Councilmember Fife made a motion, seconded by Councilmember Gallo, to open the Public Hearing, and hearing no objections, the motion passed by 6 Ayes: Fife, Gallo, Jenkins, Kalb, Kaplan, and Fortunato Bas; 2 Excused: Reid and Ramachandran

Upon the reading of Item 8.1 by the City Clerk, the Public Hearing was opened at 9:36 p.m.

14 individuals spoke on this item.

At 11:38 p.m. Councilmember Fife made a motion, seconded by Council President Fortunato Bas, to close the Public Hearing and by the same motion adopt the Resolution with the following amendments:

Of Attachment A4: Conditions of Approval

No. 13, Construction Management Plan, adding:

The CMP shall provide for the following:

(1) the CMP shall specify the proposed construction days and hours, which shall be consistent with the City's Standard Condition of Approval Number 34. The CMP shall include provisions for the consideration of the event schedule for the businesses located at 410 14th Street and 420 14th Street to ensure to the extent feasible that the project will avoid scheduling extensive construction stages (such as concrete pouring) during those businesses' scheduled events. A sign located at the Franklin Street frontage shall include the construction hours allowed onsite and project contacts for the community to contact regarding the construction. The project applicant's contractor shall have a decibel reader on-hand onsite to evaluate total noise levels during construction and to ensure noise attenuation measures are consistent with Standard Conditions of Approval Numbers 35 and 36 and Oakland Planning Code Section 17.120.050.

(2) the project applicant shall make commercially reasonable efforts to minimize construction staging and logistical barriers along the frontage of the Project Site.

(3) the project applicant shall undertake noise reduction and vibration reduction plans with a licensed acoustical engineer and shall submit said plans as parts of the CMP. The noise reduction plan shall include on-site noise monitoring stations during construction or shall demonstrate with documentation why on-site noise monitoring stations are not feasible.

(4) the project applicant shall not remove the existing fire escape on the south end of the property any earlier than reasonably necessary to maintain the project's construction schedule and shall give at least 14-days' notice to adjacent property owners at 410 14th Street and 420 14th Street prior to the removal. The developer shall maintain the fire escape access to 410 14th Street

throughout construction and after.

(5) The project applicant shall be required to include in the CMP protections from falling debris for neighboring sites.

(6) The CMP shall document that the applicant held a community meeting with the public providing an opportunity for the public to comment on the CMP.

(7) The neighboring properties are intended beneficiaries of the CMP.

No. 39, Exposure to Community Noise, adding:

The Noise Reduction Plan shall specifically consider and include measurements of noise generated during events occurring at the businesses located at 410 14th Street (Geoffrey's Inner Circle) and 420 14th Street (Complex Oakland) and shall provide recommendations for noise reduction measures to improve the building acoustic performance to achieve acceptable interior noise levels when these events are occurring. South-facing windows where residential units are located on the internal side of the wall shall at minimum have a Sound Transmission Class (STC) rating of 29 or shall be capable of reducing the interior noise levels to 45 dBA as specified above, whichever is greater. The STC rating for the building shall meet a minimum sound isolation requirement of STC 60.

No. 40, Vibration Impacts on Adjacent Structures or Vibration-Sensitive Activities, to read:

Requirement: The project applicant shall submit a Vibrations Analysis prepared by an acoustical and/or structural engineer or other appropriate qualified professional for City review and approval that establishes pre-construction baseline conditions and threshold levels of vibration that could damage the structure and/or substantially interfere with activities located at the buildings adjacent to the project site of 1431 Franklin Street including but not limited to the building at 410 14th Street. The Vibration Analysis shall identify design means and methods of construction that shall be utilized in order to not exceed the thresholds. The applicant shall implement the recommendations during construction. These mandatory recommendations shall at minimum include the following: (I) vibratory rollers shall not be used; (II) no pile driving shall occur; and (III) large bulldozers and loaded trucks should maintain a minimum distance of 15 feet from sensitive receivers, or if not possible for the full length of construction, shall place limitations to the maximum extent feasible on any large bulldozers or loaded trucks within 15 feet from sensitive receivers.

No. 58 Public Art for Private Development, striking in full and replacing to read:

Requirement: The project is subject to the City's Public Art Requirements for Private Development, adopted by Ordinance No. 13275 C.M.S. ("Ordinance"). The public art contribution requirements are equivalent to one-half percent (0.5%) for the "residential" building development costs, and one percent (1.0%) for the "non-residential" building development costs.

The contribution requirement can be met through: 1) the installation of freely accessible art at the site; 2) the installation of freely accessible art within one-quarter mile of the site; or 3) satisfaction of alternative compliance methods described in the Ordinance, including, but not limited to, payment of an in-lieu fee contribution.

The applicant shall provide proof of full payment of the in-lieu contribution and/or provide plans, for review and approval by the Planning Director, showing the installation or improvements required by the Ordinance prior to issuance of a building permit. Proof of installation of artwork, or other alternative requirement, is required prior to the City's issuance of a final certificate of occupancy for the project unless a separate legally binding instrument is executed ensuring compliance within a timely manner subject to City approval.

The applicant has proposed, and by this condition shall be required, to distribute twenty percent (20%) of the project's public art requirement to the Malonga Casquelourd Center for the Arts Theater and the African American Museum and Library at Oakland (City-Owned Arts Facilities or Facilities), to be split equally between the two facilities. It would be the responsibility of the Facilities to obtain City approval for the capital improvement project and satisfy any City requirements for the application of the contributed funds.

The remaining portion of the public art requirement shall be met through the means provided in the Ordinance to be used to support of the Black Arts Movement and Business District with information on specific projects to return to City Council.

When Required: Payment of in-lieu fees and/or plans showing fulfillment of public art requirement Prior to Issuance of Building permit Installation of art/cultural space Prior to Issuance of a Certificate of Occupancy.

Initial Approval: Bureau of Planning

Monitoring/Inspection: Bureau of Building

Adding new Condition of Approval No. 59, to read

59. Statement of Disclosure to Tenants

Requirement: The project applicant shall develop a statement of disclosure to be included on all leases acknowledging all existing entertainment uses adjacent to the property to ensure that residents are informed of the potential for sound emanating from these entertainment venues. The project applicant shall submit the draft statement of disclosure for review and approval by the Bureau of Planning. The statement described in this condition shall also be provided to any new owner(s) of the property and recorded against the Property so that it runs with the land to provide constructive notice to any successive owner(s) and is revocable only upon written consent of the City Administrator or their designee.

When Required: Development of Statement of Disclosure – Prior to Issuance of

*Building Permit; Inclusion of Statement of Disclosure in Leases – Ongoing.
Initial Approval: Bureau of Planning
Monitoring/Inspection: Bureau of Building*

*The motion was split by the following vote 4 Aye: Fife, Kalb, Kaplan, and
Fortunato Bas; 1 NO: Gallo; 1 Abstained: Jenkins; 2 Excused: Reid and
Ramachandran*

*Pursuant to charter section 200, the mayor must cast the tie breaking vote.
Mayor Thao was unavailable to issue a tie breaking vote, as a result, this item
is continued to the January 16, 2024 City Council Meeting.*

2) A Motion To Direct Staff To Prepare A Resolution For Future City Council
Consideration To Deny The Appeal With Additional Conditions; Or
