Prior to the commencement of the Council meeting, the City Clerk shall advise the public that a representative of the City is available to meet with members of the public to assist them with their concern(s).

Rule 18. **Ballot Measures** - A vote of a majority of the Council is required for endorsing or opposing any proposition submitted to the electorate on any national, state, county, or local ballot, and for propositions placed upon the ballot on the Council's own motion

The President of the Council shall submit to the members of the Council, at least one week in advance of the date action thereon is to be taken, the names of those persons recommended to be appointed by the President of the Council to those bodies and committees that are within the President's appointment authority. An affirmative vote of five (5) members of the Council is required for confirmation of such appointments.

Appointments to the Planning Commission, the Port Commission, the Housing, Residential Rent & Relocation Board, and the Citizens' Police Review Board shall first be scheduled to and considered by the Rules and Legislation Committee before being scheduled to the full Council. If the Rules and Legislation Committee to which an appointment has been scheduled is canceled, the appointment may be scheduled to the following week's regular Council agenda (i.e., to the 72-hour supplemental agenda) under the non-consent portion of the agenda, or to a special council meeting the following week, listed under non-consent if the special meeting agenda lists "consent" and "non-consent" items, if subject to and approved via Rule 28.

Rule 20. **Council's Annual Recess** - The City Council shall recess for the period of August 1 through 31 of each year, or until the first meeting in September as set by the Rules Committee, which shall be known as the "annual recess." During the annual recess the City Council may be convened for special Council meetings as provided for by the City Charter.

Rule 21. **Actions During Council Recess** - The Mayor is authorized to take such actions as would normally be taken by the City Council during the period of the annual recess except for those matters specifically set forth herein. The Mayor is further authorized to convene emergency meeting(s) of the Council to take such emergency actions as may be necessary, for the immediate preservation of the public peace, health or safety. All matters approved by the Mayor during the Council recess must clearly set forth the reason(s) why approval cannot be deferred for Council approval following the recess. The Mayor's contract approvals must conform with and be limited to the requirements of the City's

purchasing requirements as set forth in Chapter 2 of the Oakland Municipal Code. The Mayor is not authorized to take any actions for which the adoption of an ordinance is required. Further, the Mayor's approvals shall be limited to authorizations within previous adopted budgeted amounts. The Mayor is not authorized to appropriate funds without prior Council authorization and approval. The Mayor is further directed to make a full and complete report to the City Council, at its first regularly scheduled meeting in October, of actions taken by the Mayor pursuant to this Resolution, at which time the City Council may make such findings and confirm said actions of the Mayor, as may be required.

Action(s) taken by the Mayor during the annual recess shall be implemented in a manner to provide public notice and an opportunity for public comment and input on matters to be approved. In keeping with the intent of the Sunshine Ordinance (OMC §§ 2.20.010 et seq.) the Mayor will cause a two-week agenda to be posted at regular posting locations. The Mayor, through the City Clerk, shall facilitate the receipt of written comments by the public on any matter presented to the Mayor for consideration. The Mayor shall review and consider all written comments in making his/her decision on the matter. A record of the final action of the Mayor shall be filed with the City Clerk along with any supporting legislation, reports and comments received on that matter. A summary of final action taken shall be posted at the regular agenda posting locations.

Rule 22. **Proclamations** - Individual Councilmembers may issue proclamation(s) for the purpose of commendation, recognition or congratulation of any person, group, organization or event, or for the purpose of expressing sympathy, regret or sorrow on the death of any person. City Council approval is not required for the issuance of a Member proclamation.

Rule 23. **Rules and Legislation Committee's Jurisdiction** - The Committee on Rules and Legislation shall serve as the procedural committee of the Council and shall have responsibilities including, but not limited to, the following:

Make recommendations to the Council regarding endorsing or opposing propositions submitted to the electorate on any national, state, county, or local ballot, and for propositions placed upon the ballot on the Council's own motion.

To provide general oversight for the offices of the City Administrator, City Attorney, City Clerk and shall have policy jurisdiction on Public Information, Constituent Services, Community Governance, Strategic Planning, Public Ethics Commission and the State and Federal legislative agenda, intergovernmental relations and operational oversight of the Office of the City Council. It shall, in addition, monitor and assign issues pertaining to the Port Department, the Oakland-Alameda County Coliseum Authority, and other governmental agencies, as appropriate, and make referrals to appropriate standing committees as required.

To recommend the setting of special meetings of the Council, standing committees, and such other ad hoc committees as may be established by the Council.

To assign proposed Council resolutions and ordinances to the Council or committee agendas.

To define the jurisdiction and responsibilities of Council standing committees, subject to Council approval.

To make studies and recommendations designed to promote, improve and expedite the business and procedures of the Council and of the committees thereof, and to propose to the City Council any amendments to the Rules deemed necessary to accomplish such purposes.

Rule 24.

