OAKLAND CITY COUNCIL

RESOLUTION NO. 85313 C.M.S.

RESOLUTION CONFIRMING THE ANNUAL REPORT OF THE ROCKRIDGE BUSINESS IMPROVEMENT DISTRICT ADVISORY BOARD AND LEVYING THE ANNUAL ASSESSMENT FOR THE ROCKRIDGE BUSINESS IMPROVEMENT DISTRICT FOR FISCAL YEAR 2015-2016

WHEREAS, the State of California allows for the formation of business assessment districts under Street and Highways Code Section 36500 *et seq.*; and

WHEREAS, the business license holders in the Rockridge business district petitioned to form the Rockridge Business Improvement District ("District") under said legislation to undertake the Management Plan for the District ("Plan") which is on file with the City Clerk; and

WHEREAS, the Plan provides for special benefit services such as enhanced security, beautification, sidewalk sweeping, and economic development and marketing activities with the intent of creating a positive atmosphere in the District area (as more specifically identified in the Plan); and

WHEREAS, the Rockridge Business Improvement District was established by the City Council on November 28, 2000 pursuant to Ordinance No. 12301 C.M.S.; and

WHEREAS, pursuant to Streets and Highways Code Section 36533, the Rockridge Business Improvement District Advisory Board has prepared and filed with the City Clerk, the Annual Assessment Report (attached **Exhibit A**) ("Report"), which contains the required particulars including a detailed description of the improvements and activities to be provided for the 2015-2016 fiscal year, the boundaries of the area and any benefit zones within the area, and the proposed assessments to be levied upon the businesses within the area for the 2015-2016 fiscal year; and

WHEREAS, the City Council desires to confirm the Report, and levy the annual assessment for the Rockridge Business Improvement District for fiscal year 2015-2016; and

WHEREAS, on November 18, 2014, the City Council Adopted a Resolution of Intention to levy the fiscal year 2015-2016 assessment, approve the district's annual report, and schedule a related public hearing for December 9, 2014, as required by Government Code section 36534; now therefore be it

RESOLVED: that the Council of the City of Oakland does hereby find and determine as follows:

1. The Rockridge Business Improvement District was established in the Rockridge area of the City of Oakland, California as a parking and business improvement area pursuant to Street and Highways Code section 36500 *et seq.* with the boundaries as specified in the Plan on file with the City Clerk.
2. Pursuant to Streets and Highways Code Section 36535, a Public Hearing was held on December 9, 2014, to hear all public comments, protests, and take final action as to the levying of the proposed assessments for the District for the fiscal year 2015-2016. The City Council finds that there was no majority protest as defined in the Street and Highways Code Section 36500 *et seq.*
3. The Annual Assessment Report for the District is approved and confirmed.
4. The City Council approves and adopts the assessments as provided for in the Plan and the Annual Report of the Advisory Board and does hereby levy and direct the collection of the assessments for the 2015-2016 fiscal year as provided for in the Annual Assessment Report in accordance with the assessment formula as provided for in the Plan and Annual Assessment Report.
5. The proposed method and basis of calculating the assessments to be levied against each business in the District are those specified in the Plan and Annual Assessment Report on file with the City Clerk. For the fiscal year 2015-2016 assessment a sub-classification of businesses that earn annual gross receipts of \$25,000 or less is proposed to be created with a temporarily reduced fee for that assessment year of \$60 (instead of the \$120 fee). Such sub-classification is proposed to be temporarily created to reduce the number and expense of processing hardship partial fee waiver requests, and the reduced fee amount would not apply to future assessment years unless renewed in the annual assessment resolution for such future years.
6. The time and manner of collecting assessments shall be at the same time and in the same manner as for the annual business tax billings and may provide for the same penalties for delinquent payment. The City may use the same process and procedures for the collection of delinquent assessments as it uses to collect delinquent business tax billings or such other processes and procedures as are convenient to complete such collection and may reimburse itself out of the proceeds collected for the costs of such collection. The assessments shall be coordinated with the City of Oakland's annual business tax billing cycle, and shall

be included along with the annual business tax notifications, or in a supplemental notice following thereafter if, for any reason, they are not ready or cannot be included along with the business tax notices. Supplemental notices shall be permissible for new businesses or for correction or supplementation of prior notices.

7. The boundaries of the District shall remain the same as specified in the Plan on file with the City Clerk and there are no changes to the boundaries or benefit zones.
8. The types of the improvements and activities proposed to be funded by the levy of assessments on businesses in the area are those described in the Plan and the Annual Assessment Report on file with the City Clerk. There are no substantial changes in the improvements or activities for the District.
9. Until disbursed, BID assessments will be held in a special trust fund established by the City on behalf of the Rockridge Business Improvement District in: Miscellaneous Trusts Fund (7999), Economic Development Organization (-85411), Pass Thru Assessments Account (24224), Undetermined Project (0000000), Rockridge Business Improvement District Program (RBID).
10. The City Administrator is hereby authorized to enter into annual contracts and related amendments for the security, marketing, maintenance, or other activities and improvements for the District, or to conduct or contract for such services and improvements as provided for in the State of California Streets and Highways Code Section 36500 *et seq.*

Exhibit A
(to the Resolution to Levy the FY 2015-2016 Rockridge BID Assessment)

**Rockridge Business Improvement District
Annual Report To The City Of Oakland
Relating to the Fiscal Year 2015-2016**

Pursuant to California Streets and Highways Code Part 6
Parking and Business Improvement Area Law of 1989
Chapter 3, Section 36533

I. Proposed changes in the boundaries of the parking and business improvement area or in any benefit zone within the area.
There are no proposed changes to the boundaries of the Rockridge Business Improvement District

II. Improvements and activities to be provided for in fiscal year 2015-2016

Please see the attached budget, which will outline the improvements and activities to be funded and provided in the upcoming fiscal year through Feb 28, 2016.

