OAKLAND CITY COUNCIL
ORDINANCE NO. 13035 C.M.S.

A ORDINANCE AMENDING CHAPTER 13 OF THE OAKLAND MUNICIPAL CODE (Section 13.04.020) INCREASING THE SEWER SERVICE CHARGE AND PROVIDING FOR ANNUAL INCREASES OF SIXTEEN PERCENT THROUGH JANUARY 1, 2013 AND INCREASES BASED ON THE CONSUMER PRICE INDEX THEREAFTER

WHEREAS, the City was ordered by the United States Environmental Protection Agency and the Bay Area Regional Water Quality Control Board in 2009 to reduce overflows and wet-weather flows from public sanitary sewers; and

WHEREAS, the new requirements require the City to significantly increase its maintenance and Infiltration and inflow correction programs; and

WHEREAS, such programs involve expenditure of public funds to operate and maintain the system; and

WHEREAS, the sewer service charge rates fund the City's sanitary sewer maintenance and capital improvement programs; and

WHEREAS, the City Council of the City of Oakland finds and determines that the current sewer service charge rates are not adequate to fund the needed programs mandated under the new requirements; and

WHEREAS, the City Council of the City of Oakland finds it necessary and prudent to increase the sewer service charge rates to adequately fund the capital improvements and maintenance and operations required under the new requirements; and

WHEREAS, the City Council of the City of Oakland finds and determines that the requirements of the California Environmental Quality Act (CEQA) of 1970, the Guidelines as prescribed by the Secretary for Resources, and the provisions of the Statement of Objectives, Criteria and Procedures for Implementation of the California Environmental Quality Act: City of Oakland, have been satisfied, and this action on the part of the City Council does not constitute a project under CEQA pursuant to California Public Resources Code Section 21080 (b)(8); or in the alternative, that this Ordinance is a project subject to CEQA that the Council has determined with certainty that no possibility exists that this Ordinance may produce significant environmental effects; and

WHEREAS, Article XIII-D of the California Constitution requires that (1) revenues derived from the sewer service charge shall not exceed the funds required to provide the property related service; (2) revenues derived from the sewer service charge shall not be used for any purpose other than that for which the charge was imposed, and (3) that the amount of the sewer service charge imposed upon any parcel or person as an incident of property ownership shall not exceed the proportional cost of the service attributable to the parcel; and

WHEREAS, the proposed sewer service charge increase is based on the cost of providing the capital improvements required and for the maintenance and operation of the sanitary sewer system; and

WHEREAS, at the general election of November 5, 1996, the voters of the State of California amended the state constitution, adding Article XIII-D, which requires that all new property related fees for water, sewer or refuse service are subject to a majority protest proceeding; and

WHEREAS, Article XIII-D provides that charges may be increased within limits previously approved, since increases in the costs of providing these services are likely, a rate increase structure should be included, and provide a maximum rate of increase; and

WHEREAS, in order to comply with Article XIII-D of the California Constitution, the City must provide written notice to the record owner of each parcel subject to the proposed sewer service charge increase (a) the amount of the sewer service charge proposed to be imposed upon each, (b) the basis upon which the amount of the proposed sewer service charge was calculated, (c) the reason for the sewer service charge increase, and (d) the date, time and location of a public hearing on the proposed sewer service charge increase; and

WHEREAS, following a public hearing and if there is no majority protest, the City Council may, by ordinance, adopt the proposed amendments to Chapter 13 of the Oakland Municipal Code; now, therefore,

THE COUNCIL OF THE CITY OF OAKLAND DOES ORDAIN AS FOLLOWS:
