**Re: REPORT REGARDING AN ORDINANCE REQUIRING RENTAL PROPERTY OWNERS TO EVICT TENANTS ENGAGED IN CERTAIN ILLEGAL ACTIVITIES ON THE PREMISES AND INCLUDING OFF-PREMISES DRUG RELATED ACTIVITIES THAT USE THE PREMISES TO FURTHER THE OFF-PREMISES ILLEGAL DRUG ACTIVITY AND AUTHORIZING THE CITY ATTORNEY TO ACCEPT ASSIGNMENT OF EVICTION CAUSES OF ACTION FROM RENTAL PROPERTY OWNERS FOR EVICTIONS INVOLVING CERTAIN ILLEGAL ACTIVITIES BY ESTABLISHING SECTION 8.23.100 OF THE OAKLAND MUNICIPAL CODE, "NUISANCE EVICTION ORDINANCE"**

Dear Public Safety Committee Members:

**SUMMARY**

Tenants who commit illegal activities on or near the premises in which they reside, jeopardize the health, safety, and welfare of other tenants in their buildings and the surrounding community. These tenants are a nuisance. Landlords should be required to bring eviction actions against tenants who engage in illegal activities. A landlord who fails to bring an eviction action against a tenant engaged in an illegal act is permitting the tenant to remain a nuisance to other tenants and the community.

Item 3  
Public Safety Committee  
December 9, 2003

Pursuant to Councilmember Reid's request, the City Attorney's Office drafted a Nuisance Eviction Ordinance ("NEO") that would require (1) that rental property owners evict tenants who engage in (a) specified illegal activities on the premises and (b) certain illegal activities off-premises drug related activity; and (2) authorize the City Attorney to evict rental property owners' tenants in certain circumstances. The ordinance is attached.

The Nuisance Eviction Ordinance (NEO) proposes to give the City additional tools to address the situation of illegal activity by tenants on and around rental property. It does this in several ways:

- NEO requires a landlord to bring an eviction action against a tenant who commits certain illegal activities on the rental property or for illegal drug activity occurring off-premises;
- For landlords who may have concerns for their safety and/or the safety of others should the landlord attempt to evict a tenant engaged in illegal activity, the landlord may assign the eviction cause of action to the City Attorney to carry out the eviction, with the landlord bearing the eviction costs;
- The City may cite a landlord for maintaining a nuisance if the landlord fails to bring an eviction action against a tenant after being apprised by the City that the tenant has engaged in illegal activity.

NEO is modeled after a similar ordinance that has existed in Los Angeles for five years. (Los Angeles Municipal Code § 47.50). The Los Angeles ordinance is authorized in part by state law. California Health & Safety Code § 11571.1. The City of Buena Park, California enacted a similar ordinance in 1999, but does not provide for assignment of the eviction actions to the City Attorney. (Buena Park Municipal Code, Chapter 8.48.) The Buena Park ordinance was not specially authorized by state law.

NEO would be codified in a new Chapter 8.23 in the Oakland Municipal Code.

### **FISCAL IMPACT**

The proposed Nuisance Eviction Ordinance will have a fiscal impact. This ordinance creates new duties for City administration and the City Attorney's Office. The nuisance Case Manager will have additional responsibilities. The City Attorney will have to work closely with the Case Manager in implementation and evaluation of nuisance eviction cases, and in handling evictions, if necessary. Without additional resources, the additional activities created by NEO cannot be fully implemented. The City Manager and City Attorney are presently assessing the fiscal needs and possible funding sources for the new activities provided for in NEO.

## **BACKGROUND**

The proposed Nuisance Eviction Ordinance is an adjunct to other stepped up efforts by the City to control nuisance and other illegal activities, particularly violence and drug dealing. The City Council recently amended several sections of the Oakland Municipal Code to make the City's nuisance laws more effective. (See recent amendments to O.M.C. Chapters 1.08, 1.12, and 1.16 (Ordinance No. 12550 C.M.S.)). Tenants who engage in illegal activity are a danger to the safety and welfare not only of other tenants, but also to the surrounding community. Additionally, their illegal activity often attracts others who assist or cooperate with them, which increases the dangers to others.

