RE: **Public Hearing on Assessment of Liens for Delinquent Business Taxes**

---

### SUMMARY

Pursuant to Chapter 5.04 of the Oakland Municipal Code, all businesses operating within the City, with some specific exceptions, are subject to a Business Tax based on their classification of business activity. Taxes not paid in a timely manner are subject to penalties and interest. Delinquent accounts are subject to various collection enforcement actions including filing a lien against their real property.

On May 22, 2007, staff held an administrative hearing for delinquent Business Taxes and attempted to resolve any inconsistencies or inequities prior to the public hearing before the City Council. The administrative and public hearings are held only after all other procedural means to resolve unpaid Business Taxes have been exhausted.

Based on the outcome of the administrative hearing, staff is requesting placement of Business Tax liens on 773 parcels/properties.

### FISCAL IMPACT

The liens will be recorded against 773 parcels owned by 745 property owners (refer to attached list). The parcels' delinquencies represent \$1,467,977 in past due Business Taxes. Failure to place liens will result in a loss of \$1,506,627 to the General Fund. The additional revenues of \$38,650 are derived from the \$50 administrative fee for liening each of the 773 properties ( $\$50 \times 773 = \$38,650$ ).

### BACKGROUND

Staff cross-referenced Alameda County Assessor data with the Business Tax System data to identify potential non-compliant/delinquent business operators owning various types of properties. Originally, the number of property owners notified of the City's Business Tax requirements on rental property operators was 1,056. However, 9 properties were deleted from the list through the administrative hearing process and 76 through payments and account deactivations. Of those original 971 non-responders, 198 accounts have been resolved, leaving a total of 773 parcels that are subject to lien.

**ACTION REQUESTED OF THE CITY COUNCIL**

Staff requests City Council to approve the placement of liens and authorize the subsequent assessment for all fees and charges should they remain unpaid prior to the transfer of said assessment to the County Assessor for inclusion on the next property tax assessment.
