AGENDA REPORT

TO: Sabrina B. Landreth
City Administrator

FROM: Ryan Russo
Director, DOT

SUBJECT: On-Call Civil Engineering
Services (Non-Federal)

DATE: October 22, 2018

City Administrator Approval

Date:

11/20/18

RECOMMENDATION

Staff Recommends That The City Council:

1. **Adopt A Resolution Authorizing The City Administrator Or Designee To Execute Professional Services Agreements For On-Call Civil Engineering Services With Two (2) Firms For Five Hundred Thousand Dollars (\$500,000) Each With: 1) Aliquot Associate Inc., And 2) Kimley Horn; And**
2. **Adopt A Resolution Authorizing The City Administrator Or Designee To Execute Professional Services Agreements For On-Call Civil Engineering Services With Seven (7) Firms For Two Million and Five Hundred Thousand Dollars (\$2,500,000) Each With: 1) AGS Inc., 2) Alta Planning + Design, 3) BKF Engineering Group, 4) Diablo Engineering Group, 5) Urban Design Consulting Engineers, 6) WHM Corporation, 7) Wood Rodgers Inc.**

EXECUTIVE SUMMARY

Approval of both resolutions will authorize the City Administrator to execute On-Call Civil Engineering professional services agreements in the amount of Five Hundred Thousand Dollar (\$500,000) each with Aliquot Associate Inc. and Kimley Horn; and in the amount of Two Million and Five Hundred Thousand Dollars (\$2,500,000) with: 1) AGS Inc., 2) Alta Planning + Design, 3) BKF Engineering Group, 4) Diablo Engineering Group, 5) Urban Design Consulting Engineers, 6) WHM Corporation, 7) Wood Rodgers Inc. for a period of three (3) years. The professional services agreements are needed to provide On-Call Civil Engineering services to assist the Department of Transportation (DOT) and other City departments in planning, design and engineering, and community engagement in delivering the City funded capital improvement projects. Funds will be identified prior to execution of each task order.

Item: _____
Public Works Committee
December 4, 2018

BACKGROUND/LEGISLATIVE HISTORY

The Oakland Department of Transportation (OakDOT), Great Street Delivery Division performs planning and design for the City capital improvement projects. The On-Call Civil Engineering professional services agreements are needed to assist OakDOT and other departments and divisions with various Civil Engineering projects. Professional services may include but are not limited to streetscape projects, roadway design, road diets, intersection design, storm drain systems, sewer systems and pump stations. The on-call services allow projects to be completed and delivered expeditiously without issuing individual Request for Proposal (RFP).

In June 2018, OakDOT issued a Request for Qualifications (RFQ) to provide On-Call Civil Engineering services in accordance with Oakland Municipal Code, OMC Chapter 2.04.051. A two-tier pre-qualification process was utilized to increase the small business participation. Each Tier I contract is for \$500,000 and each Tier II contract is for \$2,500,000. The duration of each contract is three (3) years.

ANALYSIS AND POLICY ALTERNATIVES

With the passage of Measure BB, SB1, and Measure KK, as well as an influx of additional grant funding, the City is in need of engineering services to support, design, and deliver projects. The On-Call Civil Engineering Services contracts will provide the means for delivering project and improvements in timely and cost effective manner.

The RFQ for On-Call Civil Engineering Services is a part of a much larger coordinated effort to invite firms to provide professional and technical services to the City of Oakland on two (2) federally funded engineering disciplines and six (6) non-federal funded engineering disciplines.

The two Federal disciplines are for:

- (1) Civil Engineering
- (2) Structural Engineering

The six non-Federal disciplines are for:

- (1) **Civil Engineering (*the subject of this report*)**
- (2) Geotechnical Engineering
- (3) Transportation Engineering and ITS
- (4) Plan Review, Permitting and Field Inspection
- (5) Land Surveying
- (6) Construction Management.

The contract capacity and overall need for each of these disciplines was calculated based both on existing projects in early development, as well as future projects on the horizon.