The first responsibility for dealing with a tenant engaged in illegal activity rests with the landlord. The landlord voluntarily enters into an agreement with the tenant to rent the unit; the landlord accepts rent from the tenant; and the landlord can evict the tenant for the illegal activity. Landlords should take responsibility to evict tenants who engage in illegal activity.

Currently, in order for the City to force a landlord to evict a tenant for illegal activity, the City either closes down the entire rental property, forcing out all tenants—guilty and innocent; or the City goes to court seeking an order requiring the landlord to evict the tenants. NEO targets only the offending tenants and does it more directly by permitting partial evictions.

However, there are instances where a landlord may genuinely be afraid to evict a tenant. This fear can be a concern for the landlord's self, family members, employees, or other tenants. In that circumstance, the landlord may assign the eviction to the City and the City Attorney will handle the eviction instead of the landlord.

NEO is not, however, a way for landlords to avoid their responsibility by having the City take on their evictions. The City will take on the evictions only when illegal activity is involved and the landlord can articulate a genuine fear related to the specific tenant. The landlord is required to pay for the City's costs in evicting the tenant. A landlord who, after receiving a notice to evict by the City, does not diligently carry out the eviction, or assign the eviction to the City can be cited for nuisance; additionally, the City can assert other nuisance remedies against the landlord. (In the Los Angeles program, state law authorizes the City Attorney to step into the landlord's shoes and directly evict the tenant if the landlord refuses to do so or assign the eviction to the City. California Health & Safety Code § 11571.1. Absent specific state legislation to include Oakland in the provisions of § 11571.1 or a voluntary assignment by the landlord, the City may not have standing to bring an eviction action against the tenant.)

Because this is a new ordinance, procedures may be needed for implementation. NEO gives the City Manager authority to institute such new procedures as may be necessary for full implementation.

*The Los Angeles Program.*

As stated above, Los Angeles has a program for nuisance evictions similar to NEO; this program has been in effect for approximately five years. The Los Angeles program is partially authorized by California Health & Safety Code § 11571.1. The Los Angeles nuisance eviction program has been a successful component of that city's drug and gang enforcement efforts. Statistics from Los Angeles show that in most cases, the tenant voluntarily vacates after notice from the City of the possible eviction. Many cases settled by requiring the offender to vacate, leaving the remainder of the tenants in place, or by the family agreeing to better control a minor in the household who is engaging in the illegal conduct. In a small number of the cases, an unlawful detainer was filed and a smaller number go to trial. Very few of the eviction cases in Los Angeles were assigned to the City Attorney—only one or two per year. Attached as exhibits are statistics for several representative years of Los Angeles program activity.

There are differences between the Los Angeles law and NEO. NEO includes the components similar to Los Angeles' that can be accomplished without authorization by § 11571.1. The key component contained in § 11571.1 that may not be possible for Oakland without state legislation is authorization for the City to directly evict a tenant where the landlord refuses to evict or assign the eviction to the City. Partial evictions (evicting only the offender) would also be easier if Oakland were covered under § 11571.1. The detriment to the City in coming under § 11571.1 is that attorney's fees to the City when it takes over an eviction are limited to \$600—a contested eviction would cost significantly more. Los Angeles also authorizes eviction for illegal drug activity within a 1,000-foot radius of the tenant's residence; NEO allows eviction for off-premises drug activity when the premises are used in furtherance of that activity, but does not place a geographic limitation on the off-premises activity.

NEO contains several components not in the Los Angeles ordinance.

