RECOMMENDATION

Staff Recommends That The City Council Approve A Resolution Authorizing The City Administrator Or Her Designee To Enter Into A Governance Memorandum Of Understanding With The Bay Area Urban Area Security Initiative (UASI) Approval Authority Which Will Provide Overall Governance Of The UASI Grant Program, As Well As Other Grant Programs Under The Jurisdiction Of The Approval Authority Across The Bay Area Region Effective December 1, 2017.

EXECUTIVE SUMMARY

This Memorandum of Understanding ("MOU") sets forth the agreements of the City of Oakland, City of San Jose, City and County of San Francisco, County of Alameda, County of Contra Costa, County of Marin, County of Monterey, County of Napa, County of San Benito, County of San Mateo, County of Santa Clara, and County of Sonoma relating to the application for and allocation and distribution of federal Urban Areas Security Initiative ("UASI") Program grant funds and other regional grant funds. Acceptance of this MOU and the bylaws of the Bay Area UASI Approval Authority is required in order to accept funds under the UASI grant.

BACKGROUND / LEGISLATIVE HISTORY

The purpose of the FY 2017 United States Department of Homeland Security (DHS), UASI Programs, is to provide financial assistance to the San Francisco Bay Area Region to address the unique equipment, training, planning, and exercise needs of large urban areas, and to assist them in building an enhanced and sustainable capacity to prevent, respond and recover from threats or acts of terrorism.

On January 20, 2004, the City Council approved Resolution No. 78295 C.M.S. authorizing the Interim City Manager to accept, appropriate and expend the initial UASI Grant funds.

On January 3, 2006, the Department of Homeland Security announced that the separate UASI entities, which included the cities of Oakland, San Francisco and San Jose, would be consolidated into one urban area for purposes of awarding UASI funding. The Bay Area UASI

now encompasses twelve (12) counties, two (2) major cities, over one hundred (100) municipalities with significant critical infrastructure including three (3) international airports, two (2) major ports, and international icons and centers of commerce and technology that are critical not only to the Bay Area economy, but also to national and global economies. The Bay Area UASI Metropolitan Statistical Area footprint contains over eight million (8,000,000) residents.

In 2006, the core cities and counties of the Bay Area UASI - the City and County of San Francisco, the City of Oakland, the City of San Jose, the County of Alameda and the County of Santa Clara approved a Memorandum of Understanding ("2006 MOU"), followed by a 2007 Memorandum of Understanding ("2007 MOU"), that established the objectives, governance structure, responsibilities, reporting structure, and financial agreements to be used in applying for UASI and other federal Homeland Security grant funding.

The parties updated the 2007 MOU in 2011, with subsequent revisions in 2013. On July 16, 2013, the City Council approved Resolution No. 84527 C.M.S. authorizing the City Administrator, or designee, to enter into the 2013 MOU for Bay Area UASI. The 2013 MOU is set to expire on December 1, 2017, and so the Approval Authority has prepared a new MOU. The proposed MOU is provided as **Attachment A**, and the Bay Area UASI approval authority by-laws are included as **Attachment B**.

ANALYSIS AND POLICY ALTERNATIVES

This 2017 MOU establishes guidelines for Bay Area UASI member agencies pertaining to the application, allocation and distribution of federal UASI funds. This MOU takes effect on December 1, 2017 and shall remain in effect through November 30, 2021, unless terminated by the Bay Area UASI Approval Authority or the City of Oakland. Failure to take this action will prevent the City of Oakland from receiving and appropriating UASI program funds. Funding typically runs in excess of one million dollars and helps to support disaster preparedness and emergency response, and supports up to five (5) full time equivalent staff in the Oakland Fire Department, Emergency Management Services Division.

FISCAL IMPACT

Participation in the Master MOU is required by the grantor; therefore, a failure to enter into the Master MOU with the Bay Area UASI Approval Authority will result in a loss of funding to the City of Oakland. The FY 2017 UASI grant that was recently awarded to the City of Oakland is for one million one hundred ninety-two thousand five hundred nine dollars (\$1,192,509.00).

PUBLIC OUTREACH / INTEREST

The general public, all cities, special districts, non-governmental agencies and counties within the Bay Area UASI footprint are invited to participate in the UASI Grant planning and proposals processes. Panel members are organized in each area of the region to represent the East,

West, North and South Bay Hubs to review all submitted grant proposals. The panel recommendations are forwarded to the UASI Advisory Group who review and vet each proposal. Final recommendations for funding are then sent to the UASI Approval Authority for final approvals. UASI Approval Authority Meeting dates are posted on the Bay Area UASI website: <http://www.bayareauasi.org/events-calendar>.

COORDINATION

This report was reviewed by the Oakland City Attorney's Office and the Finance Department.

SUSTAINABLE OPPORTUNITIES

Economic: Emergency preparedness and planning activities enhance the City of Oakland's efforts to provide a climate in which economic development and economic resiliency can flourish.

