He is very professional and tries to keep everyone updated as to their payroll and other benefits. Michael is a great example for us to follow. He never complains and always does his job with a lot of caring and personal touch. He is light-hearted, humorous and hard working. He does not take a lot of credit for all that he does, but I clearly see that Michael is always busy and yet always friendly. He is a true benefit to this office. Michael also deserves a standing ovation for his patience and

kindness. He goes out of his way to complete his job successfully and he is a great mind among chaos. Thank you, Michael"; and