- NEO requires eviction for illegal weapons possession, use, or sale; Los Angeles does not.
- NEO permits a landlord, on his/her own, to request the City to take over an eviction without a prior notice to evict from the City; this happens where the landlord, and not the City, discovers the illegal activity.
- Los Angeles does not cover commercial properties, NEO does.
- NEO prohibits the landlord from re-renting to the tenant for three years, Los Angeles does not.

- Under NEO, a landlord noticed by the City to evict tenants more than three times in one 12 month period can be cited for civil penalties and required to pay for the investigation and processing costs for further evictions; Los Angeles does not.

## **KEY ISSUES AND IMPACTS**

### *How does NEO work?*

In the typical case, the police arrest a tenant for committing illegal activity on the premises where she/he lives, or for dealing drugs in the vicinity. The police notify the person designated by the City Manager to handle NEO (this could be the Case Manager envisioned in the recently enacted nuisance ordinance). The City Manager's nuisance designee would then evaluate the information (generally in consultation with the City Attorney's Office) and send a notice to the landlord informing the landlord that the landlord must bring an eviction action against the tenant. The notice would also tell the landlord that evidence against the tenant is available. A notice would also go to the tenant advising the tenant that the landlord must bring an eviction action against the tenant and that if the landlord does not, the City may do so. The landlord then must either bring the eviction action, or request the City to do so, citing safety reasons. If the landlord does not bring the eviction action, the City may cite the landlord for nuisance, including multiple citations if the landlord still refuses. Additionally, the City can bring an injunction requiring the landlord to evict.

### *What new tasks would the City perform under this Ordinance?*

The basic new tasks for the City include:

- Reviewing cases for possible eviction.
- Assembling reports and other materials for evidence collection to assist landlords.
- Preparing and sending notices to landlords and tenants requiring eviction.
- Following up to determine compliance.
- Monitoring or approving settlements.
- Handling evictions.
- Issuing nuisance citations when there is no compliance.

### *Wouldn't evicting a tenant from one place simply move the problem to another location?*

In some cases, yes; an eviction might just move the problem tenant to a new location. However, in many cases, the eviction disrupts drug sales by removing a base of operation and requiring the offending tenant to move to a new location

where repeating the activity may not be possible. In other cases, adults, under the threat of eviction for the conduct of a minor in the household, may assert more control and prevent the minor from engaging in further illegal activity. In many cases, the tenant might not engage in further illegal activity for fear of once again losing a place to live.

*If a tenant can be evicted for just being arrested and not convicted of the illegal activity; isn't this a heavy-handed approach when the tenant has not been convicted?*

No. The tenant has the same right to contest the eviction in court as without NEO. The landlord (or the City when the landlord assigns the eviction) still has the burden of proving the case against the tenant—that the tenant was engaged in the illegal activity. A tenant can now be evicted for illegal activity without being arrested. A tenant who is observed engaging in illegal activity can be evicted without the police being involved at all. Evictions and nuisance actions only require a preponderance of the evidence to prove the case, not the “beyond a reasonable doubt” standard required for a criminal conviction. Moreover, NEO permits partial evictions, so only the offending tenant in the unit may be evicted. Under current law, an eviction removes all tenants in the unit. The City's role in an eviction that the landlord handles would be to assist the landlord by making reports and evidence available to the landlord.

*Can a landlord simply re-rent to a tenant?*

No. NEO prohibits a landlord from re-renting to a tenant removed under NEO for three years.

*Commercial facilities can also be used for illegal activities, does NEO cover commercial tenancies?*

Yes. NEO also applies to commercial tenancies.

*What about landlords who repeatedly rent to tenants who engage in illegal activities?*

A landlord who gets noticed by the City to evict tenants more than three times in a twelve month period can be cited for a nuisance and required to pay the costs of investigation and processing the notice and eviction for all notice to evict after the third.

*What if a guest of a tenant is the person committing the illegal activity?*

NEO provides that a tenant who permits the unit to be used for illegal activity can be evicted, even if the person committing the illegal act is a guest or visitor. The Case Manager would have discretion to not require an eviction if the tenant agreed not to allow the guest or visitor to return.

