RESOLVED: that the Council of the City of Oakland does find and determine as follows:

1. The Rockridge Business Improvement District was established in the Rockridge area of the City of Oakland, California as a parking and business improvement area pursuant to Street and Highways Code section 36500 et seq with the boundaries as specified in the Plan on file with the City Clerk.
2. The Annual Assessment Report for the District is approved, and the City Council declares its intent to levy and collect the assessments for the 2008/09 fiscal year as provided for in the Annual Assessment Report and pursuant to the assessment formula as provided for in the Plan, if the requested assessments are approved by the City Council after the Public Hearing scheduled by this Resolution of Intention.
3. The boundaries of the District shall remain the same as specified in the Plan on file with the City Clerk and there are no changes to the boundaries or benefit zones.
4. The types of the improvements and activities proposed to be funded by the levy of assessments on businesses in the area are those specified above in this Resolution and more specifically as described in the Plan and the Annual Assessment Report on file with the City Clerk. No substantial changes in the improvements or activities for the District are proposed to be made. Please refer to the Plan and Report on file with the City Clerk for a full and detailed description of the improvements and activities to be provided for the 2008/09 fiscal year, the boundaries of the area and any benefit zones within the area, and the proposed assessments to be levied upon the businesses within the area for the 2008/09 fiscal year.
5. The proposed method and basis of levying the assessments to be levied against each business in the District are those specified in the Plan and Annual Assessment Report on file with the City Clerk. For the fiscal year 2008/09 assessment a sub-classification of businesses that earn annual gross receipts of \$25,000 or less is proposed to be created with a temporarily reduced fee for that assessment year of \$60. Such sub-classification is proposed to be temporarily created to reduce the number and expense of processing hardship partial fee waiver requests, and the reduced fee amount would not apply to future assessment years unless renewed in the annual assessment resolution for such future years.
6. A Public Hearing is set for February 5, 2008, to hear all public comments, protests, and take final action as to the levying of the proposed assessments for the District for the fiscal year 2008/09.
7. The City Clerk is directed to give notice of the Public Hearing by causing the Resolution of Intention to be published once in a newspaper of general circulation in the City of Oakland for not less than seven days before the Public Hearing.
8. At the Public Hearing the testimony of all interested persons for or against the proposed assessments will be heard and written and oral protests may be made. The form and manner of protests shall comply with Sections 36524 and 36525 of the Streets and Highways Code.

9. A protest may be made orally or in writing by any interested person. Any protest pertaining to the regularity or sufficiency of the proceedings shall be in writing and shall clearly set forth the irregularity or defect to which the objection is made.
10. Every written protest shall be filed with the clerk at or before the time fixed for the public hearing. A written protest may be withdrawn in writing at any time before the conclusion of the public hearing.
11. Each written protest shall contain a description of the business in which the person subscribing the protest is interested sufficient to identify the business and, if a person subscribing is not shown on the official records of the City as the owner of the business, the protest shall contain or be accompanied by written evidence that the person subscribing is the owner of the business.
12. A written protest which does not comply with the requirements stated above shall not be counted in determining a majority protest.
13. If written protests are received by the owners of businesses in the proposed area which will pay 50 percent or more of the assessments proposed to be levied and protests are not withdrawn so as to reduce the protests to less than that 50 percent, the proposed assessment shall not be levied.