On July 27, 2018, City Contract Services received Statement of Qualification (SOQ) from three (3) firms for Tier I and fifteen (15) firms for Tier II. Three (3) of the Tier II firms did not meet the

City's Local Business Enterprise/Small Local Business Enterprise (LBE/SLBE) requirements which were deemed non-responsive. The remaining fifteen (15) firm submittals which include three (3) Tier I firms and twelve (12) Tier II firms met or exceeded the City's 50% LBE/SLBE participation requirement and were considered for further evaluation. All selected firms are required to be EBO compliant prior to contract execution. The information has been verified by the Social Equity Contract Compliance Memorandums and are provided in **Attachment A** for Tier I and **Attachment B** for Tier II.

The Contracts and Compliance Division of the City Administrator's Office determined that three (3) firms below did not meet the City's local contracting programs including LBE/SLBE participation.

- Mark Thomas, did not meet the 50% LBE/SLBE requirement
- Parsons Transportation Group, did not meet the 50% LBE/SLBE requirement
- Schaaf & Wheeler, did not meet the 25% SLBE requirement

The following fifteen (15) firms were considered for further evaluation. The list is written in alphabetical order:

Tier I Firms

- Activewayz Engineering Inc.
- Aliquot Associates Inc.
- Kimley Horn

Tier II Firms

- AGS, Inc.
- Alta Planning + Design
- Arup North America, Ltd.
- BKF Engineering Group
- Diablo Engineering Group
- Kal Krishnan
- Langan Engineering Inc.
- Telamon Engineering Consultants
- Urban Design Consulting Engineers
- WHM Corporation
- Wood Rodger, Inc.
- WRECO

A panel of four (4) professionals with experience in the scope services and project typologies identified in the RFQ evaluated the submittals. The following evaluation criteria were used as set forth in the RFQ:

- Experience;
- Qualifications;
- Organization and Responsiveness; and
- Approach.

Based on the panel's evaluation results, contract requirements, and contract capacity needs, a recommendation was made for the most qualified firms to provide the needed on-call civil engineering services. Each of these selected firms clearly demonstrated their understanding of the scope and requirements in their submittals.

The following firms are recommended for contracts, in alphabetical order:

Tier I Firm

- Aliquot Associates Inc. (Oakland based)
- Kimley Horn (Oakland based)

Tier II firms

- AGS, Inc. (Oakland based)
- Alta Planning + Design (Oakland based)
- BKF Engineering Group (Oakland based)
- Diablo Engineering Group (Oakland based)
- Urban Design Consulting Engineers (Oakland based)
- WHM Corporation (Oakland based)
- Wood Rodgers, Inc. (Oakland based)

As projects arise, the City will request on-call consultants with the appropriate expertise to submit proposals for the project that includes a scope of work, schedule for completion, and fee. The City will evaluate the proposals on a qualification basis, select a consultant, negotiate, and assign a Task Order. The on-call contracts are not for a specific project. No minimum amount of work is implied or guaranteed, and no appropriation is made as a result of this action. Individual task orders will vary but in no case will exceed the approved contract amounts.

FISCAL IMPACT

Since this set of on-call contracts represents a proactive plan to bring on resources that are projected to be needed, specific projects, studies, and associated funding sources are not yet identified. Overall these services will be needed for delivery of projects citywide funded by local and non-federal funds, such as Measure B, Measure BB, Measure KK and ACTC CIP Program. The approval of these resolutions will not result in additional appropriation of funds. Funds will be identified prior to execution of each task order.

PUBLIC OUTREACH / INTEREST

In June 2018, OakDOT reached out to various local, ethnic, minority, and disadvantaged communities in Oakland, and encouraged them to participate in the RFQ process. This included contacting the Oakland African American Chamber of Commerce, National Organization of Minority Architects (SF-NOMA), Bay Area Black Professional Organizations, Hispanic Engineers Builders and Contractors of California, and the Regional Technical Training Center (RTTC). Outreach materials are provided in **Attachment C**. Additionally, staff provided notice to labor

representatives, per the terms and conditions of the current Memorandums of Understanding with Local 21, Service Employee International (SEIU) 1021, and International Brotherhood of Electrical Workers (IBEW) prior to the formal issuance of the RFQ.