*Does NEO require additional work for the Police Department?*

The Police Department currently gets most of the information and evidence needed for the City to require a landlord to evict. The additional step would be advising the Case Manager when a tenant has been arrested for the illegal activity. From there, the Case Manager handles the bulk of the workload (with consultation from the City Attorney), unless the case is turned over to the City Attorney.

*Can a landlord be required to evict a tenant for illegal drug activity that occurs off the premises?*

Yes. Under NEO, the City can require a landlord to evict a tenant who commits the illegal drug activity off-premises, but uses the premises to further that illegal activity.

### **SUSTAINABLE OPPORTUNITIES**

**Economic:** NEO is expected to positively impact the quality and value of Oakland neighborhoods by reducing and eliminating the number of tenants engaging in illegal activities that negatively impact and influence the neighborhoods.

**Environmental:** NEO is expected to reduce the negative impacts of illegal activity such as: additional vehicle traffic, criminal gangs, loitering, fear, gun possession.

**Social Equity:** All Oakland residents deserve to live in safe and beautiful neighborhoods; NEO will assist in achieving such conditions.

### **DISABILITY AND SENIOR CITIZEN ACCESS**

Other than removing tenants involved with illegal activities to improve the quality of life for disabled and/or senior tenants residing in the same property or neighborhood, no disabled or senior citizen access issues are implicated by NEO.

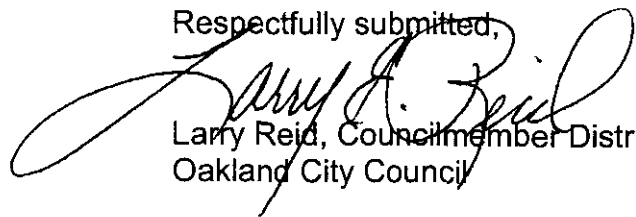

### **RECOMMENDATION**

Item 3  
Public Safety Committee  
December 9, 2003

Passage of the Nuisance Eviction Ordinance is recommended as it would provide an additional means of addressing illegal activities on rental property that create a nuisance for other residents and the neighborhood. It is also recommended that the City Council urge the State Legislature to include Oakland along with Los Angeles in California Health & Safety Code § 11571.1 and amend this code section to permit recovery of reasonable attorney's fees by the City rather than the \$600 limitation. Including Oakland in California Health & Safety Code § 11571.1 would better enable the City to fully implement a nuisance eviction program.

It is also recommended that the Public Safety Committee provide comment on this proposed ordinance and schedule a follow up report from the City Manager regarding implementation measures and fiscal impacts before forwarding to the City Council. This additional time will also afford the public more time to review and comment on the ordinance.

Respectfully submitted,

Larry Reid, Councilmember District 7  
Oakland City Council

It is the City Attorney's position that the statute accomplishes only one thing - it allows the City Attorney to bring an unlawful detainer action. As such, it is the City Attorney's position that the statistics required relate to notices sent and cases filed by the City Attorney. The City Attorney is not required to provide information relating to cases filed by landlords, and indeed, the City Attorney is not privy to the details of such proceedings. However, because there is so little data regarding City Attorney filed cases, the following statistics are provided for informational purposes only. They are culled from statements and other materials provided by landlords. Collecting this data required manual research and consumed an inordinate amount of time. **1/1/00 to 8/31/00**

**Los Angeles City Attorney**

In evaluating the below statistics, it should be noted that many instances of drug activity are resolved without the necessity of filing an unlawful detainer case. After notification by the City Attorney, some tenants voluntarily vacate the premises or reach a negotiated agreement with the landlord. These agreements can provide for the departure of the offending tenant or consist of a warning to the arrestee, particularly if he or she is a minor. An important factor aiding in the non-judicial resolution of these cases is the fact that both landlords and tenants are made aware of the availability of the remedy provided by Health and Safety Code Section 11571.1. In conclusion, while the drug eviction provision of this section has been used very little, its very existence has been helpful in abating drug activity without judicial intervention.

