CITY OF OAKLAND
AGENDA REPORT

TO: Office of the City Administrator
ATTN: Dan Lindheim
FROM: Department of Human Resources Management
DATE: October 19, 2010

RE: **Supplemental Report to the Proposed Resolution Recommending to the Civil Service Board that Certain Management Classifications Be Exempted from Civil Service**

SUMMARY

This supplemental report provides an update to the side letter agreement between the City and the International Federation of Professional and Technical Engineers, Local 21 (*Attachment C* to the supplemental report of October 12, 2010) regarding the mutual agreement of which classifications to include in bargaining unit UM1 and to recommend for exemption. Also listed on that document are classifications that the City's administration and Local 21 agreed would be moved to bargaining unit UM2 and would not be recommended for exemption. However, after discussions following the completion of the side letter, one classification, Principal Civil Engineer, has been moved off of the UM2 list and onto the list of classifications for further discussion to determine its eligibility for exemption.

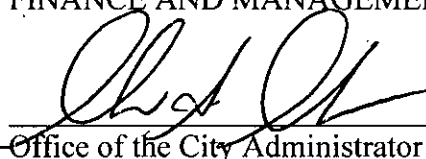

Respectfully submitted,

Andrea Gourdine, Director
Department of Human Resources Management