A legal advertisement for the RFQ was posted on June 15, 2018. The RFQ was formally advertised in a total of eleven (11) newspapers in various languages to reach as many local firms as possible. This included the San Francisco Chronicle, East Bay Times, Oakland Post, East Bay Express, World Journal, El Mundo, La Opinion Del La Bahia, Vision Hispana, Sing Tao, The Korea Times, and Nhat Bao Cali Today. The City's web-based procurement system, iSupplier and CIPLIST.com were utilized for distribution of the RFQ with documents available free of charge online.

COORDINATION

This report and legislation have been reviewed by the Office of the City Attorney and the Budget Bureau. The Contracts and Compliance Division of the City Administrator's Office provided the compliance analysis of firms.

PAST PERFORMANCE, EVALUATION AND FOLLOW-UP

All nine (9) firms selected through the process are certified local firms. Eight (8) of these firms have worked with the City through past or existing on-call contracts or were selected through RFP process for different City projects. WHM is a local firm that has not worked on City projects in the past, but has significant expertise on similar City projects.

SUSTAINABLE OPPORTUNITIES

Economic: The contracts will generate business tax, sales tax, and other revenues for the City by those firms who work on the projects. Local, Oakland-based businesses will be utilized in the construction of many of these projects and will benefit directly.

Environmental: Projects completed under these contracts will help reduce congestion and air pollution by shifting travel mode away from single occupancy vehicles and towards transit, walking, and biking.

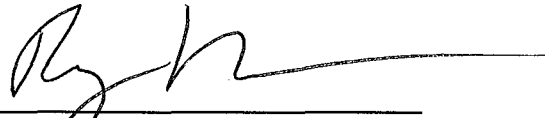

Social Equity: Projects completed under these contracts will provide greater mobility, accessibility and safety to all modes of transportation including non-motorized modes, and will support persons with disabilities and children, to access jobs, recreational facilities and other services. In addition, projects are selected and prioritized with an equity lens within the relative framework of their respective programs. Consultants will be required to design City improvements in compliance with the physical access requirements of applicable accessibility codes and the Americans with Disabilities Act.

ACTION REQUESTED OF THE CITY COUNCIL

Staff Recommends That The City Council Adopt Two Resolutions Authorizing The City Administrator Or Designee To Execute Professional Services Agreements For On-Call Civil Engineering Services With (9) Firms For Five Hundred Thousand Dollar (\$500,000) each with: 1) Aliquot Associate Inc.; and 2) Kimley Horn; And For Two Million and Five Hundred Thousand Dollars (\$2,500,000) each with; 1) AGS Inc., 2) Alta Planning + Design, 3) BKF Engineering Group, 4) Diablo Engineering Group, 5) Urban Design Consulting Engineers, 6) WHM Corporation, 7) Wood Rodgers Inc.

For questions regarding this report, please contact Mohamed Alaoui, P.E., Department of Transportation, Great Streets Delivery Division Manager, at (510) 238-3469.

INTER OFFICE MEMORANDUM

TO: Mohammad Barati,
Civil Engineer

FROM: Deborah Barnes, Director,
Contracts and Compliance

SUBJECT: Compliance Analysis
Request for Qualifications (RFQ)
for On-Call Civil Engineering 2018—Tier I

DATE: August 10, 2018

The City Administrator's Office, Contracts and Compliance Unit conducted a compliance review of three (3) proposals in response to the above referenced project. Below is the outcome of the compliance evaluation for the minimum 50% Local and Small Local Business Enterprise (L/SLBE) participation requirement. In addition, firms are reviewed for compliance with the Equal Benefits Ordinance (EBO).

Responsive to EBO and L/SLBE Policies	Proposed Participation					Earned Credits and Discounts				EBO Compliant? Y/N
	Company Name	Total LBE/SLBE	LBE	SLBE	*VSLBE	Total Credited participation	L/SLBE Participation Preference Points	Years in Oakland Preference Points	Oakland Workforce Preference Points	
Activewayz Engineering, Inc.	100.00%	10.00%	0.00%	90.00%	100.00%	5.0 pts.	0.0 pts.	0.0 pts.	5.0 pts	Y

CITY OF OAKLAND

REQUEST FOR QUALIFICATIONS FOR VARIOUS ON-CALL TECHNICAL SERVICES 2018

June 2018

DESCRIPTION: The City seeks to establish multiple on-call professional services contracts to provide technical services under six disciplines: (1) Civil Engineering, (2) Geotechnical Engineering, (3) Transportation Engineering and Intelligent Transportation Systems, (4) Plan Review, Permitting and Field inspection, (5) Land Surveying, and (6) Construction Management. Prime consultants may submit a Statement of Qualifications (SOQ) on one or more disciplines. Firms offering unique or specialized services and resources are encouraged to apply as either prime consultant or as subconsultant.

