### **RESOLUTION SUMMARILY VACATING AN EXISTING SANITARY SEWER EASEMENT TO DAVID W. NAYLOR TO FACILITATE CONSTRUCTION OF A NEW DWELLING AT 1189 DRURY ROAD**

**WHEREAS**, David W. Naylor, as Permittee and owner of a vacant lot identified as no. 12 on the original subdivision map, and described in a grant deed, recorded June 27, 2008, series no. 2008200796, by the Alameda County Clerk-Recorder, and identified by the Alameda County Assessor as APN 048H-7651-032-01, and identified by the City of Oakland as 1189 Drury Road and more particularly described in *Exhibit A* attached hereto, has made an application (PPE 08068) to the Council of the City of Oakland to vacate summarily an existing public service easement, which is five (5) feet wide and approximately one hundred and sixteen (116) feet long, that traverses said property to facilitate the construction of a new residence (CVD 08200); and

**WHEREAS**, said easement was dedicated by Evalee Harrison and accepted by the City of Oakland through a grand deed, recorded November 1, 1979, by the Alameda County Recorder, series no. 79-221732, and more particularly delineated in *Exhibit B* and *Exhibit C* attached hereto; and

**WHEREAS**, said easement was dedicated for the purpose of constructing a sanitary sewer main across said Lot 12 from the northerly property boundary at Chancellor Place to the easterly adjoining vacant Lot 13, identified as APN 048H-7651-031-02 and as 1195 Drury Road, solely to serve future residences to be constructed on said Lot 12 and Lot 13; and

**WHEREAS**, the City Engineer of the City of Oakland has determined that said easement has not been used for the purpose for which it was dedicated and will not be needed for such purpose; and

**WHEREAS**, the Building Official of the City of Oakland has determined that effluent from a proposed new residence on said vacant Lot 12 to be constructed by the Permittee can be directly conveyed by gravitational force in a privately maintained sanitary sewer lateral and wholly within the boundaries of Lot 12 to an existing publicly maintained sanitary sewer main located within the Drury Road public right-of-way; and

**WHEREAS**, pursuant to the California Streets and Highways Code sections 8333 and 8334.5, the legislative body of a local agency may summarily vacate a public service easement when the easement has not been used for the purpose for which it was dedicated for not less than five (5) consecutive years immediately preceding the proposed vacation and does not have publicly maintained utilities with it; and

**WHEREAS**, the requirements of the California Environmental Quality Act of 1970 ("CEQA"), the Guidelines as prescribed by the Secretary of Resources, and the provisions of the Statement of

Objectives, Criteria and Procedures for Implementation of the California Environmental Quality Act: City of Oakland, have been satisfied, and that in accordance with Section 15332 (Class 32: infill projects) and Section 15301 (minor alteration to existing structure) of the California Code of Regulations this project is categorically exempted from the provisions of the California Environmental Quality Act; now, therefore, be it

**RESOLVED:** That the City Council hereby finds and determines that the proposed summary vacation of said public service easement does comply with the California Environmental Quality Act; and be it

**FURTHER RESOLVED:** That said vacation, as conditioned herein, of said public service easement, as delineated in *Exhibit B* and *Exhibit C*, to David W. Naylor is hereby granted; and be it

**FURTHER RESOLVED:** That said vacation is hereby conditioned by the following special requirements:

1. the Permittee (David W. 7. the Permittee recognizes that by waiving the provisions of Civil Code Section 1542, he will not be able to make any claims for damages that may exist, and to which, if known, would materially affect his decision to request said vacation, regardless of whether Permittee's lack of knowledge is the result of ignorance, oversight, error, negligence, or any other cause; and
8. the hereinabove conditions shall be binding upon the Permittee and his successors, heirs, and assigns, and upon the successive owners of said Lot 12; and be it

**FURTHER RESOLVED:** That this resolution shall take effect when all the conditions hereinabove set forth shall have been complied with to the satisfaction of the City Attorney, the City Engineer, and the Building Official of the City of Oakland and shall become null and void upon the failure of the Permittee to comply with the conditions hereinabove set forth; and be it
