### SUMMARY

A resolution has been prepared authorizing the City Administrator, on behalf of the City of Oakland, to accept and appropriate grant funds in an amount not to exceed \$6,789 from the U.S. Department of Justice, Bureau of Justice Assistance, Bulletproof Vest Partnership grant program, and appropriate said funds to the Police Department.

### FISCAL IMPACT

It is anticipated that the Department will receive federal grant funds in an amount not to exceed \$6,789 to supplement the cost of the Police Department's purchase of bulletproof vests. Revenues and appropriations will be allocated in the Federal Grant Fund: 2112, Training Division Org.: 103430, Training Division Program: PS09, in a Project Account to be determined. The program will be managed by the Training Division Section Commander.

The Bulletproof Vest Partnership Grant program reimburses up to fifty percent (50%) of the cost of bulletproof vests purchased by the City of Oakland. Payment of federal funds can be requested whenever vests are needed. A payment request automatically calculates and transfers half of the total reported vest cost until the City's entire award is depleted. The City's share of funding for bulletproof vests will come from the City's Workers' Comp program as part of the Ergonomics Program.

### BACKGROUND

The Bulletproof Vest Grant Acts of 1998 (Public Law 105-181) and 2000 (Public Law 106-517) assist States, units of local government, and Indian Tribes in obtaining funds to purchase ballistic and stab resistant vests for their law enforcement officers. The Bulletproof Vest Partnership (BVP) Grant Acts of 1998 and 2000 provide funding priority for jurisdictions with populations

under 100,000. Larger jurisdictions, such as Oakland, are awarded funds up to 50% of total vest costs, based on remaining funds.