III. Estimate of the cost of providing the improvements and activities for fiscal year 2015-2016

See attached budget.

The RDA has expenses that do not recur on an annual basis. Examples are Tree Trimming, Surveillance Cameras, Banners, Signage. Currently we have bids for 30K for trees, 20K for cameras and 15K for Banner additions and replacements. These items will recur every 3-5 years and funds for these and similar expenditures will be reserved/accumulated in a Capital Projects line item under the existing Streetscape and Security program category.

IV. Method and basis of levying the assessment.

The fee structure for assessments will remain as previously approved, including temporarily creating a sub-classification for businesses that earn annual gross receipts of \$25,000 or less. Businesses which fall into this sub-classification would pay an annual assessment fee of \$60.00. This is not a property based district, therefore property owners are not assessed.

V. The amount of any surplus or deficit revenues to be carried over from the previous fiscal year.

Our fiscal year ends on 2/28. The first disbursement of assessments occurs on 4/30. Funds have been kept to cover recurring expenses for March and April.

Additionally, in 2011 we were concerned with the declining economy and unsure of the amount of assessment that would be coming in. In 2013 we discovered that many of our businesses were not receiving assessment bills - over 50 businesses, many for the past 4 years. With improved economy and improved tracking of assessed businesses we have found ourselves with additional funds. These are the reasons for the projected \$50K carryforward which will be spent on Tree Trimming/Surveillance Cameras/ Signage/Banners and the like. We anticipate similar carryforwards in future years to cover the types of Capital Project expenditures described above that do not occur annually but which require accumulation of funds over a period of 3-5 years.

VI. The amount of any contributions to be made from sources other than assessments levied.

The Rockridge Business Improvement District will seek sponsorship funds for our promotional and beautification efforts.

VII. Annual Renewal Notice.

This year City Council is approving an amendment to this requirement. Starting in 2014 the notice has to be sent

every 5 years. The notice will be sent again in 2018 as the last notice was sent in 2013. Section 12 of the amended Ordinance 12301 C.M.S. now states:

The Governing Council (Advisory Board) of the Rockridge BID shall annually 45 days before the anniversary of the establishment of Rockridge Business Improvement District Ordinance give the assesseees of the District written notice of their rights to seek disestablishment of the district and the process therefore. Commencing with the year 2014, said notice shall no longer be required annually, but shall be given once every five years, with the next notice to be sent 45 days before the District's formation anniversary in the year 2018. In their annual report to Council, the Advisory Board shall report that they have provided this notice.

Please contact Henry C. Levy, Treasurer of the Rockridge Business Improvement District, should you have any questions regarding this report.

Capital Projects	\$50,000
Total Expense	\$204,900

The RDA continues to strive to build bridges with the Oakland Police Department, the Public Works Department, and neighborhood groups. Over the past year our ties and partnerships with the Oakland Police Department have grown stronger in an effort to reduce overall crime here in the area. We have been working with Public Works to reduce blight issues. This includes an ongoing effort by the BID to remove tagging and report illegal dumping. We have employed a cleaning crew to augment our ongoing efforts to maintain an immaculate district for everyone's enjoyment, and the board will be awarding a contract for tree maintenance, planting, and trimming within our district boundaries. We do this as stewards of the Avenue, for safety as well as aesthetics, since this financial burden has been shifted from the city to the BID.

We have met with the Rockridge Community Planning Council to promote the shopping district in order to benefit the neighborhood on all levels, and we are working with the RCPC on quality-of-life issues impacting this community. The RDA has dedicated a larger than usual percent of business fees to advertising and marketing as a benefit to our merchant population. We have also instituted ongoing monthly web marketing classes for our members so that they can learn how to promote their businesses online as well as helping BID businesses by providing online recruiting for their vacant positions.

The RDA is working on our Street Festival Out and About, which will be Sunday, October 12th. In an effort to bring a new dimension to the festivities, the RDA has hired Stephen Tiffin and Samee Roberts of Shasta Productions to create this year's event. We are working with the RCPC to organize the Halloween Parade to once again build community in the Rockridge neighborhood. As we've done in past years, we will be producing Rockridge in the Snow as an annual promotion to jump start the holiday shopping season.

The increase in crime earlier this year demanded attention thus the district brought in private security at significant cost. The expense helped calm fears not only for our members but the community at large. The RDA is in the process of exploring CCTV for four key areas on the Avenue to assist OPD in helping bring an even higher level of safety to our area. At district expense of some \$14,000, we had decomposed granite placed in the open tree wells to help eliminate this serious safety issue as well as to create wider pedestrian pathways. We continue promoting the district to bring in new business, and rumor has it that a hardware store will soon be opening. Such a store is something that we believe is needed and wanted by the community and will help make our district even more attractive.

We are working closely with AC transit on the layout of the changes to the 51 bus line to minimize the negative impact on parking for our businesses. We worked closely with our merchants to help mitigate the parking at the new Safeway construction project and will continue to be involved. The RDA continues its close working relationship with Claremont Middle School by sponsoring a fund-raiser, a pancake breakfast, providing badly needed funds for the PTA. Work with school staff reduces friction between students, our businesses, and neighbors.