Rules and Legislation Committee's Powers re Agenda Items - Except as provided in item 8 of Rule 7, the Rules Committee shall have jurisdiction to assign all proposed agenda items to committees and/or full Council for consideration and action as follows:

1. One or more members of the City Council, a committee of the City Council, the Mayor, the City Administrator, City Attorney, City Auditor and any member of the public may propose an agenda item for Council consideration to the Rules and Legislation Committee for assignment and scheduling through procedures established by the Rules and Legislation Committee.
2. Rules and Legislation Committee shall have the following options to assign and schedule any and all proposed resolutions and ordinances of the City Council:
 - a. to a subject-matter committee, or

- b. to staff for review and report back to the requestor, or
 - c. directly to City Council pursuant to "3" below.
3. Rules and Legislation Committee shall not refer any action item directly to the full City Council unless the Committee determines by a majority vote of those present that the item should proceed directly to the City Council for a specified reason.
 4. Rules and Legislation Committee shall assign and schedule any informational item for consideration and acceptance either by a committee or directly by the full Council.
 5. The Rules and Legislation Committee shall have sole authority in establishing specific agenda items to be placed on the agenda. Rules and Legislation Committee shall establish the consent and non-consent agenda items of the City Council agenda.
 6. Notwithstanding any other provision of these Rules of Procedure, the Rules and Legislation Committee shall have the power to place an item that is urgent on the supplemental agenda for a regular Council meeting or on a special Council meeting agenda, in accordance with the requirements of the Sunshine Ordinance, if no action was taken on the item (1) due to the cancellation of a committee meeting, (2) due to lack of a quorum, (3) because the committee ran out of time, or (4) because the committee was not able to approve any recommended action and the Committee passes a motion by the affirmative votes of the majority of the members who are present requesting that the Rules Committee schedule the item for a Council meeting.

Rule 25.

Accountability and Transparency in High-Stakes Negotiations Policy: Voting by Delegates and Alternates to Boards, Commissions and Other Bodies - City Councilmembers, the Mayor or City officials who represent the City as a delegate or alternate before any board, agency, authority, joint powers authority, commission, etc. shall receive City Council authorization from a majority of the Council prior to casting vote(s) on behalf of the City on any matter which could have a significant economic or policy impact on the City, or on any matter of particular controversy. Should time be of the essence, resulting in the representative's inability to obtain prior City Council authorization, the representative shall obtain approval from the appropriate City Council committee (e.g., the committee which has subject matter jurisdiction over the issue in question). Thereafter, the representative shall report back to the full Council, at the next regularly scheduled meeting of the Council, the action taken.

City Council delegates and alternates shall: (i) within 30 days of appointment to represent the City on such bodies, participate in training

provided by the City Administrator or designee on the duties and obligations of representation; (ii) provide the City Council and/or the appropriate Council committee with an annual report or briefing on general business regarding the issues, activities and agenda of the body on which the representative serves; (iii) notify the City Council as soon as high-stakes negotiations or transactions commence; (iv) provide the City Council real-time reports on high-stakes negotiations or transactions.

In the event that a representative determines that casting a vote as directed by the Council would not be in the best interest of the City because of changed circumstances or new information that was not available at the time authorization was granted, the representative may change his/her vote(s). The representative shall, however, attempt to carry forth the general intent of the Council when casting a changed vote. Thereafter, the representative shall report back to the full Council, the action taken and the basis upon which the vote was changed.

“High-Stakes” negotiations/transactions shall be defined as any negotiations or transactions by a board, commission, agency, joint powers authority, etc. with Council appointed Councilmember, Mayor or City official delegates or alternates involving: (i) licenses, leases, contracts or other transactions that could or will have an economic impact of \$1,000,000.00 or higher on the City of Oakland or a significant policy impact or a matter of particular controversy.

Rule 26.

Procedure for Councilmember to Place Items on Agenda -

Councilmembers should thoroughly investigate policy issues prior to submitting proposals to a committee or the Council for action. On matters pending before a committee or Council, Councilmembers should, when feasible and in compliance with City Charter and open meeting requirements, study and obtain information relative to an issue prior to the meeting where action is to be taken. Requests for formal informational and status reports must be approved by the Rules Committee and should be minimized. Committees may direct that items appropriately pending before the committee be scheduled for future committee agendas. New items and issues brought before a committee shall be referred to the Rules Committee for scheduling. The Rules Committee shall provide general oversight of the implementation of this Rule to insure compliance.

Before filing agenda materials in the packet, non-ceremonial resolutions and ordinances that would create new agenda items must be submitted to the City Attorney for review. The sponsor of the non-ceremonial resolution or ordinance must file a memorandum or report no later than the deadline for filing the non-ceremonial resolution or ordinance in the agenda packet.

Rule 27.

Quorum for Standing Committees - A quorum for the conduct of meetings of standing committees, which have a membership of four, shall be three (3) members. A quorum for the conduct of meetings of the Education Partnership and City/Port Liaison Committees shall be a majority of the seats designated for each body. If the Council seat of a member of a standing committee becomes vacant, the quorum for that committee shall not be reduced. A quorum for all other established committees shall be a majority of the duly appointed members. In the event that a quorum is not established within fifteen (15) minutes of the noticed start time of the meeting, the meeting **may** be declared canceled. However, discussion of the items noticed on the agenda may continue but no formal action can be taken. The City Clerk will prepare a record of the discussion, but the record will reflect that the meeting was canceled due to a lack of a quorum and that no final action was taken on the items discussed. In determining whether a meeting should be canceled, the Committee Chairperson should consider factors such as whether the delay is caused by conflicting meeting schedules; if prior notice from the member was given that he or she would be late; or if there is a need to take official action on important item(s) of business once a quorum has been established.

