OAKLAND CITY COUNCIL

ORDINANCE NO. 13854 C.M.S.

ORDINANCE: (1) AMENDING OAKLAND MUNICIPAL CODE 10.48.010 TO INCREASE FINES FOR PARKING CITATIONS CONSISTENT WITH PREVIOUS CITY COUNCIL DIRECTION; (2) ADOPTING A FINE OF \$40 FOR CALIFORNIA VEHICLE CODE 22500(N) IN SUPPORT OF DAYLIGHTING; (3) AMENDING OAKLAND MUNICIPAL CODE 10.48.010 CONSISTENT WITH OAKLAND ORDINANCE 12607; (4) AMENDING OAKLAND MUNICIPAL CODE 10.48.010 TO RESOLVE INCONSISTENCIES BETWEEN OAKLAND MUNICIPAL CODE 10.48.010, THE OAKLAND MUNICIPAL CODE AND THE CALIFORNIA VEHICLE CODE AND (5) ADOPTING APPROPRIATE CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA) FINDINGS

WHEREAS, the City of Oakland (City) periodically amends and updates its parking fines to account for the various cost increases relating to municipal programs, services and activities; and

WHEREAS, the City recognizes that the parking system should be actively managed to maximize efficient use of a public resource, according to Oakland's Parking Principles (Resolution No. 84664 C.M.S.); and

WHEREAS, the City of Oakland Department of Transportation (OakDOT) is tasked with managing public parking to balance the diverse needs of Oakland's visitors, merchants, commuters and residents and with improving transportation choices and minimizing parking demand, congestion, and pollution (OakDOT Strategic Plan); and

WHEREAS, the City Council approved budget for Fiscal Years 2023-2025 included two year-over-year increases of five percent for parking fines as an inflation adjustment (Resolution 89804 C.M.S.); and

WHEREAS, Assembly Bill (AB) 413 established new rules for "daylighting" intersections to increase driver sight distances and improve pedestrian visibility. California Vehicle Code (CVC) § 22500(n) implements AB 413 by making it illegal to park, stop or stand within twenty feet on the approach side of a marked or unmarked crosswalk; and

WHEREAS, establishing a fine of \$40 for violation of CVC § 22500(n) will allow the City to enforce this CVC section, thereby increasing pedestrian safety; and

WHEREAS, a fine in the amount of \$40.00 for violation of CVC § 22500(n) prohibiting parking within 20 feet of a crosswalk on the approach side is consistent with the enforcement authority granted by AB 413 and does not require signage or curb markings; and

WHEREAS, CVC Division 18, Chapter 1 establishes penalties for various vehicle code violations, including minimum and maximum fine amounts; and

WHEREAS, in preparing this report, staff referenced CVC Division 18, Chapter 1 to ensure all proposed fines fall within the minimum and maximum amounts set forth therein. The fine for violating CVC § 22511 was found to be below the minimum required and is therefore proposed to be increased from \$80 to \$100; and

WHEREAS, the proposed fees and charges that are imposed for a specific government service, benefit or product, or regulatory program are provided directly to the payer and not provided to those not charged, and do not exceed the reasonable costs to the City of providing the service, benefit or product, or regulatory program; and

WHEREAS, Oakland Municipal Code (OMC) § 10.48.010 included City Traffic Code Section 10.08.150 and 10.16.070, both were formerly repealed by Ordinance 12607 and therefore removed from § 10.48.010; and

WHEREAS, OMC § 10.48.010 included City Traffic Code Section 10.28.290, the correct City Traffic Code Section is 10.28.280 and therefore § 10.48.010 was amended to accurately reflect the correct City Traffic Code; and

WHEREAS, OMC § 10.48.010 included State Vehicle Code Section 22500.I, the correct State Vehicle Code Section is 22500(i) and therefore § 10.48.010 was amended to accurately reflect the correct State Vehicle Code Section; and

WHEREAS, OMC § 10.48.010 included State Vehicle Code Section 22500.L, the correct State Vehicle Code Section is 22500(l) and therefore § 10.48.010 was amended to accurately reflect the correct State Vehicle Code Section; and

WHEREAS, OMC § 10.48.010 included State Vehicle Code Section 22507.8A, the correct State Vehicle Code Section is 22507.8(a) and therefore § 10.48.010 was amended to accurately reflect the correct State Vehicle Code Section; and

WHEREAS, OMC § 10.48.010 included State Vehicle Code Section 22507.8B, the correct State Vehicle Code Section is 22507.8(b) and therefore § 10.48.010 was amended to accurately reflect the correct State Vehicle Code Section; and

WHEREAS, OMC § 10.48.010 included State Vehicle Code Section 22520, Assembly Bill 1561 in 1997 repealed State Vehicle Code Section 22520 and replaced it with State Vehicle Code Section 21718 and therefore § 10.48.010 was amended to accurately reflect the correct State Vehicle Code Section; and

WHEREAS, these actions are exempt from the California Environmental Quality Act (CEQA) pursuant to Public Resources Code Section 21080(b)(8) and CEQA Guidelines Section 15273 (Rates, Tolls, Fares, and Charges) because CEQA does not apply to the establishment, modification, structuring, restructuring, or approval of rates, tolls, fares, or other charges by public agencies which the public agency finds are for the purpose of meeting operating expenses or obtaining funds for capital projects, necessary to maintain service within existing service areas.
