- f. Additional Preference Points. For Request for Proposal (RFP) and Request for Qualifications (RFQ), additional Preference Points may be earned for h having an Oakland workforce on Non-Construction Contracts
- g. Earning extra preference points for having an existing work force that includes Oakland residents is considered added value. The Request for Proposal “evaluation” process allows for additional preference points over and above the number of points earned for technical expertise. Typically 100 points may be earned for the technical elements of the RFP. Preference points are awarded over and above the potential 100 points.
- h. The Exit Report and Affidavit (ERA) – This report declares the level of participation achieved and will be used to calculate banked credits.
