***2008-09 Senior Services Set-Aside Program
Commission on Aging Recommendations for funding***

<i>ORGANIZATION</i>	<i>AMOUNT</i>	<i>PROJECT NAME</i>	<i>SERVICE AREA</i>
<u>Alameda Community Food Bank</u>	<u>\$45,000</u>	<u>Fresh Produce Delivery</u>	<u>Citywide</u>

This project will provide more than 4000 low-income Oakland seniors with a delivery of fresh produce twice each month. The Food Bank will deliver produce to five of their member agencies that already have distribution networks in place, including Mercy Brown Bag (District 5), the East Oakland Switchboard and the East Oakland Senior Center (District 7), Hotel Oakland (District 3), Shiloh Mercy Ministries (District 4) and Church of the Living God (District 3). The Food Bank and the participating agencies will provide nutritional information to program clients.

<u>Mercy Retirement & Care, Inc.</u>	<u>\$25,000</u>	<u>Mercy Brown Bag</u>	<u>Citywide</u>
--	-----------------	------------------------	-----------------

As they have when funded several times in the past, the Mercy Brown Bag program will coordinate the distribution of high quality, nutritional bags of groceries to low-income Oakland seniors. Each month, 1250 Oakland seniors receive 22 to 24 bags of groceries, each of which includes a protein item, fresh produce, and other fresh, frozen and canned foods.

<u>Alzheimer's Services of the East Bay</u>	<u>\$45,000</u>	<u>Oakland Expansion</u>	<u>Citywide</u>
---	-----------------	--------------------------	-----------------

In 2007 Alzheimer's Services of the East Bay acquired the Summit Hospital Adult Day Care Program and began operating their first Oakland-based program. Senior Services Set-Aside grant funds will be used to fund a visual art contractor to work with clients, make capital improvements to the facility, and expand the staff. Most of the grant funds will be used for ongoing program expenses for client assessment, care planning, and monitoring.

<u>Bay Area Community Services</u>	<u>\$22,500</u>	<u>Meals on Wheels</u>	<u>Citywide</u>
------------------------------------	-----------------	------------------------	-----------------

Funding for the Meals On Wheels program will partially fund the provision of 183,000 meals to 1,200 low income Oakland seniors. The grant request of \$45,000 was reduced to \$22,500, which will be used by BACS to supplement federal, state and local funding and provide meals to Oakland seniors who otherwise would be on a waiting list. BACS will continue to work closely with Lifelong Medical, Inc. to provide health education and nutrition services to homebound seniors receiving the meals.

Lifelong Medical Care \$22,500 Senior Independence Citywide

This project will allow at least 125 Oakland seniors with chronic conditions to remain independent by providing them with information about managing their condition, home visits from a nurse practitioner/physician assistant, and/or a chronic disease self-management classes.

Rebuilding Together Oakland \$45,000 Safe At Home Citywide

The grant funds will be used to expand the volunteer Safe-At-Home program which provides minor home modifications to low income Oakland seniors to help them remain independent. The home modifications focus on devices to reduce falls and improve safety. The funding will be used to purchase materials and to develop staff expertise. More than 100 seniors will benefit from this funding.

St. Mary's Center \$45,000 Outreach, Advocacy & Homelessness West/Downtown

The Set-Aside funding will be used to support 500 frail, very low-income Oakland seniors each year. These seniors will remain independent through friendly visiting and telephone assurance. On occasion seniors are provided with transportation for shopping and medical appointments, and given support to address financial and benefit-related problems. The program also addresses the needs of formerly homeless seniors by providing substance abuse and/or mental health case management.

Vietnamese Community Development \$45,000 Coordinated Senior Project Citywide

The Set-Aside funding will be used to support 150 low income Vietnamese seniors living in Oakland. Services will be provided four days per week at the Vietnamese Community Development site on 23rd Avenue and International Blvd in Oakland. The goal of the project is to provide mono lingual Southeast Asian Seniors with services that will enable them to access needed services and sustain their independence. The funding will support bi-lingual counselors and a project director to oversee services that will include nutrition, education, travel and cultural events.
