RE: **Resolution Adding New Streets To Preferential Residential Permit Parking (PRPP) Area "I" And Changing On-Street Parking Restrictions In the Area To Include 66<sup>th</sup> Street Between Shattuck Avenue And Telegraph Avenue, And On Raymond Street Between 66<sup>th</sup> Street And Alcatraz Avenue, And Restricting General Street Parking Within Said Residential Permit Parking Zones To Two Hours, Monday Through Friday From 8:00 A.M. To 6:00 P.M.**

---

### SUMMARY

A resolution has been prepared approving additions of Preferential Residential Permit Parking (PRPP) to the existing Area "I" PRPP with a two-hour parking time limit on the following street segments:

Area "I" Addition (*Attachment A*):

- North side of 66<sup>th</sup> Street from Shattuck Avenue to Deakin Avenue
- South side of 66<sup>th</sup> Street from Shattuck Avenue to Raymond Street
- North side of 66<sup>th</sup> Street from Deakin Avenue to Telegraph Avenue
- South side of 66<sup>th</sup> Street from Raymond Street to Telegraph Avenue
- West side of Raymond Street from 66<sup>th</sup> Street to Alcatraz Avenue
- East side of Raymond Street from 66<sup>th</sup> Street to Alcatraz Avenue.

The parking problems that led to the initiation of this PRPP proposal resulted from the increase in long-term parking by employees from businesses on Shattuck Avenue and Telegraph Avenue.

All petition requirements for implementing a PRPP Area have been satisfied per Oakland Municipal Code (OMC), Chapter 10.44, and as spelled out by Ordinance No. 10689 C.M.S. The proposed PRPP should increase the availability of long-term parking spaces for area residents with a PRPP sticker.

## FISCAL IMPACT

The estimated cost to install the PRPP signs on all involved street blocks is \$6,600.00. Funds are available in the Office of Budget and Finance, Parking Administration Organization (08931), Multipurpose Reserve Fund (1750). Fees for the PRPP permits are set-forth in the City's Master Fee Schedule. As of July 1, 2009, the fees are \$35.00 for a resident permit, \$1.00 for a one-day visitor permit, \$5.00 for a 14-day visitor permit, and \$85.00 for a business permit. The annual renewal fee per permit is also \$20.00 for residents and \$75.00 for businesses.

A minimum purchase of 15 permits by the residents for a total amount of \$525.00 is required before PRPP signs could be installed within the proposed expansion of Area "I".

## BACKGROUND

The City may establish preferential residential parking programs for residents and merchants pursuant to California Vehicle Code §22507, provided there is no adverse impact on residents and merchants in the program areas. Residential Permit Parking alleviates parking congestion in residential neighborhoods caused by non-residents (such as employees, shoppers, visitors and commuters) who park for extended periods of time. Upon implementing PRPP on 66<sup>th</sup> Street from Shattuck Avenue to Telegraph Avenue and Raymond Street from 66<sup>th</sup> Street to Alcatraz Avenue, signs would be installed to limit on-street parking to two-hours, except for vehicles displaying an Area "I" permit. The two-hour time limit is consistent with the existing Area "I" PRPP time limit.

The Oakland Municipal Code Section 10.44.050, states that a petition requesting establishment of a PRPP area is required to be signed by residents representing at least 51% of the addresses within the proposed area. Staff received PRPP petitions with 2-hour time limits for non-residents, and qualified signatures representing more than 51% of the eligible addresses within the proposed expansion of the Area "I" PRPP as shown in *Attachment B*.

Oakland Municipal Code Section 10.44.050, also requires that at least 80% of the block fronts in the proposed PRPP area must be residentially zoned, and a minimum 75% of all on-street parking spaces be occupied within the proposed PRPP area during the period of proposed parking restrictions in the area. The parcels along the proposed street segments are zoned residential. Parking occupancy surveys were conducted for all proposed street segments on three (3) different weekdays. All street blocks meet the 75% occupancy parking requirement. In existing Area "I" parking is restricted to two-hours Monday – Friday from 8:00 a.m. to 6:00 p.m. The same parking restrictions are proposed for the new streets included in Area "I".

A public hearing was held at the North Oakland Senior Center on November 17, 2008, on the proposed expansion of Area "I" PRPP. Approximately twenty-five (25) members of the public attended this hearing.