**WHEREAS**, Oakland has experienced problems with drug, violence, and weapons related criminal activity occurring on rental properties—residential and commercial;

**WHEREAS**, these illegal activities jeopardize the health, safety, and welfare of other occupants of the rental property and the surrounding community;

**WHEREAS**, persons dealing illegal drugs make use of their residences to further their illegal drug activities by, among other things: making drug deals on the premises from contacts made off-premises, keeping illegal drugs on the premises for sale off-premises, making contacts on the premises with potential buyers and suppliers for sales concluded off-premises, keeping profits on the premises from off-premises from illegal drug sales, keeping on the premises weapons and other equipment used for off-premises drug activities;

**WHEREAS**, persons engaging in off-premises illegal drug activities within a close proximity to their residences are highly likely to use their residences to further their drug activity;

**WHEREAS**, persons engaging in off-premises illegal drug activity within a close proximity to their residences represent a danger to the health, safety, and welfare of other occupants at the rental property where they reside;

**WHEREAS**, rental property owners have an obligation to keep their rental properties safe for all tenants and their visitors and to keep their rental properties free of nuisances;

**WHEREAS**, rental property owners have an obligation to remove tenants engaging in illegal activity that jeopardizes the health, safety, and welfare of other tenants and the surrounding community;

**WHEREAS**, some rental property owners may be reluctant to evict tenants engaged in illegal activity fearing retribution towards the owners, their families, employees, or other tenants;

**WHEREAS**, in order to stop nuisance activity at some rental properties, the City may be forced to declare the entire property a nuisance resulting in the removal of all tenants, including some who may not be engaged in illegal activity;

**WHEREAS**, the City of Los Angeles has a successful program of requiring rental property owners to evict tenants engaged in certain illegal activity or to assign the eviction cause of action to the Los Angeles City Attorney when the owners have safety concerns;

**WHEREAS**, the City Council believes that a requiring rental property owners to evict tenants engaged in illegal activity on the premises will assist in removing nuisances from rental properties and that owners who have safety concerns regarding the evictions are able to assign the evictions to the City Attorney, and owners who refuse to do either should be subject to citation, civil penalties, and other penalties or legal actions for failing to abate the nuisance of tenants engaging in illegal activities;

**WHEREAS**, the City Council desires a targeted approach to removing persons using rental units or the premises for illegal activities and therefore wishes to authorize "partial evictions" that remove from the premises *only the person engaging in the illegal activities*.

NOW THEREFORE, THE CITY COUNCIL OF THE CITY OF OAKLAND DOES ORDAIN THAT SECTION 8.23 100 IS HEREBY ADDED TO THE OAKLAND MUNICIPAL CODE AS FOLLOWS:

**8.23.100 EVICTION FOR NUISANCE AND ILLEGAL ACTIVITY ORDINANCE**

**A. PURPOSE.** The City of Oakland has a significant problem wherein owners of rental property have tenants who commit illegal acts on the property or use it to further illegal activities. Often rental property owners fail to take action to evict such tenants for a variety of reasons including, but not limited to: neglect, lack of knowledge of the illegal activity, monetary gain from renting to the offending tenants,

or fear of retribution from the offending tenants. This illegal activity represents a serious threat to the health, safety, and welfare of other residents in the rental property, the neighborhood in which the rental property is located, and the City as a whole.

The City has broad authority to address nuisances, including nuisances created by illegal activity. Often the City's recourse is to seek mandatory injunctions to force rental property owners to remove tenants who engage in illegal activity; this can be time consuming and costly to the City and the rental property owner. The City may also have to order the property vacated, which often can result in the displacement of tenants who are not engaged in illegal activity. The City Council desires a more expeditious, less costly, and more targeted approach to removal from the rental property tenants committing a nuisance by engaging in illegal activity.