The City Clerk shall keep a record of Committee members' attendance. The attendance record shall reflect absences and tardiness (arrival after the fifteen (15) minute scheduled start time) and shall indicate whether the absence or tardy was excused or unexcused. If during the calendar year a Committee member accumulates three (3) unexcused absences ad/or late arrivals the City Clerk shall so advise the President of the Council and the President of the Council may, in his or her discretion, remove the member from the Committee. If removed, the member can be considered for reappointment by the President of the Council, as appropriate.

Rule 28.

Procedure to Add, Remove Agenda Items -

A. For Council items, anyone wishing to add or remove a Council agenda item after the Rules Committee has met, but before the agenda is printed, must get authorization from the Chair of the Rules Committee, the Mayor and/ or City Administrator, and the President of the Council. If any one of these persons objects, or if addition or removal of such item is contrary to the Sunshine Ordinance or the Brown Act, the subject agenda as approved by the Rules Committee will not be changed. If authorization is obtained, the City Administrator is responsible for notifying the City Clerk prior to the affected Council meeting, to amend the agenda to reflect the approved change. Once the agenda is printed, an item may only be removed at the next Rules and Legislation Committee meeting if there is an intervening Rules Committee meeting prior to the City Council meeting for which the

item is agendized or upon a duly adopted motion of the City Council at the meeting for which the item is agendized, if there is no intervening Rules and Legislation Committee meeting.

B. For Committee items, anyone wishing to add or remove a Committee agenda item after the Rules and Legislation Committee has met, but before the agenda is printed, must get authorization from the Chair of the Rules and Legislation Committee, the President of the Council, the Mayor and/or City Administrator, and the respective Committee Chair. If any one of these persons objects, or if addition or deletion of such item is contrary to the Sunshine Ordinance or Brown Act, the subject agenda as approved by the Rules Committee will not be changed. If authorization is obtained, the City Administrator is responsible for notifying the City Clerk of the authorized change prior to the affected Committee meeting to amend the agenda to reflect the approved change. Once the agenda is printed, an item may only be removed at the next Rules and Legislation Committee meeting if there is an intervening Rules and Legislation Committee meeting prior to the Committee meeting for which the item is agendized or upon a duly adopted motion of the Committee at the meeting for which the item is agendized, if there is no intervening Rules and Legislation Committee meeting.

C. Within 2 business days of any approved Rule 28 decision, the City Administrator shall notify the City Council of the decision via e-mail.

Rule 29.

Tie-Breaking Votes by Mayor - In the event that the members of the Council are evenly divided in their vote on an item (by motion, resolution or ordinance) the item will automatically be continued to its next regularly scheduled meeting solely for the purpose of allowing the Mayor to cast a vote; provided that if the Mayor so chooses, he/she may cast a vote at the meeting at which the tie vote occurs. The City Clerk shall provide the Mayor with all supporting documentation, reports and legislation relating to the item and a copy of the videotape of the discussion, if available. Council and public discussion is permitted on the item to be voted on by the Mayor; however, Council members cannot change their vote unless the item has been properly noticed for reconsideration. The Mayor must appear at the Council meeting to cast his/her vote.

Rule 30.

Resolution or Ordinance Required to Approve Contracts - Notwithstanding City Charter section 210 which permits the City Council to take action by ordinance or resolution or motion, the Council shall approve and authorize contracts by resolution unless an ordinance is required; and be it

FURTHER RESOLVED: That the City Council hereby adopts the following Censure Policy and Procedure and Code of Conduct for each member of the City Council:

OAKLAND CITY COUNCIL CENSURE POLICY AND PROCEDURES

BACKGROUND:

The City of Oakland and the City Council have a strong commitment to the Oakland Charter, legislation, ethical and council policies and procedures. The City Council has the power to censure one of its members for violations of these laws, policies and procedures. The Council's Code of Conduct, which is part of the Council's Rules of Procedure, states that the City Council may censure any member "who willfully violates the rules of conduct contained in this Code of Ethics." (City Council Resolution No.82580, Code of Conduct No. 12, see also, Sunshine Ordinance, Oakland Municipal Code section 2.20.170 (censure for release of confidential information).) Moreover, censure is an inherent power of a legislative body that follows Robert's Rules of Order. (*Roberts*, p. 627-28, Section 61.) In order to be able to censure a Council member, the City Council must adopt a fair policy and procedure for the process.

PURPOSE:

This Policy and Procedure is intended to provide the process by which the City Council acting as a whole can censure any of its members who violate state or federal laws, City ordinances or policies.

COUNCIL CODE OF CONDUCT:

The Council's Code of Conduct, which is part of the Council's Rules of Procedure codified in Resolution No. 82580 C.M.S., provides as follows:

"Each member of the City Council has a duty to:

1. Respect and adhere to the American ideals of government, the rule of law, the principles of public administration and high ethical conduct in the performance of public duties.
2. Represent and work for the common good of the City and not for any private interest.
3. Refrain from accepting gifts or favors or promises for future benefits which might compromise or tend to impair independence of judgment or action.
4. Provide fair and equal treatment for all persons and matters coming before the Council.

