---

On May 8, 2007, the Public Works Agency presented a report to the Public Works Committee on the Citywide Sidewalk Repair FY 06-07 (Project No. C269110). The Committee directed staff to provide a revised repair list and a list of completed locations from previous sidewalk repair contracts.

The revised sidewalk repair list for project C269110 is shown in *Attachment A*, which includes a total of 391 locations. At the time of printing, staff was unable to compile the information for the second request regarding completed locations from the most recent repair project. Staff will be able to speak to this information at the May 15, 2007 council meeting.