Environmental: All planning, preparedness, mitigation, prevention, response and recovery activities provide for the preservation of environmentally significant and/or historic properties to the highest extent possible.

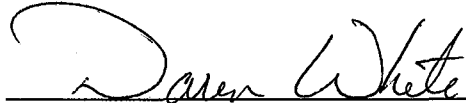

Social Equity: The UASI regional collaboration and planning projects explicitly incorporate consideration for populations who need additional support which include but are not limited to non-English speaking residents, persons with access and functional needs and economically disadvantaged residents.

ACTION REQUESTED OF THE CITY COUNCIL

Staff recommends City Council approve a resolution authorizing the City Administrator or her designee to enter into a governance Memorandum of Understanding with the Bay Area Urban Area Security Initiative (BAUASI) Approval Authority which will provide overall governance of the UASI Grant Program, as well as other grant programs under the jurisdiction of the Approval Authority across the Bay Area region effective December 1, 2017.

(c) OAKLAND shall promptly comply with all standards, specifications and formats of San Francisco and the UASI Management Team, as they may from time to time exist, related to evaluation, planning and monitoring of the Grant Plan and compliance with this Agreement. OAKLAND shall cooperate in good faith with San Francisco and the UASI Management Team in any evaluation, inspection, planning or monitoring activities conducted or authorized by DHS, Cal OES, San Francisco or the UASI Management Team. For ensuring compliance with non-supplanting requirements, upon request by City or the UASI Management Team, OAKLAND shall supply documentation certifying that a reduction of non-federal resources occurred for reasons other than the receipt or expected receipt of Grant Funds.

3.5 **Administrative, Programmatic and Financial Management Requirements.** OAKLAND shall establish and maintain administrative, programmatic and financial management systems and records in accordance with federal and State of California requirements. This provision requires, at a minimum, that OAKLAND comply with the following non-exclusive list of regulations commonly applicable to DHS grants, as applicable to this Agreement and the Grant Plan:

- (a) Administrative Requirements:
 - 1. 2 CFR Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (formerly 44 CFR Part 13, OMB Circulars A-21, A-87, A-89, A-102, A-110, A-122, and A-133).
- (b) Cost Principles:
 - 1. 2 CFR Part 200, Subpart E - *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (formerly 44 CFR Part 13, OMB Circulars A-21, A-87, A-89, A-102, A-110, A-122, and A-133);

3.6 **Technology Requirements.**

(a) National Information Exchange Model ("NIEM"). OAKLAND shall use the latest NIEM specifications and guidelines regarding the use of Extensible Markup Language ("XML") for all awards of Grant Funds.

(b) Geospatial Guidance. OAKLAND is encouraged to use Geospatial technologies, which can capture, store, analyze, transmit and/or display location-based information (i.e., information linked to a latitude and longitude), and to align any geospatial activities with the guidance available on the Federal Emergency Management Agency ("FEMA") website.

(c) Criminal Intelligence Systems Operating Policies. Any information technology system funded or supported by Grant Funds shall comply with 28 CFR Part 23, *Criminal Intelligence Systems Operating Policies*, if applicable.

(d) OAKLAND is encouraged to use the DHS guidance in *Best Practices for Government Use of CCTV: Implementing the Fair Information Practice Principles*, if Grant Funds are used to purchase or install closed circuit television (CCTV) systems or to support operational CCTV systems.

3.7 **Procurement Requirements.**

(a) General Requirements. OAKLAND shall follow its own procurement requirements as long as those requirements comply with all applicable federal and State of California statutes, regulations, requirements, policies, guides, guidelines and instructions, including the most recent restrictions on the purchase of general purpose equipment (see FY 2016 HGSP Notice of Funding Opportunity ("NOFO") at pgs. 27-28) and on purchases of specified controlled equipment (see NOFO at pg. 59).

(b) Specific Purchases. If OAKLAND is using Grant Funds to purchase interoperable communication equipment, OAKLAND shall consult DHS's SAFECOM's coordinated grant guidance, which outlines standards and equipment information to enhance interoperable communication. If OAKLAND is using Grant Funds to acquire critical emergency supplies, prior to expending any Grant Funds, OAKLAND shall submit to the UASI Management Team for approval by Cal OES a viable inventory management plan, an effective distribution strategy, sustainment costs for such an effort, and logistics expertise to avoid situations where funds are wasted because supplies are rendered ineffective due to lack of planning.

(c) Bond requirement. OAKLAND shall obtain a performance bond for any equipment items over \$250,000 or any vehicle, aircraft or watercraft financed with Grant Funds.