5. Learn and study the background and purposes of important items of business before voting.
6. Faithfully perform all duties of office.
7. Refrain from disclosing any information received confidentially concerning the business of the City, or received during any closed session of the Council held pursuant to state law.
8. Decline any employment incompatible with public duty
9. Refrain from abusive conduct, personal charges or verbal attacks upon the character, motives, ethics or morals of other members of the Council, staff or public, or other personal comments not germane to the issues before the Council.
10. Listen courteously and attentively to all public discussions at Council meetings and avoid interrupting other speakers, including other Council members, except as may be permitted by established Rules of Order.
11. Faithfully attend all sessions of the Council unless to do so because of disability or some other compelling reason.
12. Maintain the highest standard of public conduct by refusing to condone breaches of public trust or improper attempts to influence legislation, and by being willing to censure any member who negligently, willfully or intentionally violates the rules of conduct contained in this Code of Ethics."

CENSURE POLICY:

It is the Policy of the City Council that all its members shall abide by federal and state law, the City Charter, City legislation and City Council policies. Violation of such law or policy can subject the City to liability, affect the City's budget, resources, plans and timelines, injures the good name of the City and undermines the effectiveness of the City Council as a whole. Such conduct is deemed to be subject to City Council Censure.

Censure is a formal resolution of the City Council officially reprimanding one of its members. Censure serves to formally put a censured councilmember on notice of the Council's disapprobation of conduct that has violated laws or policies, but carries no fine or suspension of the rights of the member as an elected official. Censure is an appropriate punitive measure when the violation of law or policy is deemed by the City Council to be a serious offense.

In order to protect the overriding principle of freedom of speech, the City Council shall not impose "censure" on any of its members for the exercise of his or her First Amendment rights no matter how distasteful the expression was to the Council, officials, employees or public. However, nothing herein shall be construed to prohibit the City Council from collectively expressing their strong disapproval of such remarks.

The City Council shall not impose "censure" on any of its members for the violation of any law while criminal charges are pending. However, when the criminal proceedings are final, the City Council need not be bound by the conclusion of the Court and may hold a "censure" hearing.

PROCEDURE:

1. A request to schedule a "censure" hearing must be submitted to the Rules Committee in writing by a member of the Council.
 - a. The scheduling request must contain a brief description of the specific charges on which the proposed censure is based in the title of the item.
 - b. A censure resolution setting forth specific charges and grounds for censure must be submitted to the City Clerk with the scheduling request at least forty eight (48) hours prior to the Rules Committee meeting at which it will be considered for scheduling.
 - c. The City Clerk shall serve copies of the scheduling request and the censure resolution on the accused councilmember at least twenty-four (24) hours prior to the Rules Committee meeting at which it will be considered for scheduling. The City Clerk shall deliver the scheduling request and censure resolution to the council office of the accused member, subject to execution of a proof of service. Service shall be accomplished by electronic mail or in person, as determined by the City Clerk.
2. The Rules Committee shall:
 - a. Schedule the matter for public hearing; or
 - b. Refer the matter to the City Administrator for further investigation by an independent investigator, in consultation with the City Attorney, prior to scheduling the matter; or
 - c. Not schedule the matter for public hearing.
3. Censure matters set for public hearing must be scheduled at least 10 calendar days in advance of the hearing date to give the accused member adequate time to prepare a defense.
4. The councilmember seeking censure of another councilmember is responsible for preparing and submitting to the City Clerk a censure resolution and report supporting censure in time for publication with the 10-day agenda packet for the meeting at which the matter will be heard. The City Clerk shall, at least 10 calendar days before the hearing, deliver copies of the resolution, report and other

agenda materials to the council office of the accused member, subject to execution of a proof of service.

5. The accused member is responsible for preparing and submitting to the City Clerk for the agenda packet, reports, documents or other information opposing censure in time for the three (3) day supplemental agenda.
6. At the hearing, the member of the Council subject to the censure proceeding shall have the opportunity to rebut the allegations in the censure resolution and to question any known accusers if they agree to be questioned. Notwithstanding the foregoing, identities of persons who provided statements or information in confidence shall remain confidential. This includes, but is not limited to, persons who provided statements or information through a whistleblower program of the federal or state government or City of Oakland. The member subject to the charges may be represented and may have the representative speak or question on his or her behalf.
7. A decision to censure must be made by resolution and based on conduct found to have been negligent, willful or intentional. A decision to censure requires five (5) votes of the Council adopting a resolution: 1) finding there is substantial evidence in the record to support the specific charges alleged, 2) finding that the conduct supporting the censure was negligent, willful or intentional, and 3) approving censure.

RECOMMENDATION

Staff Is Recommending That The City Council Adopt A Resolution Fixing The Rate Of Property Tax And Levying A Tax On Real And Personal Property In The City Of Oakland For Fiscal Year 2016-2017 For Voter-Approved Indebtedness.

EXECUTIVE SUMMARY

A resolution has been prepared to set the property tax rates for FY 2016-2017 for voter-approved indebtedness, including the City's general obligation bonds and pension obligation bonds. The proceeds generated from these property tax rates will be used towards paying debt service on the City's voter-approved indebtedness.

The resolution is submitted during summer recess in order to meet the schedule for property tax rate submittal established by the County of Alameda (the "County"). All tax rates must be submitted to the County by August 31, 2016 for inclusion in FY 2016-2017 property tax bill.

In the event of any changes to the County's assessed valuation data, the proposed resolution allows the City Administrator or designee to approve any necessary adjustments in the rates for the General Obligation Bonds, Series 2012 and 2015A prior to the County's preparation of the tax bills. Council will be notified of any significant changes to the rates estimated in this report.

