RESOLUTION NO. 90566 C.M.S.

RESOLUTION EXTENDING THE MEMORANDUM OF UNDERSTANDING BETWEEN THE CITY OF OAKLAND (CITY) AND THE PORT OF OAKLAND (PORT) FOR UP TO TWO YEARS, FOR THE CITY TO CONTINUE TO PROVIDE FIRE PROTECTION AND AIRCRAFT RESCUE FIREFIGHTING SERVICES AT THE OAKLAND INTERNATIONAL AIRPORT

WHEREAS, in 1997, City Council, via Resolution No. 73115 C.M.S., authorized the City of Oakland (City) to enter a Memorandum of Understanding (MOU) with the Port of Oakland (Port) to provide fire protection and aircraft crash rescue (ARFF) services at the Oakland International Airport (Airport); and

WHEREAS, the City entered into a MOU with the Port to provide ARFF services; and

WHEREAS, the City subsequently entered into several agreements to supplement the MOU to continue to provide ARFF services; and

WHEREAS, the latest supplement to the MOU expires on December 31, 2024; and

WHEREAS, representatives from the Port of Oakland and the City are actively engaged in negotiations for a new, longer term MOU for the City's continued provision of ARFF services at the Airport; and

WHEREAS, during COVID-19, and subsequently, City staff resources have been stretched, such that completion of negotiations with the Port for a new MOU has not been feasible; and

WHEREAS, over the course of negotiations the City has provided the Port with an updated budget outlining its current costs to provide ARFF services at the Airport; and

WHEREAS, the Board of the Port of Oakland has approved the proposed extension of the MOU, through December 31, 2026; and

WHEREAS, it is City staff's goal to complete negotiations of the new, longer-term MOU sooner than December 31, 2026, and return to City Council for approval of such MOU prior to the expiration of the proposed extension to be authorized by this resolution; and

WHEREAS, in the interest of continuing to provide uninterrupted ARFF services at the Airport, City staff recommends that the City Council authorize the City Administrator to amend the current MOU between the City and Port to extend the term for up to two years, until December 31, 2026, to allow the Oakland Fire Department to continue to provide such services at the Airport while the City and Port continue negotiations on a new longer-term MOU; now, therefore, be it

RESOLVED: That for the reasons explained herein and in the agenda report submitted with this Resolution, the City Council authorizes the City Administrator to amend the Memorandum of Understanding regarding fire protection and aircraft rescue services between the City of Oakland and the Port of Oakland, to extend the term for up to two years, up to and including December 31, 2026, to allow Oakland Fire Department to continue to provide fire protection and aircraft crash rescue services at the Oakland International Airport; and be it

FURTHER RESOLVED: That the City Administrator is authorized to accept and appropriate the cost reimbursement payments associated with this Memorandum of Understanding.