3.8 **Subgrantee and Contractor Requirements.**

(a) OAKLAND shall ensure and independently verify that any subgrantee, contractor or other entity receiving Grant Funds through or from OAKLAND is not debarred, suspended, or otherwise excluded from or ineligible for participation in federal assistance programs, under Executive Orders 12549 and 12689, as implemented at 2 CFR Part 3000. OAKLAND shall obtain documentation of eligibility before disbursing Grant Funds to any subgrantee, contractor or other entity. OAKLAND shall maintain documentary proof of this verification in its files. OAKLAND shall establish procedures for the effective use of the "Excluded Parties List System," to assure that it does not provide Grant Funds to

excluded parties. OAKLAND shall also establish procedures to provide for effective use and/or dissemination of the list to assure that its grantees and subgrantees, including contractors, at any tier do not make awards in violation of the non-procurement debarment and suspension common rule.

(b) OAKLAND shall ensure that any subgrantee, contractor or other entity receiving Grant Funds through or from OAKLAND complies with the requirements of 44 CFR Part 18, *New Restrictions on Lobbying*; and

(c) OAKLAND shall ensure that any subgrantee, contractor or other entity receiving Grant Funds through or from OAKLAND complies with the requirements of 2 CFR Part 3001, *Requirements for Drug-Free Workplace (Financial Assistance)*.

3.9 **Monitoring Grant Performance.**

(a) City and the UASI Management Team are both authorized to perform periodic monitoring reviews of OAKLAND's performance under this Agreement, to ensure that the Grant Plan goals, objectives, performance requirements, timelines, milestone completion, budgets and other criteria are being met. Programmatic monitoring may include the Regional Federal Preparedness Coordinators, or other federal or state personnel, when appropriate. Monitoring may involve a combination of desk-based reviews and on-site monitoring visits, inspection of records, and verifications of grant activities. These reviews will involve a review and analysis of the financial, programmatic, performance and administrative issues relative to each program and will identify areas where technical assistance and other support may be needed. The reviews may include, but are not limited to:

1. Evaluating eligibility of expenditures;
2. Comparing actual grant activities to those approved by the Approval Authority and specified in the Grant Plan;
3. Ensuring that any advances have been deposited in an interest bearing account and disbursed in accordance with applicable guidelines; and
4. Confirming compliance with: Grant Assurances; information provided on performance reports and payment requests; and needs and threat assessments and strategies.

(b) OAKLAND is responsible for monitoring and auditing the grant activities of any subgrantee, contractor or other entity receiving Grant Funds through or from OAKLAND. This requirement includes but is not limited to mandatory on-site verification visits.

(c) If after any monitoring review, the DHS or Cal OES makes findings that require a Corrective Action Plan by OAKLAND, the City shall place a hold on all Reimbursement Requests from OAKLAND until the findings are resolved.

3.10 **Disbursement Procedures.** San Francisco shall disburse Grant Funds to OAKLAND as follows:

(a) OAKLAND shall submit to the UASI Management Team, in the manner specified for notices pursuant to Article 9, a document ("Reimbursement Request") substantially in the form attached as Appendix C, attached hereto and incorporated by reference as though fully set forth herein. The UASI Management Team shall serve as the primary contact for OAKLAND regarding any Reimbursement Request.

(b) The UASI Management Team will review all Reimbursement Requests for compliance with this Agreement and all applicable guidelines and requirements. The UASI Management Team will

return to OAKLAND any Reimbursement Request that is submitted and not approved by the UASI Management Team, with a brief statement of the reason for the rejection of the Reimbursement Request.

(c) The UASI Management Team will submit any Reimbursement Request that is approved by the UASI Management Team to DEM. City through DEM shall review the Reimbursement Request for compliance with this Agreement and all applicable guidelines and requirements. City shall return to the UASI Management Team any Reimbursement Request that is not approved by City, with a brief explanation of the reason for the rejection of the Reimbursement Request.

(d) If a rejection relates only to a portion of the expenditures itemized in any Reimbursement Request, City shall have no obligation to disburse any Grant Funds for any other expenditures itemized in such Reimbursement Request unless and until OAKLAND submits a Reimbursement Request that is in all respects acceptable to the UASI Management Team and to City.

(e) If OAKLAND is not in compliance with any provision of this Agreement, City may withhold disbursement of Grant Funds until OAKLAND has taken corrective action and currently complies with all terms and conditions of the Agreement.

3.11 **Disallowance.** OAKLAND agrees that if it claims or receives reimbursement from City for an expenditure that is later disallowed by the State of California or the federal government, OAKLAND shall promptly refund the disallowed amount to City upon City's written request. At its option, City may offset all or any portion of the disallowed amount against any other payment due to OAKLAND hereunder or under any other Agreement with OAKLAND. Any such offset with respect to a portion of the disallowed amount shall not release OAKLAND from OAKLAND's obligation hereunder to refund the remainder of the disallowed amount.

3.12 **Sustainability.** Grant Funded programs that contain continuing personnel and operating expenses, over and above planning and implementation costs, must be sustained once the Grant Funding ends. If Equipment is purchased with grant funds the equipment must be sustained through the useful life of equipment. By executing this Agreement, OAKLAND acknowledges its responsibility and agrees to sustain continuing programs beyond the Grant Funding period. OAKLAND acknowledges and agrees that this sustainability requirement is a material term of the Agreement.