Item: _____

Mayor's Summer Recess Agenda
August 16, 2016

BACKGROUND/LEGISLATIVE HISTORY

In order to provide for the debt service for the City's general obligation and pension obligation bonds, the City must annually set levy rates based on the assessed valuation subject to taxation, and must inform the County of these rates by August 31st for inclusion on that year's property tax bill.

The resolution has been prepared pursuant to California Government Code and Article VIII, Section 802, of the Oakland City Charter, setting the FY 2016-2017 property tax rate for voter-approved indebtedness. Article XIII A of the California Constitution (Proposition 13) precludes the adoption of a City-wide property tax rate. A County-wide one percent (1%) property tax rate is assessed by Alameda County and apportioned to cities and special districts in accordance with State law.

ANALYSIS

For the City's general obligation bonds, the levy rates are calculated each year to yield the necessary debt service amount based on the assessed valuation of property within the City.

The following property tax rates are required to satisfy the City's FY 2016-2017 voter-approved indebtedness for the indicated general obligation bond series, based upon the current assessed valuation as reported by the County of Alameda:

<u>Bond Issue</u>	<u>Property Tax Rate</u>
\$83,775,000 General Obligation Refunding Bonds, Series 2012	0.01294%
\$128,895,000 General Obligation Refunding Bonds, Series 2015A	0.02562%

For the City's Police and Fire pension liability, the property tax rate required to satisfy the City's FY 2016-2017 voter-approved indebtedness for the indicated pension obligation bonds is 0.15750%.

PUBLIC OUTREACH/INTEREST

This item did not require any additional public outreach other than the required posting on the City's website.

COORDINATION

This report has been prepared by the Treasury Bureau in coordination with the City Attorney's Office and the Controller's Office.

COST SUMMARY/IMPLICATIONS

Passage of this resolution will permit the City to collect the FY 2016-2017 revenues included in the FY 2016-17 Adopted Budget for the payment of debt service for the outstanding general obligation and pension obligation bonds.

RECOMMENDATION

Resolution Amending Resolution Number 86253 C.M.S., Which Adopted The Fiscal Year 2016-17 Workforce Investment Budget And Authorized Service Provider Contracts, to (1) Authorize Additional Contracts With The Unity Council And The Oakland Private Industry Council, Inc., To Operate One-stop Neighborhood Career Centers, (2) Increase Contract Amounts For Lao Family Community Development, Youth Employment Partnership, And Youth Uprising For Summer Youth Jobs, And (3) Increase The Contract Amount For Civicorps for Youth Services

EXECUTIVE SUMMARY

At the June 21, 2016 City Council meeting, the City Council approved amendments to the Midcycle Budget to allocate an additional \$533,000 of General Fund subsidy for one-time funding of workforce providers. The additional funding was presented to the Oakland Workforce Development Board (OWDB) on Thursday, August 4 for its approval of contracts.

The reason this resolution is included in the Mayor's Summer Recess is because the additional one-time funding that City Council approved was not included in the resolution approving the Fiscal Year (FY) 2016-17 OWDB budget that was presented for Council approval. This resolution provides Council's formal approval of contracts associated with the increased funding that was authorized. Since the additional funding was intended to allow providers to continue certain services into the new fiscal year, a delay in the approval timeline of these new funds could lead to a disruption in funding to providers and services to clients.

Item: _____
Mayor's Summer Recess
August 23, 2016

BACKGROUND / LEGISLATIVE HISTORY

The OWDB is a Federally-mandated policy body appointed by the Mayor and charged with approving the use of U.S. Department of Labor Workforce Innovation and Opportunity Act (WIOA) funds allocated annually to Oakland through the State Employment Development Department (EDD). The Chief Elected Official of an area receiving WIOA funds (which in Oakland's case is the Mayor) and the OWDB must agree on the budget. Since WIOA does not supersede local governance, the Oakland City Charter mandates that the Oakland City Council must also approve the allocation of WIOA funds. Within the City's budget, WIOA funds and other workforce-related funds are received and distributed through the Workforce Development Division (Fund 2195) of the Economic & Workforce Development Department.

A Request for Proposals (RFP) for WIOA-funded contract service providers was issued on January 27, 2016. A bidder's conference took place on February 10, 2016 and the deadline to submit proposal applications was March 15, 2016.

The approach to service delivery emerged out of a participatory process responding to local need, regional opportunity, and national policy change. The Board, its Committees, staff, contractors, and diverse community stakeholders contributed to the development of the 2013-2017 Strategic Plan, which lay the groundwork for the RFPs. Subsequently, Board and its Committees met to define policy principles and conceptual frameworks for the service models described in RFP.

The City and the OWDB contract with experienced organizations to provide workforce development services for adults and dislocated workers. The overall goals of the workforce organization are to help adults and dislocated workers develop the skills to attain the knowledge, and access the resources needed to thrive in their careers; and provide employers with the skilled workers needed to sustain and competitively grow their businesses. OWDB envisions a coordinated set of relationships among providers and partners in the Workforce system that can connect residents, particularly those with barriers to employment, to career pathways leading to family-sustaining jobs in growing industries.

On June 21, 2016, the City Council adopted the OWDB budget for FY 2016-17 and approved contracts awarded to multiple service providers based on the proposed budget allocations for such services, for a term of one year through June 30, 2017. In addition, Council directed staff to prepare for approval contracts to service providers for additional services that would be funded through additional General Fund appropriations that were added to the adopted Midcycle Budget.

