APPROVED AS TO FORM AND LEGALITY

DEPUTY CITY ATTORNEY

OAKLAND CITY COUNCIL

ORDINANCE NO. 12870 C.M.S.

ORDINANCE ADOPTING THE SIXTH AMENDMENT TO THE COLISEUM AREA REDEVELOPMENT PLAN AMENDING THE LAND USE DESIGNATION FOR THE HABITAT FOR HUMANITY EDES "B" RESIDENTIAL PROJECT SITE, LOCATED AT 10800 EDES AVENUE NEAR THE INTERSECTION OF EDES AVENUE AND 105TH AVENUE, FROM BUSINESS MIX TO MIXED HOUSING TYPE RESIDENTIAL

WHEREAS, the City Council of the City of Oakland ("City Council") adopted a Redevelopment Plan for the Coliseum Redevelopment Project Area ("Redevelopment Plan") on July 25, 1995, as a redevelopment plan for the Coliseum Redevelopment Project Area ("Project Area") pursuant to the California Community Redevelopment Law (Health and Safety Code Sections 33000, et seq.); and

WHEREAS, the Redevelopment Plan has been amended five times; and

WHEREAS, the Redevelopment Plan includes a land use map ("Redevelopment Land Use Map") attached to the Redevelopment Plan as Attachment No. 3, which sets forth land use designations for the Project Area; and

WHEREAS, the approximately 1.7-acre site of the Habitat for Humanity Edes "B" Residential Project ("Project"), located at 10800 Edes Avenue near the intersection of Edes Avenue and 105th Avenue ("Project Site"), is currently designated Business Mix on the Redevelopment Land Use Map; and

WHEREAS, residential uses are not consistent with the Business Mix designation; and

WHEREAS, Habitat for Humanity East Bay ("Applicant") filed an application for a general plan amendment, redevelopment plan amendment, rezoning, planned unit development permit, vesting tentative tract map, design review, conditional use permit, and variances ("Applications") to construct a 28-unit residential development at the Project Site on May 7, 2007; and

WHEREAS, the application for the redevelopment plan amendment (“Amendment”) petitioned the City to amend the Redevelopment Plan land use designation for the Project Site from Business Mix to Mixed Housing Type Residential; and

WHEREAS, the intent of the Mixed Housing Type Residential designation is to create, maintain, and enhance residential areas typically located near the City’s major arterials; and

WHEREAS, the land use designation for the Project Site in the Oakland General Plan has been or will be revised, and the Redevelopment Agency desires that the Redevelopment Land Use Map in the Redevelopment Plan be consistent with the Land Use Diagram of the Oakland General Plan; and

WHEREAS, the Redevelopment Agency of the City of Oakland (“Redevelopment Agency”) has submitted to the City Council this proposed Amendment to the Redevelopment Plan; and

WHEREAS, Health and Safety Code Section 33450, et seq., authorizes a legislative body to amend a redevelopment plan after holding a public hearing; and

WHEREAS, this proposed Amendment does not propose any additional property for inclusion in the Project Area, nor does it increase or reduce the Project Area or affect the Redevelopment Agency’s authority to claim tax increment revenues; and

WHEREAS, in accordance with the California Environmental Quality Act (“CEQA”), the City issued a Notice of Intent to Adopt a Negative Declaration for the Project on January 24, 2008; and

WHEREAS, the City received a total of two comments on the proposed Negative Declaration, primarily relating to at-grade rail crossings and water service, and the City believes the issues raised in the comment letters have been adequately addressed and do not change the conclusions of the Negative Declaration; and

WHEREAS, the Planning Commission conducted a duly noticed public hearing on the Negative Declaration and the Project Applications on March 19, 2008; and

WHEREAS, at the March 19, 2008, hearing, the Planning Commission adopted, and made appropriate findings for, the Negative Declaration, approved the Applications for planned unit development permit, vesting tentative tract map, design review, conditional use permit, and variances (collectively called “Development Permits”), recommended approval of the general plan amendment to the City Council, recommended approval of this Redevelopment Plan Amendment to the City Council and Redevelopment Agency, and recommended approval of the rezoning to the City Council; and

WHEREAS, the Planning Commission found, in part, that the Project is consistent with the Mixed Housing Type Residential designation and that this proposed Redevelopment Plan Amendment will not cause the Redevelopment Plan to become internally inconsistent; and

WHEREAS, the Planning Commission also found, in part, that this proposed Redevelopment Plan Amendment is consistent with the overall goals, objectives, and policies of the Redevelopment Plan in that the Project is a well-designed development on a vacant, underutilized, blighted and contaminated infill site located in an urbanized area of the City near public transportation that will provide needed affordable housing and economic revitalization, and that the proposed Redevelopment Plan Amendment is necessary to implement the Project; and

WHEREAS, the Community and Economic Development Committee of the City Council conducted a duly noticed meeting on the Project Applications on April 8, 2008 and recommended Project approval; and

WHEREAS, the City Council and Redevelopment Agency conducted a duly noticed joint public hearing on the Project Applications on April 15, 2008; and

WHEREAS, all interested parties were given the opportunity to participate in the public hearing by submittal of oral and written comments; and

WHEREAS, the public hearing was closed by the City Council and Redevelopment Agency on April 15, 2008;