3.13 **EHP Requirements.**

(a) Grant Funded projects must comply with the federal Environmental and Historic Preservation ("EHP") program. OAKLAND shall not initiate any project with the potential to impact environmental or historic properties or resources until Cal OES and FEMA have completed EHP reviews and approved the project. Examples of projects that may impact EHP resources include: communications towers, physical security enhancements, new construction, and modifications to buildings, structures and objects that are 50 years old or greater. OAKLAND shall notify the UASI Management Team of any project that may require an EHP review. OAKLAND agrees to provide detailed project information to FEMA, Cal OES and/or the UASI Management Team, to cooperate fully in the review, and to prepare any documents requested for the review. OAKLAND shall comply with all conditions placed on the project as the result of the EHP review, and implement any treatment or mitigation measures deemed necessary to address potential adverse impacts. With prior approval of the UASI Management Team, OAKLAND may use Grant Funds toward the costs of preparing documents and/or implementing treatment or mitigation measures. Any change to the approved project scope of work will require re-evaluation for compliance with EHP requirements. If ground disturbing activities occur during project implementation, OAKLAND shall notify the UASI Management Team and ensure monitoring of ground disturbance. If any potential archeological resources are discovered, OAKLAND shall immediately cease

construction in that area and notify the UASI Management Team, which will notify the appropriate State Historic Preservation Office. If OAKLAND is using Grant Funds for a communication tower project, OAKLAND shall complete its Federal Communication Commission (“FCC”) EHP process before preparing its Cal OES/FEMA EHP materials, and shall include the FCC EHP materials in the Cal OES/FEMA submission.

(b) Any construction or other project that OAKLAND initiates without the necessary EHP review and approval will not be eligible for reimbursement. Failure of OAKLAND to meet federal, State, and local EHP requirements, obtain applicable permits, or comply with any conditions that may be placed on the project as the result of FEMA’s and/or Cal OES’s EHP review will result in the denial of Reimbursement Requests.

3.14 **National Energy Conservation Policy and Energy Policy Acts.** OAKLAND shall comply with the following requirements:

(a) Grant Funds may not be used in contravention of the Federal buildings performance and reporting requirements of Executive Order 13123, part 3 of Title V of the National Energy Conservation Policy Act (42 USC §8251 et seq.), or Subtitle A of Title I of the Energy Policy Act of 2005; and

(b) Grant Funds may not be used in contravention of Section 303 of the Energy Policy Act of 1992 (42 USC §13212).

3.15 **Royalty-Free License.** OAKLAND understands and agrees that FEMA reserves a royalty-free, non-exclusive and irrevocable license to reproduce, publish or otherwise use, and authorize others to use, for federal government purposes: (a) the copyright in any work developed using Grant Funds; and (b) any rights of copyright that OAKLAND purchases or acquires using Grant Funds. OAKLAND shall consult with the UASI Management Team and FEMA regarding the allocation of any patent rights that arise from, or are purchased with, Grant Funds.

3.16 **Publication Statements.** OAKLAND shall ensure that all publications created or developed under this Agreement prominently contain the following statement: “This document was prepared under a grant from the Federal Emergency Management Agencies Grant Programs Directorate (FEMA/GPD) within the US Department of Homeland Security. Points of view or opinions expressed in this document are those of the authors and do not necessarily represent the official position or policies of FEMA/GPD or the US Department of Homeland Security.”

ARTICLE 4 REPORTING REQUIREMENTS; AUDITS

4.1 **Regular Reports.** OAKLAND shall provide, in a prompt and timely manner, financial, operational and other reports, as requested by the UASI Management Team or by City, in form and substance satisfactory to the UASI Management Team or City. Such reports, including any copies, shall be submitted on recycled paper and printed on double-sided pages, to the maximum extent possible.

4.2 **Notification of Defaults or Changes in Circumstances.** OAKLAND shall notify the UASI Management Team and City immediately of (a) any Event of Default or event that, with the passage of time, would constitute an Event of Default; (b) any change of circumstances that would cause any of the representations or warranties contained in Article 5 to be false or misleading at any time during the term of this Agreement; and (c) any change of circumstances or events that would cause OAKLAND to be out of compliance with the Grant Assurances in Appendix B.

4.3 **Books and Records.** OAKLAND shall establish and maintain accurate files and records of all aspects of the Grant Plan and the matters funded in whole or in part with Grant Funds. Without limiting the scope of the foregoing, OAKLAND shall establish and maintain accurate financial books and accounting records relating to Authorized Expenditures and to Grant Funds received and expended under this Agreement, together with all invoices, documents, payrolls, time records and other data related to the matters covered by this Agreement, whether funded in whole or in part with Grant Funds. OAKLAND shall maintain all of the files, records, books, invoices, documents, payrolls and other data required to be maintained under this Section in a readily accessible location and condition for a period of not less than three (3) years after expiration of this Agreement or until any final audit by Cal OES has been fully completed, whichever is later.