The City is anticipating a record increase in funded projects over the next few years, through new means including Measure B, Measure BB, Measure KK and new grant funds. With these new opportunities, there will be a greater need for consulting support and new opportunities for local firms. It is a priority for the City that local business owners are able to benefit from these opportunities. The City encourages all interested firms to apply, and will assist firms to navigate the certification process to be eligible for these contracts. Certification typically takes 2 to 3 weeks, and staff are prepared to work directly with any firm that requests assistance.

VOLUNTARY PRE-SUBMITTAL MEETING and Optional SUPPLIER & LBE/SLBE WORKSHOPS
Thursday, June 28, 2018

*(Exact schedule and location are announced at the ciplist.com link below;

Department of
Transportation

2018 NOV 20 PM 12: 36 RESOLUTION No. _____ C.M.S.

**RESOLUTION AUTHORIZING THE CITY ADMINISTRATOR OR
DESIGNEE TO EXECUTE PROFESSIONAL SERVICES AGREEMENTS
FOR ON-CALL CIVIL ENGINEERING SERVICES (NON-FEDERAL) IN
THE AMOUNT OF FIVE HUNDRED THOUSAND DOLLARS (\$500,000)
EACH WITH: 1) ALIQUOT ASSOCIATE INC., AND 2) KIMLEY HORN**

WHEREAS, on-call civil engineering services are needed to assist the Department of Transportation in delivering funded capital improvement projects expeditiously in response to the influx of grant and Measure KK funding; and

WHEREAS, the City's current staffing capacity is insufficient to deliver much needed capital improvement projects; and

WHEREAS, on-call professional services provide various engineering services to support capital improvement projects; and

WHEREAS, on June 15, 2018, the City issued a Request for Qualifications (RFQ) for On-Call Civil Engineering Services and three (3) firms under Tier I and fifteen (15) firms under Tier II submitted Statement of Qualifications (SOQ); and

WHEREAS, three (3) firms under Tier I and twelve (12) firms under Tier II met or exceeded the City Local Business Enterprise/Small Local Business Enterprise (LBE/SLBE) requirements and were considered for further evaluation; and

WHEREAS, three (3) firms in Tier II did not meet the City (LBE/SLBE) requirement and were deemed non-responsive; and

WHEREAS, the SOQ for three (3) Tier I and twelve (12) Tier II firms were evaluated by a panel of four (4) professionals with experience in the scope and typologies identified in the RFQ; and

WHEREAS, based on panel's evaluation, contract requirement, and contract capacity needs two (2) firms in Tier I and seven (7) firms in Tier II have been selected for recommendation to be awarded with professional services agreements to provide on-call civil engineering services; and

WHEREAS, on-call civil engineering services will be funded through various individual projects and funds will be identified prior to the performance of the on-call services; and

WHEREAS, the City Council finds that the services provided pursuant to the agreements authorized hereunder are of a professional, scientific, or technical nature and are temporary in nature; and

WHEREAS, the City Council finds that the agreements shall not result in the loss of employment or salary by any person having permanent status in the competitive services; now, therefore be it

RESOLVED, That The City Council Adopt A Resolution Authorizing The City Administrator Or Designee To Execute Professional Services Agreement For On-Call Civil Engineering Services (Non-Federal) In The Amount Of Five Hundred Thousand Dollar (\$500,000) each with: 1) Aliquot Associate Inc.; and 2) Kimley Horn; and be it

FURTHER RESOLVED, That the terms of each agreement shall be executed for a three (3) year duration; and be it

FURTHER RESOLVED, That the City Administrator, or designee, is hereby authorized to approve any subsequent amendments to or extensions of said agreements, provided that such amendments or extensions shall be approved for form and legality by the City Attorney and a copy shall be kept on file with the City Clerk.