ANALYSIS AND POLICY ALTERNATIVES

The amendments to the Midcycle Budget that were allocated to workforce development providers total \$533,000. Table 1 represents the four Midcycle Budget amendments that will require contracts to be written or extended by the WDB staff:

Item: _____
Mayor's Summer Recess
August 23, 2016

Table 1: Amended City Council Allocated General Fund Subsidy			
One-Time Additions:	Provider	Total Midcycle Budget Amendments to Providers:	
1	Supplemental Youth Program Provider	Civicorps <i>(supplemented by non-WIOA funds to support cost *)</i>	\$103,000
2	One-Time Funding for Neighborhood Centers for Adult/Dislocated Workers	Unity Council One-Stop Career Center	\$100,000
3		OPIC: Comprehensive Career Center for West Oakland One-Stop Career Center	\$130,000
4	Additional Funding for Classroom2Careers	Lao Family Community Development, Youth Employment Partnership and Youth UpRising	\$200,000
TOTAL CONTRACTS			<u>\$533,000</u>

* Additional funds of \$103,000 to support a sixth youth provider, Civicorps, are in addition to \$106K from WIOA budget. This total amount matches allocations to the other five youth providers.

The first amendment was already approved by the Workforce Development Board. On June 2, 2016, the OWDB, during its budget deliberations, voted to fully fund six youth providers, which would require an additional \$103,000 subsidy from the General Fund in order to fully fund the sixth provider, Civicorps, at the same amount as the other five youth providers. The additional General Fund allocation was approved by Council as part of the Midcycle Budget. The proposed resolution amends the original workforce resolution, increasing Civicorps' contract to include this supplement approved by the Council.

The second amendment is for an existing provider, Unity Council, that the OWDB approved as a sector access point provider. City Council requested that, in addition to the previously approved funding for a sector access point contract, Unity Council would receive one-time funding of \$100,000 as a neighborhood one-stop center.

The third amendment is for a provider and service that was not proposed for funding by the OWDB, since they did not apply under the FY 2016-19 RFP. However, the City Council requested that the Oakland Private Industry Council (OPIC) be provided one-time funding to continue operating the West Oakland one-stop career center at a similar level as the prior fiscal year.

The fourth amendment is for summer youth contracts under the Classroom2Careers program. . The additional \$200,000 will increase the number of students served by 80.

FISCAL IMPACT

The Midcycle Budget amendments are one-time funding opportunities for providers, approved by the City Council as part of the Midcycle General Fund Budget approval. . Contracts for these services will be written for one year only and expire on June 30, 2017.

PUBLIC OUTREACH / INTEREST

The OWDB is presently the City's largest volunteer policy body subject to the Brown Act and Sunshine Ordinance. All meetings are publicly noticed and there is active public participation in its committees and full OWDB meetings. Prior to issuing RFPs for developing the workforce system, the OWDB staff facilitated presentations to spread awareness of Oakland's workforce system at 13 community and business organizations, reaching 259 community stakeholders. Staff collected feedback from 230 employers, job seekers and workers, and conducted executive interviews with a dozen chief executive officers and human resource leads from Oakland employers and business organizations

COORDINATION

Contracts are supported by the Office of Contracts and Compliance. Workforce Development staff works closely with the Finance and Management Agency to ensure fiscal compliance with the expenditure of WIA funds. Staff also works closely with the City Attorney's Office for counsel and advice matters such as proper noticing, Board process, conflict of interest, and other legal matters. Workforce Development is now a unit of the new Department of Economic and Workforce Development under the one director.

SUSTAINABLE OPPORTUNITIES

Economic: Oakland's Workforce Development System provides qualified workers for Oakland businesses, and prepares Oakland residents for gainful employment and career paths leading to family sustaining jobs.

Environmental: This report does not directly address environmental sustainability.

Social Equity: Participants who receive intensive services in Oakland's Workforce Development System have multiple barriers to employment, are unemployed or have require support in gaining the pre-employment and vocational skills needed to become gainfully employed.

ACTION REQUESTED OF THE CITY COUNCIL

Resolution amending resolution number 86253 C.M.S., which adopted the FY 2016-17 workforce investment budget and authorized service provider contracts, to (1) authorize additional contracts with the Unity Council and the Oakland Private Industry Council, Inc., to operate one-stop neighborhood career centers, (2) increase contract amounts for Lao Family Community Development, Youth Employment Partnership, and Youth Uprising for summer youth jobs, and (3) increase the contract amount for Civicorps for youth services.

The outcomes of adopting this Resolution are the authorization of the Oakland WDB to contract:

- Adult and dislocated worker services with Oakland Private Industry Council (OPIC) for the West Oakland One-Stop Neighborhood Career Center in the amount of \$130,000;
- Adult and dislocated worker services with Unity Council in the amount of \$100,000 for a central neighborhood center;
- Youth services to Civicorps in the amount of \$103,000 to match other five youth provider contracts;
- Summer Youth services to Lao Family Community Development, Youth Employment Partnership, and Youth UpRising Civicorps in the amount of \$200,000 total;

AGENDA REPORT

TO: Sabrina B. Landreth
City Administrator

FROM: Mark Sawicki
Director, EWD

SUBJECT: Broadway Shuttle Agreement
Extension

DATE: July 26, 2016

City Administrator Approval

Date:

8/11/16

RECOMMENDATION

Staff Recommends That The Council Adopt A Resolution Authorizing An Agreement With The Alameda-Contra Cost Transit District ("AC Transit") To Continue Operating the City of Oakland Broadway Shuttle between July 26, 2016 And December 31, 2018, At An Initial Cost Not to Exceed \$2,412,630, And Authorizing The City Administrator To Increase This Agreement Amount For Expanded Shuttle Hours Or Frequency Of Service Using Any Additional Public And Private Grants And Financial Support Secured For The Shuttle Within The Term Of The Agreement.

