Routes

The ELF team made a focus of scouting new areas to service while maintaining a steady baseline in the areas observed to be hit the hardest. Districts 2, 3, and 5 continue to be the areas in most need of service, but we have identified blocks in Districts 1, 4, 6 and 7 that need service, in particular San Pablo Ave from 54th to 61st (D1), Seminary Ave (D4), Foothill Blvd & Bancroft (D6), and International Blvd (D7).

Covid-19

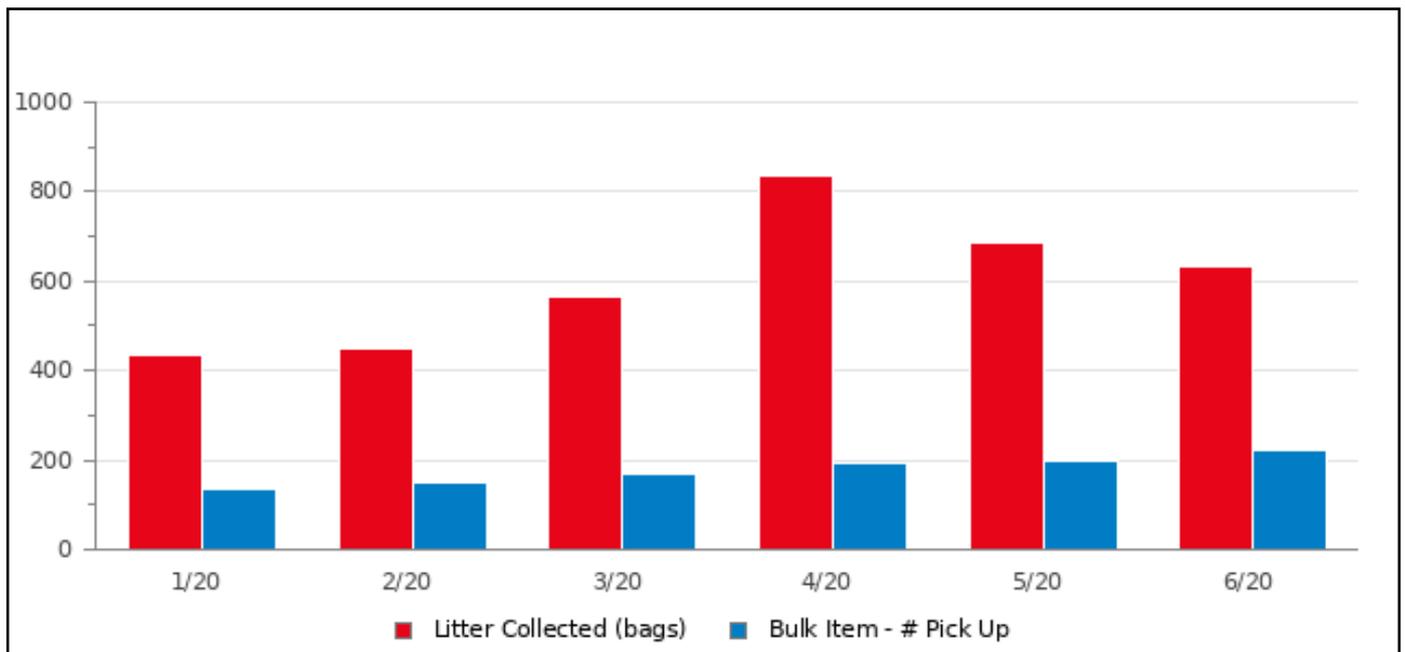

The ELF team encountered a noticeable spike in litter during the 2nd quarter in large part due to the Covid-19 pandemic. We have also instituted numerous safety protocols to insure safety of staff and the public we serve.