4.4 **Inspection and Audit.** OAKLAND shall make available to the UASI Management Team and to City, and to UASI Management Team and City employees and authorized representatives, during regular business hours, all of the files, records, books, invoices, documents, payrolls and other data required to be established and maintained by OAKLAND under Section 4.3, and allow access and the right to examine those items. OAKLAND shall permit the UASI Management Team and City, and UASI Management Team and City employees and authorized representatives, to inspect, audit, examine and make excerpts and transcripts from any of the foregoing. The rights of the UASI Management Team and City pursuant to this Section shall remain in effect so long as OAKLAND has the obligation to maintain such files, records, books, invoices, documents, payrolls and other data under this Article 4. The DHS, the Comptroller General of the United States or designee, and Cal OES shall have the same inspection and audit rights as the City and UASI Management Team. OAKLAND shall cooperate with any federal or state audit.

4.5 **Audit Report.** If the amount specified in Section 3.2 of this agreement is \$750,000 or more, OAKLAND shall submit an organization-wide financial and compliance audit report. The audit must be performed in accordance with GAO's *Government Auditing Standards*, and 2 CFR Part 200 Subpart F - *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*. OAKLAND shall submit its audit report to the UASI Management Team no later than six months after the end of OAKLAND's fiscal year.

ARTICLE 5 REPRESENTATIONS AND WARRANTIES

OAKLAND represents and warrants each of the following as of the date of this Agreement and at all times throughout the term of this Agreement:

5.1 **No Misstatements.** No document furnished or to be furnished by OAKLAND to the UASI Management Team or to City in connection with this Agreement, any Reimbursement Request or any other document relating to any of the foregoing, contains or will contain any untrue statement of material fact or omits or will omit a material fact necessary to make the statements contained therein not misleading, under the circumstances under which any such statement shall have been made.

5.2 **Eligibility to Receive Federal Funds.** By executing this Agreement, OAKLAND certifies that it is eligible to receive federal funds, and specifically certifies as follows:

(a) OAKLAND is not suspended, debarred or otherwise excluded from participation in federal assistance programs, as required by Executive Order 12549 and 12689, "Debarment and Suspension" and implemented at 2 CFR Part 3000.

(b) OAKLAND complies with 31 U.S.C. §1352, *Limitation on use of appropriated funds to influence federal contracting and financial transactions*, as implemented at 44 CFR Part 18 and 6 CFR Part 9.

(c) OAKLAND complies with the Drug-Free Workplace Act of 1988, as amended, 41 U.S.C. §701 et seq., as implemented in 2 CFR Part 3001, and will continue to provide a drug-free workplace as required under that Act and implementing regulations.

(d) OAKLAND is not delinquent in the repayment of any federal debt. See OMB Circular A-129.

OAKLAND acknowledges that these certifications of eligibility to receive federal funds are material terms of the Agreement.

5.3 **NIMS Compliance.** To be eligible to receive Grant Funds, OAKLAND must meet National Incident Management System ("NIMS") compliance requirements, and report full NIMS compliance via the National Incident Management System Capability Assessment Support Tool ("NIMSCAST"). By executing this Agreement, OAKLAND certifies that it is in full NIMS compliance, and that it has reported that compliance via the NIMSCAST. OAKLAND shall provide documentation of its NIMS compliance to the UASI Management Team. OAKLAND acknowledges that this certification is a material term of the Agreement.

ARTICLE 6 INDEMNIFICATION AND GENERAL LIABILITY

6.1 **Indemnification.** OAKLAND shall indemnify, protect, defend and hold harmless each of the Indemnified Parties from and against any and all Losses arising from, in connection with or caused by OAKLAND's performance of this Agreement, including, but not limited to, the following: (a) a material breach of this Agreement OAKLAND; (b) a material breach of any representation or warranty of OAKLAND contained in this Agreement; (c) any personal injury or death caused, directly or indirectly, by any act or omission of OAKLAND or its employees, subgrantees or agents; (d) any loss of or damage to property caused, directly or indirectly, by any act or omission of OAKLAND or its employees, subgrantees or agents; (e) the use, misuse or failure of any equipment or facility used by OAKLAND, or by any of its employees, subgrantees or agents, regardless of whether such equipment or facility is furnished, rented or loaned to OAKLAND by an Indemnified Party; (f) any tax, fee, assessment or other charge for which OAKLAND is responsible under Section 10.4; or (g) any infringement of patent rights, copyright, trade secret or any other proprietary right or trademark of any person or entity in consequence of the use by any Indemnified Party of any goods or services furnished by OAKLAND or its employees, subgrantees or agents to such Indemnified Party in connection with this Agreement. The foregoing indemnity shall include, without limitation, reasonable fees of attorneys, consultants and experts and related costs and San Francisco's costs of investigating any claims against San Francisco.

