SUBJECT: Delinquent Business Taxes

COUNCIL DISTRICT: City-Wide

## RECOMMENDATION

Staff recommends that the City Council adopt the resolution accepting and confirming reports of the City Administrator on the costs incurred by the City of Oakland for delinquent business taxes and confirming the recordation of liens, administrative charges and assessment charges as necessary – pursuant to Title 5, Chapter 5.04 of the Oakland Municipal Code, and directing the notice of lien and assessment charges to be turned over to the County Tax Collector for collection.

## EXECUTIVE SUMMARY

Pursuant to Chapter 5.04 of the Oakland Municipal Code, all businesses operating within the City, with some specific exceptions, are subject to a Business Tax based on their classification of business activity. Taxes not paid in a timely manner are subject to penalties and interest. Delinquent accounts are subject to various collection enforcement actions including filing a lien against their real property.

On May 8, 2012, staff held an administrative hearing for delinquent Business Taxes to hear protests and resolve any inconsistencies or inequities raised by property owners regarding the non-payment of Business Taxes prior to the public hearing before the City Council. The administrative and public hearings are held only after all other procedural means to resolve unpaid Business Taxes have been exhausted.

Based on the outcome of the administrative hearing, staff is requesting placement of Business Tax liens on three thousand forty-two (3,042) parcels/properties. A public hearing has been scheduled for June 19, 2012, and a resolution has been prepared confirming the placement of liens on three thousand forty-two (3,042) properties and authorizing the subsequent assessment for all fees and charges, should the liens remain unpaid at the time of the City's submission to the County Assessor.

## OUTCOME

The liens will be recorded against three thousand forty-two (3,042) parcels. The parcels' delinquencies represent \$2,041,030.75 in past due Business Taxes. Failure to place liens to recover the delinquent taxes will result in a loss of \$2,193,130.75 in revenues to the General Purpose Fund. The additional revenues of \$152,100.00 are derived from the \$50 administrative fee per lien for the three thousand forty-two (3,042) properties.

## BACKGROUND/LEGISLATIVE HISTORY

Pursuant to Chapter 5.04 of the Oakland Municipal Code, staff cross-referenced Alameda County Assessor data with the Business Tax System data to identify potential non-compliant/delinquent business operators owning various types of properties. During a review and assessment process, forty-three hundred thirty-seven (4,337) property owners were notified to address delinquent Business Taxes determined to be owed to the City. An administrative hearing for delinquent Business Taxes was held on May 8, 2012 to hear protests and to resolve any inconsistencies or inequities raised by the property owners regarding the non-payment of Business Taxes. Property owners were given the opportunity to appeal their cases in this administrative process. Twelve hundred ninety-five (1,295) properties were deleted from the list through the administrative hearing process, payments and/or account closures. The remaining three thousand forty-two (3,042) non-responders were notified of the City's intent to record a lien against their property; these remaining parcels are subject to lien.

Following the administrative hearing, the Revenue and Tax Administrator filed with the City Administrator a written notice of those persons on whom the City will file liens for unpaid taxes, penalties, interest and other charges. If these amounts remain unpaid or unresolved after the public hearing by the City Council, the City Council shall authorize by resolution the recordation of liens on the subject properties for costs incurred for delinquent Business Taxes and added administrative and assessment charges. The delinquent charges and assessments shall constitute a special assessment against said property, and shall be collected at such time as is established by the County Assessor for inclusion in the next property tax assessment.

The public hearing is scheduled for June 19, 2012. A resolution is prepared confirming the placement of liens on three thousand forty-two (3,042) properties and authorizing the subsequent assessment for all fees and charges.

## ANALYSIS

Property owners owe delinquent Business Taxes and administrative fees to the City for accounts not resolved at the May 8, 2012 administrative hearing as shown in the *attached list*. If the City fails to place liens to recover the delinquent taxes, the General Purpose Fund may potentially lose estimated revenues totaling \$2,041,030.75 and administrative fees totaling \$152,100.00, creating a grand total of \$2,193,130.75 for this period.
