out of compliance with any Task Order set forth in the Negotiated Settlement Agreement.

No proposed revision shall be inconsistent with any provision of this MOU.

If no agreement is reached between the parties within 60 days of the commencement of the meet and confer process or any extension of time to which the parties have mutually agreed, each party may submit its last best and final offer. Upon the declaration of impasse, the parties shall go to mediation and if the union requests, fact finding. The parties shall request a mutually agreed upon mediator from the California State Mediation and Conciliation Service ("CSMCS"). If the parties cannot reach an agreement on a mediator, the parties shall request that CSMCS appoint a mediator.