EXECUTIVE SUMMARY

The current Broadway Shuttle AC Transit agreement expired on July 25, 2016. Staff is recommending that the City Council authorize the City Administrator to enter a new agreement (the "Agreement") with AC Transit to operate the Shuttle between July 26, 2016 and December 31, 2018, at a cost of approximately \$2,412,630. \$764,974 in funding to cover this cost is secured or committed through a combination of public and private funding sources, including the Bay Area Air Quality Management District ("BAAQMD"), Alameda County Transportation Commission (ACTC), Community Benefit Districts, and private developers. The remaining amount of \$1,647,656 is anticipated from renewals and extensions of these existing grants and sponsorships during the term of the Agreement. If the City is unable to renew any of these public grant or sponsorship agreements, and if the City is unable to secure an alternate external funding source(s) to cover the shortfall, the City could either reduce service hours, end the service by exercising the termination clause in the Agreement, or adopt a separate resolution to use General Fund money to cover any future shortfalls.

In 2010, the City Council approved a resolution authorizing the City Administrator to enter into an agreement with the Alameda-Contra Costa Transit District ("AC Transit") to operate the Shuttle for the project's first two years. In 2012 and 2014, respectively, the City Council approved resolutions to extend the Broadway Shuttle AC Transit agreement for two additional years per approval.

Item: _____
Mayor's Summer Recess
August 23, 2016

The resolution also allows the City Administrator to increase the amount of the Agreement to expand Shuttle hours or frequency of service using any additional public grants or private sponsorships the City is able to secure for the Shuttle over the term of the Agreement.

Staff has placed this item on the Mayor's Summer Recess Agenda because the existing AC Transit Broadway Shuttle agreement expired on July 25, 2016. Approval to extend this new Agreement is needed as soon as possible to ensure no interruption in Shuttle service. This item could not be taken to the City Council prior to the Mayor's Summer Recess because the AC Transit Board of Directors had not yet approved the amount of the Agreement. There is no impact to the City's General Fund as a result of adopting this resolution.

BACKGROUND / LEGISLATIVE HISTORY

On January 5, 2010, City Council approved Resolution No. 82471, which authorized the City Administrator to accept a pilot grant from the BAAQMD to launch the Broadway Shuttle. Included in that resolution was authorization for the City Administrator to enter into an agreement with AC Transit to operate the service for the first two years. Launched in July 2010 as an economic development tool for the City, the Shuttle has successfully addressed a major shortcoming in downtown's transportation network. Prior to the Shuttle, connections between Broadway's major transit stations and office buildings were problematic. Now, downtown workers can easily reach their offices from several busy transit stations, including two Bay Area Rapid Transit (BART) stations, the Jack London Amtrak station, the SF Ferry terminal located at the Port of Oakland, and the AC Transit 20th Street hub. In addition to providing "last mile" transit connections for office workers, the Shuttle also benefits restaurants and other retailers by encouraging downtown workers, residents and visitors to explore and patronize businesses in the neighborhoods along the route – including Jack London Square, Chinatown, Old Oakland, City Center, Uptown, Lake Merritt Financial District, Valdez Triangle and Koreatown-Northgate.

ANALYSIS AND POLICY ALTERNATIVES

Economic Development

The Broadway Shuttle has become a vital component of the City's strategy to attract, retain and support the expansion of key office tenants. Employees today want to work in transit-rich places where they can leave their cars at home and commute using public transit. Consequently, employers are choosing to locate and expand in buildings that are accessible to transit. Companies such as Sungevity and Pandora credit the Shuttle with providing enormous benefits to their workers by linking BART, Amtrak and the Ferry to their offices, and by providing service to hundreds of restaurants and meeting places during the day.

In addition to benefiting office tenants, the Shuttle also provides a boost for restaurant and retail businesses along the route – especially on weekdays during lunch and on Friday and Saturday nights. Data suggests that 50.5 percent of Shuttle passengers use the service with the intent of purchasing goods or services from a business along the route, according to staff's on-board survey of 309 passengers in August 2011. Shuttle passengers spend a total of \$8.86 million annually at restaurants, other retailers and professional service offices as part of their Shuttle trips, according to the survey.

Environmental Benefits

By providing extensively improved transit service for downtown workers and residents, the Shuttle facilitates the replacement of automobile trips with transit trips. The Free B reduces vehicle miles driven by 2,939,051 each year, eliminating over 800 tons of CO² emissions annually, according to the Bay Area Air Quality Management District and City of Oakland.

FISCAL IMPACT

If this resolution is approved by the City Council, the City of Oakland would pay AC Transit approximately \$2,412,630, beginning on July 26, 2016, to cover AC Transit's costs associated with operating the Shuttle. This amount equals the same rate as the previous agreement, per hour of service operation, during the first 15 months of the new Agreement. During the last 15 months of the Agreement, the rate will increase by 3.6 percent to cover AC Transit's increasing costs.

