WHEREAS, the three (3) projects listed in Exhibit A to this Resolution submitted proposals in response to the NOFA and were the top ranked projects in staff’s evaluation of project proposals; and

RESOLVED: That the City Council hereby authorizes the City Administrator or his designee to provide loans in a total amount not to exceed \$13,050,000, to the indicated developers, or to affiliated entities of those developers approved by the City Administrator or his designee, in the amounts not to exceed those listed on Exhibit A to this Resolution, which loans shall be used for development of those new construction projects; and be it

FURTHER RESOLVED: That the making of each loan shall be contingent on the availability of sufficient funds in the Low and Moderate Income Housing Asset Fund, the Affordable Housing Trust Fund, Excess Redevelopment Bond Funds, and/or the HUD HOME Investment Partnership Program; and be it

FURTHER RESOLVED: That each loan shall be for a maximum term of 55 years, with an interest rate to be determined by the City Administrator in his discretion, with repayment to the City from surplus cash flow from the project and other available funds during the term of the loan, with the balance due at the end of the term, or on such other repayment terms and schedule as the City Administrator or his designee determines are in the best interests of the City and the project; and be it

project property to a lien or encumbrance of another private or governmental entity providing financial assistance to the project, if the City Administrator or his designee determines that (1) an economically feasible alternative method of financing the project on substantially comparable terms and conditions but without subordination is not reasonably available, (2) the City's investment in the project in the event of default is reasonably protected, and (3) subordination is in the best interests of the City; and be it

FURTHER RESOLVED: That the City Council has independently reviewed and considered the environmental determinations, and the City Council finds and determines, based on the information provided in the staff report accompanying this Resolution, that the action with respect to each project complies with CEQA either because the project is exempt from CEQA, or, based on an initial study and the mitigation measures identified therein, the project as mitigated will not have a significant adverse impact on the environment, as each project's respective CEQA determination is further set forth in Exhibit A to this Resolution; and be it

FURTHER RESOLVED: That the City Administrator or his designee shall cause to be filed with the County of Alameda a Notice of Exemption or Notice of Determination for each project as appropriate; and be it
