WHEREAS, David Marshall Perkins, owner of real property known as 1017 Portal Avenue and described in a Grant Deed, recorded January 28, 1994, Series Number 94038139, by Alameda County Clerk-Recorder, and identified by the Alameda County Assessor as APN 011-0877-028-01, and more particularly described in *Exhibit A* attached hereto (Owner), has made an application (PPE2100054) to the City Engineer of the City of Oakland (City) to summarily vacate an unused public sewer easement which serves said parcel; and

WHEREAS, said easement was dedicated through the map "Map of Cocker Oaks" filed August 9, 1913, Map Book 28, Page 37, Alameda County Records; and

WHEREAS, the limits of the public sewer easement proposed for vacation are delineated diagrammatically and described textually in *Exhibits B and C* attached hereto and incorporated herein; and

WHEREAS, the City Engineer has determined that the public sewer easement proposed for vacation has never been used for the purpose for which it was dedicated in 1913; and

WHEREAS, the City Engineer has also determined that such easement is no longer needed by the City for future infrastructure improvements; and

WHEREAS, pursuant to the California Streets and Highways Code, sections 8333 and 8334.5, the legislative body of a local agency may summarily vacate a public service easement when the easement has not been used for the purpose for which it was dedicated for five (5) consecutive years immediately preceding the proposed vacation and there are no public utilities within the existing easement; the vacation will not occur until all the conditions have been satisfied, and that the City Administrator is instructed to not record the vacation until these conditions have been satisfied; and

WHEREAS, The Agenda Report recommends the City Council find and determine that the vacation is categorically exempt from the requirements of CEQA pursuant to Title 14

California Code of Regulations Section 15305 as a minor alteration in land use limitations; now, therefore, be it

RESOLVED: That the City Council has review all relevant documents relating to the summary vacation of the existing public sewer easement that is subject of this resolution; and be it

FURTHER RESOLVED: That the summary vacation of the public sewer easement to the Owner, as delineated in *Exhibit B* as conditioned herein, is hereby granted; and be it

FURTHER RESOLVED: That said vacation is hereby conditioned by the following special requirements:

2. the Owner acknowledges that the City of Oakland makes no representations or warranties as to the conditions beneath the existing public service easement; and that by accepting this vacation, the Owner agree that they will use the easement area in the future at their own risk, and are responsible for their activities and the activities of their workmen operating within the vacated area and for their own safety and the safety of any of their personnel; and
3. the Owner acknowledges that the City of Oakland is unaware of the existence of any hazardous substances beneath the easement areas, and hereby waive and fully release and forever discharge the City of Oakland and its officials, officers, directors, employees, agents, representatives and volunteers from any and all claims, demands, liabilities, damages, actions, causes of action, penalties, fines, liens, judgments, costs, or expenses whatsoever (including, without limitation, attorneys' fees and costs), whether direct or indirect, known or unknown, foreseen or unforeseen, that may arise out of or in any way connected with the physical condition, or required remediation of the vacated area or any law or regulation applicable thereto, including, without limitation, the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended (42 U.S.C. 4. the Owner further acknowledges that they understand and agree that they hereby expressly waive all rights and benefits which they now have or in the future may have, under and by virtue of the terms of California Civil Code Section 1542, which reads as follows: "A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM MUST HAVE MATERIALLY AFFECTED HIS SETTLEMENT WITH THE DEBTOR"; and
5. the Owner recognizes that by waiving the provisions of Civil Code Section 1542, they will not be able to make any claims for damages that may exist, and to which, if known, would materially affect their decision to request said vacation, regardless of whether Owner's lack of knowledge is the result of ignorance, oversight, error, negligence, or any other cause; and