6.2 **Duty to Defend; Notice of Loss.** OAKLAND acknowledges and agrees that its obligation to defend the Indemnified Parties under Section 6.1: (a) is an immediate obligation, independent of its other obligations hereunder; (b) applies to any Loss which actually or potentially falls within the scope of Section 6.1, regardless of whether the allegations asserted in connection with such Loss are or may be groundless, false or fraudulent; and (c) arises at the time the Loss is tendered to OAKLAND by the Indemnified Party and continues at all times thereafter. The Indemnified Party shall give OAKLAND prompt notice of any Loss under Section 6.1 and OAKLAND shall have the right to defend, settle and compromise any such Loss; provided, however, that the Indemnified Party shall have the right to retain its own counsel at the expense of OAKLAND if representation of such Indemnified Party by the counsel retained by OAKLAND would be inappropriate due to conflicts of interest between such Indemnified

Party and OAKLAND. An Indemnified Party's failure to notify OAKLAND promptly of any Loss shall not relieve OAKLAND of any liability to such Indemnified Party pursuant to Section 6.1, unless such failure materially impairs OAKLAND's ability to defend such Loss. OAKLAND shall seek the Indemnified Party's prior written consent to settle or compromise any Loss if OAKLAND contends that such Indemnified Party shares in liability with respect thereto.

6.3 **Incidental and Consequential Damages.** Losses covered under this Article 6 shall include any and all incidental and consequential damages resulting in whole or in part from OAKLAND's acts or omissions. Nothing in this Agreement shall constitute a waiver or limitation of any rights that any Indemnified Party may have under applicable law with respect to such damages.

6.4 **LIMITATION ON LIABILITY OF SAN FRANCISCO.** CITY'S OBLIGATIONS UNDER THIS AGREEMENT SHALL BE LIMITED TO THE AGGREGATE AMOUNT OF GRANT FUNDS ACTUALLY DISBURSED HEREUNDER. NOTWITHSTANDING ANY OTHER PROVISION CONTAINED IN THIS AGREEMENT OR ANY OTHER DOCUMENT OR COMMUNICATION RELATING TO THIS AGREEMENT, IN NO EVENT SHALL CITY BE LIABLE, REGARDLESS OF WHETHER ANY CLAIM IS BASED ON CONTRACT OR TORT, FOR ANY SPECIAL, CONSEQUENTIAL, INDIRECT OR INCIDENTAL DAMAGES, INCLUDING LOST PROFITS, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT, THE GRANT FUNDS, THE GRANT PLAN OR ANY ACTIVITIES PERFORMED IN CONNECTION WITH THIS AGREEMENT.

ARTICLE 7

EVENTS OF DEFAULT AND REMEDIES; TERMINATION FOR CONVENIENCE

7.1 **Events of Default.** The occurrence of any one or more of the following events shall constitute an "Event of Default" under this Agreement:

(a) **False Statement.** Any statement, representation, certification or warranty contained in this Agreement, in any Reimbursement Request, or in any other document submitted to the UASI Management Team or to City under this Agreement is found by the UASI Management Team or by City to be false or misleading.

(b) **Failure to Perform Other Covenants.** OAKLAND fails to perform or breaches any provision or covenant of this Agreement to be performed or observed by OAKLAND as and when performance or observance is due and such failure or breach continues for a period of ten (10) days after the date on which such performance or observance is due.

(d) **Voluntary Insolvency.** OAKLAND (i) is generally not paying its debts as they become due, (ii) files, or consents by answer or otherwise to the filing against it of, a petition for relief or reorganization or arrangement or any other petition in bankruptcy or for liquidation or to take advantage of any bankruptcy, insolvency or other debtors' relief law of any jurisdiction, (iii) makes an assignment for the benefit of its creditors, (iv) consents to the appointment of a custodian, receiver, trustee or other officer with similar powers of CONTR COSTA or of any substantial part of OAKLAND's property or (v) takes action for the purpose of any of the foregoing.

(e) **Involuntary Insolvency.** Without consent by OAKLAND, a court or government authority enters an order, and such order is not vacated within ten (10) days, (i) appointing a custodian, receiver, trustee or other officer with similar powers with respect to OAKLAND or with respect to any substantial part of OAKLAND's property, (ii) constituting an order for relief or approving a petition for

relief or reorganization or arrangement or any other petition in bankruptcy or for liquidation or to take advantage of any bankruptcy, insolvency or other debtors' relief law of any jurisdiction or (iii) ordering the dissolution, winding-up or liquidation of OAKLAND.

7.2 **Remedies upon Event of Default.** Upon and during the continuance of an Event of Default, City may do any of the following, individually or in combination with any other remedy:

(a) **Termination.** City may terminate this Agreement by giving a written termination notice to OAKLAND and, on the date specified in such notice, this Agreement shall terminate and all rights of OAKLAND hereunder shall be extinguished. In the event of such termination, City will pay OAKLAND for Authorized Expenditures in any Reimbursement Request that was submitted and approved by the UASI Management Team and by City prior to the date of termination specified in such notice.