Revenue sources secured or anticipated during the term of this Agreement include a combination of public grants and private contributions, as listed below:

**BROADWAY SHUTTLE SOURCES OF FUNDS
 JULY 26, 2016 – DECEMBER 31, 2018 (TERM OF AGREEMENT)**

Fund Source	Name of Program(s)	Secured/Committed Grants and Sponsorships	Anticipated Grant and Sponsorship Renewals	Total
Metropolitan Transportation Commission	Lifeline Transportation	\$202,684	\$300,000 anticipated from grant renewals 7/1/2017-12/31/18	\$502,684
Bay Area Air Quality Management District	Transportation Fund For Clean Air, Spare the Air	\$463,250	--	\$463,250
Alameda County Transportation Commission	Vehicle Registration Fee, Transportation Fund For Clean Air, Measure BB	\$0	\$935,400 anticipated from grant renewals/extensions 7/1/2016-12/31/18	\$935,400
Broadway Shuttle Sponsors: Jack London Square, Downtown Community Benefit District, Uptown-Lake Merritt Community Benefit District, Jack London Improvement District, SF Bay Ferry	Sponsorships/ Marketing	\$99,040	\$412,256 anticipated from sponsorship renewals in 2017 and 2018	\$511,296
		\$764,974	\$1,647,656	\$2,412,630

If the City is unable to renew any of the public grant or sponsorship agreements listed above, and if the City is unable to secure an alternate external funding source(s) to cover the shortfall, the City could either reduce service hours or end the service by exercising the termination clause in the Agreement. Thus, no direct fiscal impact to the City's General Fund would occur

 Mayor's Summer Recess
 August 23, 2016

as a result of approving this resolution because it does not appropriate or approve any General Fund money for the Broadway Shuttle. The resolution also allows the City Administrator to increase the amount of the Agreement to expand shuttle hours or frequency of service if additional public grants or private sponsorships, in excess of what is shown in the above table, are secured by the City to cover all of the additional cost. It is anticipated that the project will generate indirect fiscal benefits by attracting more employers to downtown and promoting restaurant and bar patronage.

PUBLIC OUTREACH / INTEREST

Since the project's launch in July 2010, extensive outreach has been conducted to community groups, merchant organizations and government agencies, including presentations to the Oakland Bicycle and Pedestrian Advisory Group, Downtown and Uptown-Lake Merritt Community Benefit Districts, Jack London Improvement District, Old Oakland Neighbors, Waterfront Action Committee, City of Oakland Port Liaison Committee, SF Bay Ferry and the Alameda County Transportation Committee Public Transportation Forum.

Over 150,000 Shuttle Brochures and Destination Guides have been distributed aboard the Shuttle buses, and dropped off at downtown offices, businesses, transit stations, and social service organizations. Marketing outreach has been conducted with the Community Benefit Districts, Oakland Chamber of Commerce, Oakland Art Mural, Visit Oakland and the Oakland Marriott. Over 2,000 Chinese Shuttle Information Cards were distributed to Chinatown residents and businesses through a collaborative effort with the Chinatown Chamber of Commerce. Information Cards were also translated into Spanish and are available on the Shuttle vehicles.

COORDINATION

Since the launch of the Shuttle, Economic and Workforce Development (EWD) staff have coordinated with several departments within the City to make the Shuttle a success. Marketing staff has been instrumental in assisting with the design of Broadway Shuttle marketing and public information materials, including the Brochure, Destination Guide, Info Cards, and the bus "wraps," which cover the shuttle vehicles to make them look green. Transportation Services staff within the Department of Transportation review grant applications. The City Attorney's Office approves all grant and sponsorship funding agreements, and will review the Broadway Shuttle AC Transit Agreement that would be authorized if this resolution is approved. The City Attorney's Office and Controller's Bureau were consulted in the preparation of this agenda report.

PAST PERFORMANCE, EVALUATION AND FOLLOW-UP

Each quarter AC Transit provides ridership and on-time performance statistics that are reviewed and analyzed by City staff. These reports show ridership trends and how often buses arrive more than five minutes late or depart more than one minute early from specific stops along the route. In December 2015, the last month of available data, the Shuttle was on time 82.1 percent of the time.

If operational issues arise, City staff works with the AC Transit scheduling department and driver supervisors to correct any problems. AC Transit also shares quarterly call logs from the AC Transit Call Center to help identify and address any common complaints about the Shuttle service.

SUSTAINABLE OPPORTUNITIES

Economic: The Broadway Shuttle supports local businesses, property owners and office tenants by improving downtown mobility so that residents, workers and visitors can more conveniently reach office buildings and patronize downtown businesses.

Environmental: The Broadway Shuttle reduces automobile use by providing extensively improved transit service for downtown workers and residents. Replacing automobile trips with transit trips reduces pollution and helps reverse climate change.

Social Equity: The Broadway Shuttle is fare free so that all Oakland workers and residents can easily circulate throughout Oakland's downtown neighborhoods.

ACTION REQUESTED OF THE CITY COUNCIL

Staff recommends that the City Council adopt a resolution authorizing an agreement with the Alameda-Contra Costa Transit District ("AC Transit") to continue operating the City of Oakland Broadway Shuttle between July 26, 2016 and December 31, 2018, at an initial cost not to exceed \$2,412,630 and authorizing the City Administrator to increase this agreement amount for expanded Shuttle hours or frequency of service using any additional public and private grants and financial support secured within the term of the agreement.