The purposes of this ordinance include: to establish a procedure whereby rental property owners can be required to evict tenants committing illegal activity on the premises; to penalize such owners for maintaining a nuisance or authorize the City to take other action against the rental property owner for failing to take appropriate action against the offending tenants; to enable rental property owners to assign the eviction cause of action to the City and allow the City Attorney to handle the eviction of the offending tenant; and to authorize owners to remove from the rental unit only the person engaged in the illegal activity and not other tenants in the unit who may be innocent of the activity.

**B. DEFINITIONS.** For the purposes of this 100, the following definitions apply:

1. **COMMERCIAL RENTAL UNIT.** Any Rental Unit that is rented or offered for rent for commercial, not residential use.

2. **CONTROLLED SUBSTANCE.** A drug, substance, or immediate precursor, as listed in the Uniform Controlled Substances Act, Health and Safety Code Section 11000, *et. seq.*

3. **DRUG-RELATED NUISANCE.** Any activity related to the possession, sale, use or manufacturing of a controlled substance that creates an unreasonable interference with the comfortable enjoyment of life, property or safety of other residents of the premises. *These activities include, but are not limited to, any activity commonly associated with illegal drug dealing, such as noise, steady foot and vehicle traffic day and night to a particular unit, barricaded units, possession of weapons, or drug loitering as defined in California Health and Safety Code §11532, or other drug-related activities.* Activity relating to the sale of a controlled substance that occurs off the premises is regarded as having occurred on the premises if, the activity occurs within such proximity to the premises that the Tenant's activity either unreasonably interferes with the comfortable enjoyment of life, property or safety of other residents of the premises or the Tenant likely uses the premises to further the drug sale activity.

4. **GANG-RELATED CRIME.** Any crime motivated by gang membership in which the perpetrator, victim, or intended victim is a known member of a gang,

5. **ILLEGAL DRUG ACTIVITY.** A violation of any of the provisions of Chapter 6 (commencing with Section 11350) or Chapter 6.5 (commencing with Section 11400) of the Cal. Health and Safety Code.

6. **ILLEGAL POSSESSION SALE, OR USE OF WEAPON.** Illegal possession of a weapon by anyone occupying a Rental Unit who is not authorized to possess such a weapon, who sells such weapon and is not legally permitted to do so, or who uses or possesses the weapon in an illegal manner. Weapon includes, but is not limited to, a "Deadly Weapon" as defined in Cal. Business and Professions Code § 7500.1 and "includes any instrument or weapon of the kind commonly known as a blackjack, slungshot, billy, sandclub, sandbag, metal knuckles, dirk, dagger, pistol, or revolver, or any other firearm, any knife having a blade longer than five inches, any razor with an unguarded blade, and any metal pipe or bar used or intended to be used as a club."

7. **OWNER.** An owner, landlord, lessor, or sublessor (including any person, firm, corporation, partnership, or other entity) of residential or commercial rental property who receives or is entitled to receive rent directly or through an agent for the use of any Rental Unit, or the agent, representative including a property manager, or successor of any of the foregoing.

8. **PREMISES.** The Rental Unit and the land on which it and other buildings of the rental complex are located and common areas, including but not limited to, parking facilities, streets, alleyways, laundry, stairwells, yard, roofs, and elevators.

3. Assignment of unlawful detainer to the City.

a. The Owner may assign an unlawful detainer cause of action to the City for the City Attorney to pursue, at the City Attorney's election, where the unlawful detainer is brought for illegal activities by the Tenant pursuant to this Section and Owner provides a valid safety-related reason for not bringing the unlawful detainer. The request for assignment must be on a form provided by the City Attorney.