(b) **Withholding of Grant Funds.** City may withhold all or any portion of Grant Funds not yet disbursed hereunder, regardless of whether OAKLAND has previously submitted a Reimbursement Request or whether the UASI Management Team and/or City has approved the disbursement of the Grant Funds requested in any Reimbursement Request. Any Grant Funds withheld pursuant to this Section and subsequently disbursed to OAKLAND after cure of applicable Events of Default shall be disbursed without interest.

(c) **Return of Grant Funds.** City may demand the immediate return of any previously disbursed Grant Funds that have been claimed or expended by OAKLAND in breach of the terms of this Agreement, together with interest thereon from the date of disbursement at the maximum rate permitted under applicable law.

7.3 **Termination for Convenience.**

(a) City shall have the option, in its sole discretion, to terminate this Agreement, at any time during the term hereof, for convenience and without cause. City shall exercise this option by giving OAKLAND written notice of termination. The notice shall specify the date on which termination shall become effective.

(b) Upon receipt of the notice, OAKLAND shall commence and perform, with diligence, all actions necessary on the part of OAKLAND to effect the termination of this Agreement on the date specified by City and to minimize the liability of OAKLAND and City to third parties as a result of termination. All such actions shall be subject to the prior approval of the UASI Management Team.

(c) Within 30 days after the specified termination date, OAKLAND shall submit to the UASI Management Team an invoice for all Authorized Expenses incurred through the termination date. For Authorized Expenses incurred after receipt of the notice of termination, City will only reimburse OAKLAND if the Authorized Expenses received prior approval from the UASI Management Team as specified in subparagraph (b).

(d) In no event shall City be liable for costs incurred by OAKLAND or any of its contractors or subgrantees after the termination date specified by City.

(e) City's payment obligation under this Section shall survive termination of this Agreement.

7.4 **Remedies Nonexclusive.** Each of the remedies provided for in this Agreement may be exercised individually or in combination with any other remedy available hereunder or under applicable laws, rules and regulations. The remedies contained herein are in addition to all other remedies available to City at

law or in equity by statute or otherwise and the exercise of any such remedy shall not preclude or in any way be deemed to waive any other remedy.

ARTICLE 8 ASSIGNMENTS

8.1 **No Assignment by OAKLAND.** OAKLAND shall not, either directly or indirectly, assign, transfer, hypothecate, subcontract or delegate all or any portion of this Agreement or any rights, duties or obligations of OAKLAND hereunder without the prior written consent of the UASI Management Team; provided, however, that any contractor or subgrantee specifically referenced in Appendix A shall not require the consent of Management Team. This Agreement shall not, nor shall any interest herein, be assignable as to the interest of OAKLAND involuntarily or by operation of law without the prior written consent of City. A change of ownership or control of OAKLAND or a sale or transfer of substantially all of the assets of OAKLAND shall be deemed an assignment for purposes of this Agreement.

8.2 **Agreement Made in Violation of this Article.** Any agreement made in violation of Section 8.1 shall confer no rights on any person or entity and shall automatically be null and void.

8.3 **OAKLAND Retains Responsibility.** OAKLAND shall in all events remain liable for the performance by any subgrantee contractor, or assignee of all of the covenants, terms and conditions in this Agreement.

ARTICLE 10 MISCELLANEOUS

10.1 **No Waiver.** No waiver by San Francisco of any default or breach of this Agreement shall be implied from any failure by the UASI Management Team or San Francisco to take action on account of such default if such default persists or is repeated. No express waiver by San Francisco shall affect any default other than the default specified in the waiver and shall be operative only for the time and to the extent therein stated. Waivers by San Francisco of any covenant, term or condition contained herein shall not be construed as a waiver of any subsequent breach of the same covenant, term or condition. The consent or approval by the UASI Management Team or San Francisco of any action requiring further consent or approval shall not be deemed to waive or render unnecessary the consent or approval to or of any subsequent similar act.

10.2 **Modification.** This Agreement may not be modified, nor may compliance with any of its terms be waived, except by written instrument executed and approved in the same manner as this Agreement; provided, however, that the General Manager or designee may establish alternate procedures for modification of the Appendix A and the Grant Plan.

10.3 **Governing Law; Venue.** The formation, interpretation and performance of this Agreement shall be governed by the laws of the State of California, without regard to its conflict of laws principles. 10.5 **Headings.** All article and section headings and captions contained in this Agreement are for reference only and shall not be considered in construing this Agreement.

10.9 **Successors; No Third-Party Beneficiaries.** Subject to the terms of Article 8, the terms of this Agreement shall be binding upon, and inure to the benefit of, the parties hereto and their successors and assigns. Nothing in this Agreement, whether express or implied, shall be construed to give any person or entity (other than the parties hereto and their respective successors and assigns and, in the case of Article 6, the Indemnified Parties) any legal or equitable right, remedy or claim under or in respect of this Agreement or any covenants, conditions or provisions contained herein.

