Re: Rink Management Contract

I have been advised by staff that the City Council has been unable to reach a positive resolution to the proposed Rink Management Contract.

While I fully reserve my rights under Section 200 of the Charter, as a matter of general principle, I believe that the City Council should endeavor to resolve these types of matters without my involvement.

I am therefore asking the Council to take another try at exercising its authority over this contract at the next appropriate opportunity

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in black ink that reads "Ronald V. Dellums".

Ronald V. Dellums
Mayor