## KEY ISSUES AND IMPACTS

Residents on 66<sup>th</sup> Street from Shattuck Avenue to Telegraph Avenue and Raymond Street from 66<sup>th</sup> Street to Alcatraz Avenue have been inconvenienced by the long-term parking of non-residents generated by the employees from the businesses and commercial activities on Shattuck Avenue and Telegraph Avenue. Area residents signed a petition requesting the implementation of PRPP with a two-hour parking time limit, 8:00 a.m. to 6:00 p.m., Monday through Friday. The time may be extended to 8:00 p.m., pending action to be considered by Council on September 22, 2009, the result of which was not known at the time this report was prepared.

The implementation of PRPP on 66<sup>th</sup> Street and Raymond Street, is expected to make on-street parking more available for local residents, especially those who have a PRPP permit. Furthermore, the proposal is expected to reduce the parking occupancy along streets that will be signed for PRPP, thus making short-term parking more available for customers and employees of nearby businesses and schools within a two-hour parking limit. Therefore, the implementation of PRPP on 66<sup>th</sup> Street, Raymond Street is not expected to adversely affect parking conditions for residents and businesses in the area.

## SUSTAINABLE OPPORTUNITIES

*Economic:* There are no significant economic opportunities.

*Environmental:* The proposed PRPP is expected to discourage long-term parkers from parking on the subject streets, and it could encourage public transit utilization that would result in reduction in vehicle emission and noise.

*Social Equity:* Area "I" PRPP currently includes three (3) nearby streets (i.e., Harmon Street, Tremont Street and Whitney Street) west of Shattuck Avenue. Approval of the expansion of Area "I" PRPP will create equity in parking policy east of Shattuck Avenue on 66<sup>th</sup> Street and Raymond Street.

## DISABILITY AND SENIOR CITIZEN ACCESS

The proposed PRPP will provide more opportunities for disabled and senior citizens to find available parking. Vehicles displaying a disabled placard will be exempted from the time restriction.

## RECOMMENDATION AND RATIONALE

Staff recommends approval of the resolution implementing expansion of Areas "I" PRPP in accordance with the procedures of the OMC, Chapter 10.44, in order to alleviate the lack of long-term parking spaces presently experienced by the area residents.

We the undersigned, hereby petition that a **2 HOUR** zoned Preferential Residential Parking Permit Parking Area be established on the following streets:

1. **66<sup>th</sup> Street, South Side, between the intersections of 66<sup>th</sup> Street & Shattuck Avenue and 66<sup>th</sup> Street & Raymond Street**
2. **66<sup>th</sup> Street, North Side, between the intersections of 66<sup>th</sup> Street & Shattuck Avenue and 66<sup>th</sup> Street & Raymond Street**

We the undersigned are resident's and/ or business owners of the proposed Preferential Residential Permit Parking Area described in this petition. We understand that, if this area is designated as a Preferential Residential Permit Parking area, certain restriction will be placed upon on-street parking within the designated area; that subject to the regulations and restrictions established by the City Council, their visitors will be eligible to obtain permits exempting them from such parking restrictions; that the initial fee for new permits issued between July 1st and December 31st is \$25.00 per vehicle. The initial fee for new permits issued between January 1st and June 30th is \$17.50 per vehicle. Residential Parking Permits are valid through June 30th. Renewals cost \$15.00 per vehicle. Permits for businesses however are \$75 per permit, and \$75 for renewals as well; that a Residential Parking permit may be issued to a resident of the same address, but not more than three Residential Parking Permits shall be issued to any one address, except in areas where it appears that the number of permits issued would exceed the number of legal on street parking spaces where the initial sale would be limited to two or possibly one permit per resident; that no more than one Residential Parking Permit shall be issued to each motor vehicle owned or leased for which a application is made; that fees for one day and 14 day Visitor Parking Permits are \$1.00 per day and \$5.00 per vehicle, respectively; but that no more than two Visitor Parking Permits per any one address shall be issued at any one time. We, the undersigned, hereby request that the City Council consider this petition for establishment of the above-described area as a Preferential Residential Permit Parking Area.

Upon return of the completed petition, The City Traffic Engineer will evaluate the petition, hold neighborhood hearing(s), and make a recommendation to the City Council in accordance with Ordinance No. 10689 C. M. S. of the Oakland Traffic Code.