b. The City may, at its election, also accept assignment of an unlawful detainer where the removal of the Tenant is initiated directly by the Owner and not by the City pursuant to Section O.M.C. 8.23.100 F below. Where the Owner initiates the request for assignment of the unlawful detainer before notification by the City, the unlawful detainer must be based on illegal activity by the Tenant pursuant to this Section and the Owner must provide a valid safety-related reason for not bringing the unlawful detainer directly. The Owner must also provide sufficient evidence to establish the tenant's violation of illegal purpose provisions of subdivision 4 of Section 1161 of the Cal. and attorney's fees associated with addressing the unlawful detainer, including, but not limited to, costs of investigation, case preparation, discovery, and trial, in rates as set by the City Council in the Master Fee Schedule. Where the Owner fails to pay the costs of the City Attorney's office provided for by this Subsection, the City may place a lien for these costs against the Owner's Premises. In the City Attorney's sole discretion, the City Attorney may require the Owner to place a reasonable amount on deposit with the City for anticipated attorney's fees and costs as a condition of the City accepting assignment of the unlawful detainer.

e. If the City Attorney accepts the assignment of the Owner's right to bring the unlawful detainer action, the Owner retains all other rights and duties, including handling the Tenant's personal property following issuance of the writ of possession and its delivery to and execution by the appropriate agency. The City Attorney's assignment ends when the judgment in the unlawful detainer is issued or a settlement is executed, unless the City Attorney agrees separately from the acceptance of the unlawful detainer assignment and the Owner agrees to pay the additional costs.

f. If any party appeals the unlawful detainer judgment, the City Attorney may continue to retain the unlawful detainer assignment or return the matter to the Owner to handle the appeal. The costs of appeal will be borne by the Owner.

g. In the event the Tenant prevails in an unlawful detainer assigned to the City, the Owner will be responsible for any attorney's fees assessed by the court to the Tenant as prevailing party, as if the unlawful detainer had not been assigned to the City.

## **F. NOTIFICATION BY THE CITY TO REMOVE TENANT.**

1. Notice by City to Owner and Tenant.

a. The City Manager, or the City Manager's designee, is authorized to gather facts and evidence to evaluate whether a Tenant committed,

permitted, maintained, or was involved in any Drug-Related Nuisance, Gang-Related Crime, Illegal Drug Activity, Illegal Possession, Sale, or Use of Weapon, Violent Crime, or Threat of Violent Crime on the Premises where the Tenant resides. Facts or evidence may be derived from any source including, but not limited to, the Owner, other tenants, persons within the community, law enforcement agencies or prosecution agencies. The City Manager's evaluation of whether a Tenant is engaged in illegal conduct is based on whether the Owner could prevail in a unlawful detainer proceeding against the Tenant based on a preponderance of evidence that the Tenant is engaged in the illegal activities; a Tenant need not be arrested, cited, or convicted of the conduct to justify removing the Tenant from the Rental Unit. Based on such evaluation, the City Manager, or the City Manger's designee may determine if the Owner of the Premises where the Tenant resides should be required seek the eviction of the Tenant.

b. When the City Manager or designee determines that a Tenant committed, permitted, maintained, or was involved in any Drug-Related Nuisance, Gang-Related Crime, Illegal Drug Activity, Illegal Possession, Sale or Use of Weapon, Violent Crime, or Threat of Violent Crime on the Premises where the Tenant resides, the City shall give written notice to the Owner, requiring the Owner to file an action for the removal of the Tenants in the unit within 15 calendar days of the date of mailing the notice.

c. This notice shall include the factual basis for requiring the eviction of the Tenant and the availability of documentary evidence supporting the eviction.

d. The notice shall be served upon the Owner and the Tenant by certified mail, return receipt requested and first class mail or other appropriate delivery method authorized by O.M.C 1.08.050. Failure of the Tenant to receive or accept the notice shall not preclude requiring the Owner to remove the Tenant. Although all Owners who appear on the public record should be notified, notice to an Owner of record is sufficient. The City should also attempt to provide notice to agents of the Owner responsible for managing the subject Premises, if known to the City.

