Dear Councilmember Reid:

The Commission on Aging District 7, is presently without representation. It is in the best interest of our City that each District have a representative. The welfare of all seniors within the City of Oakland is a community responsibility.

As an active member of the East Oakland Multipurpose Senior Center, I have heard the concerns of the seniors.

I would greatly appreciate your support. The Commission needs my input and leadership skills.

Please consider me as a nominee for a Commissioner.

Cardinally,