10.10 **Survival of Terms.** The obligations of OAKLAND and the terms of the following provisions of this Agreement shall survive and continue following expiration or termination of this Agreement: Sections 4.3 and 4.4, Article 6, this Article 10, and the Grant Assurances of Appendix B.

10.11 **Further Assurances.** From and after the date of this Agreement, OAKLAND agrees to do such things, perform such acts, and make, execute, acknowledge and deliver such documents as may be reasonably necessary or proper and usual to complete the transactions contemplated by this Agreement and to carry out the purpose of this Agreement in accordance with this Agreement.

10.12 **Disclosure of Subawards and Executive Compensation.** Pursuant to the Federal Funding Accountability and Transparency Act (FFATA) (P.L. 109-282) as amended by Section 6202(a) of the Government Funding Transparency Act of 2008 (P.L. 110-252), full disclosure to the public of entities or organizations receiving federal funds is now required. (b) That such policies are primary insurance to any other insurance available to the Additional Insureds, with respect to any claims arising out of this Agreement, and that insurance applies separately to each insured against whom claim is made or suit is brought.

11.3 **Additional Requirements Regarding Workers' Compensation.** Regarding Workers' Compensation, OAKLAND hereby agrees to waive subrogation which any insurer of OAKLAND may acquire from OAKLAND by virtue of the payment of any loss. OAKLAND agrees to obtain any endorsement that may be necessary to effect this waiver of subrogation. The Workers' Compensation policy shall be endorsed with a waiver of subrogation in favor of the City for all work performed by the OAKLAND, its employees, agents and subcontractors.

11.4 **Additional Requirements for All Policies.** All policies shall provide thirty days' advance written notice to the City of reduction or nonrenewal of coverages or cancellation of coverages for any reason. Notices shall be sent to the City address in Article 9, Notices and Other Communications.

11.5 **Required Post-Expiration Coverage.** Should any of the required insurance be provided under a claims-made form, OAKLAND shall maintain such coverage continuously throughout the term of this Agreement and, without lapse, for a period of three years beyond the expiration of this Agreement, to the effect that, should occurrences during the Agreement term give rise to claims made after expiration of the Agreement, such claims shall be covered by such claims-made policies.

11.6 **General Annual Aggregate Limit/Inclusion of Claims Investigation or Legal Defense Costs.** Should any of the required insurance be provided under a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defense costs be included in such general annual aggregate limit, such general annual aggregate limit shall be double the occurrence or claims limits specified above.

11.7 **Lapse in Insurance.** Should any required insurance lapse during the term of this Agreement, requests for reimbursement originating after such lapse may not be processed, in the City's sole discretion, until the City receives satisfactory evidence of reinstated coverage as required by this Agreement, effective as of the lapse date. If insurance is not reinstated, the City may, at its sole option, terminate this Agreement effective on the date of such lapse of insurance.

11.8 **Evidence of Insurance.** Before commencing any operations or expending any Grant Funds under this Agreement, OAKLAND shall furnish to City certificates of insurance and additional insured policy endorsements with insurers with ratings comparable to A-, VIII or higher, that are authorized to do business in the State of California, and that are satisfactory to City, in form evidencing all coverages set forth above. Failure to maintain insurance shall constitute a material breach of this Agreement.

11.9 **Effect of Approval.** Approval of the insurance by City shall not relieve or decrease the liability of OAKLAND hereunder.

11.10 **Insurance for Subcontractors and Evidence of this Insurance.** If a subcontractor or subgrantee will be used to complete any portion of this Agreement, OAKLAND shall ensure that the subcontractor or subgrantee shall provide all necessary insurance and shall name the City and County of San Francisco, its officers, agents and employees and the OAKLAND as additional insureds.

11.11 **Authority to Self-Insure.** Nothing in this Agreement shall preclude OAKLAND from self-insuring all or part of the insurance requirement in this Article. However, OAKLAND shall provide proof of self-insurance, in a form acceptable to San Francisco, in the amounts of each line of self-insurance.

12.4 **Prohibition on Political Activity with City Funds.** In accordance with San Francisco Administrative Code Chapter 12G, OAKLAND may not participate in, support, or attempt to influence any political campaign for a candidate or for a ballot measure (collectively, "Political Activity") in the performance of the services provided under this Agreement. OAKLAND agrees to comply with San Francisco Administrative Code Chapter 12G and any implementing rules and regulations promulgated by San Francisco's Controller. The terms and provisions of Chapter 12G are incorporated herein by this reference. In the event Contractor violates the provisions of this section, San Francisco may, in addition to any other rights or remedies available hereunder, (i) terminate this Agreement, and (ii) prohibit OAKLAND from bidding on or receiving any new City contract for a period of two (2) years. The Controller will not consider OAKLAND's use of profit as a violation of this section.

12.5 **Submitting False Claims; Monetary Penalties.** Pursuant to San Francisco Administrative Code §21.35, any contractor, subcontractor or consultant who submits a false claim shall be liable to the City for the statutory penalties set forth in that section.