e. The Owner must, within 15 calendar days of the mailing of the written notice, either provide the City Attorney with all relevant information pertaining to the unlawful detainer case, or provide a written explanation setting forth any safety-related reasons for noncompliance, and an assignment to the City Attorney of the right to bring an unlawful detainer action against the Tenant.

f. If the Owner requests the City accept assignment of the unlawful detainer, the City Attorney will notify the Owner of acceptance or rejection of the assignment within 15 days or within such later time as is reasonably practicable after receipt of the Owner's request for assignment.

g. If the City Attorney rejects the assignment, the Owner must file the unlawful detainer action within 15 days of the date of the City Attorney's mailing of the rejection of the request for unlawful detainer assignment, or be subject to further action by the City for maintenance of a nuisance.

c. The remaining Tenants agree to amend their rental agreement with Owner to include a provision prohibiting the return of the former Tenant who engaged in the illegal activity for a period of at least three years after execution of this settlement agreement, and that the return of such Tenant constitutes a substantial breach of a material term of the tenancy and good cause for eviction. The Tenants further agree that the settlement agreement and the notice given pursuant to O.M.C. 8.23.100 F of this Section separately constitute written notices to cease required by O.M.C. 8.22.360 A.2 prior to bringing an unlawful detainer.

2. When the offending Tenant is an unemancipated minor residing in a Rental Unit with the minor's parent or guardian, the Owner or the City Attorney may settle an unlawful detainer action brought under this Section by permitting the minor and all other occupants to remain in the Rental Unit. Such settlement must be approved by the City Manager under the following condition, unless the City Manager finds good cause for different terms:

a. The minor's parent(s) or guardian(s) residing in the Rental Unit stipulate to a judgment in unlawful detainer against them should the minor engage in any other illegal conduct covered under this Section; and

b. The minor's parent(s) or guardian(s) residing in the Rental Unit agree to amend their rental agreement with Owner to include a provision that includes the following:

i. Any additional illegal conduct, as set out in this Section that the minor Tenant engages in anytime within at least three years following the execution of the settlement agreement constitutes a substantial breach of a material term of the tenancy pursuant to O.M.C. 8.22.360 A.2 and also constitutes illegal use of the premises pursuant to O.M.C. 8.22.360 A.6, and good cause for eviction under either of the aforementioned sections; and

ii. The Tenants further agree that the settlement agreement and the notice given pursuant to O.M.C. 8.23.100 F of this Section separately constitute written notices to cease required by O.M.C. 8.22.360 A.2 prior to bringing an unlawful detainer pursuant to that section.

1. An Owner may not re-rent to or permit a Tenant who was removed from a Rental Unit pursuant to this Section to reoccupy any Rental Unit in the City of Oakland owned by the Owner for a period of at least three years following the Tenant's vacating the Rental Unit, without first obtaining the approval of the City Manager, or the City Manager's designee.

2. For purposes of this Section, a Tenant is removed from a Rental Unit when the Tenant vacates the units either voluntarily after the City has sent a notice to the Owner to seek the Tenant's removal or after a court order evicting the Tenant.

4. A Tenant who re-rents from the same Owner within three years after being removed from a Rental Unit owned by the Owner is subject to being evicted under this Section and may be subject to any remedies for nuisance available to the City.

2. Upon the failure of the Owner to file an unlawful detainer action or to respond to the City Attorney after notice pursuant to O.M.C. 8.23.100 F.1.d. or, after having filed an action, if the Owner fails to prosecute the *unlawful detainer* diligently and in good faith, the City may take any or all of the following actions:

b. Take any action authorized under O.M.C 1.16;

c. Bring an administrative action against the Owner for permitting or maintaining a nuisance or substandard property which includes as a remedy a possible administrative order vacating the property;

d. Bring a nuisance action in court against the Owner and/or Tenant for maintaining a nuisance. As part of the relief sought, the City Attorney may seek a mandatory injunction assigning to the City the Owner's unlawful detainer cause of action against the offending Tenant.
