NOTICE AND DIGEST

**AN ORDINANCE AMENDING TITLE 10.36 (PARKING METER ZONES) OF THE OAKLAND MUNICIPAL CODE TO ESTABLISH FLEXIBLE PARKING ZONES, AMENDING TITLE 10.44.050 (DESIGNATION OF A RESIDENTIAL PERMIT PARKING AREA), AND, AMENDING ORDINANCE NUMBER 13184 C.M.S. (THE FY 2013-14 MASTER FEE SCHEDULE) TO ESTABLISH AND MODIFY FEES ASSESSED FOR ON-STREET AND OFF-STREET PARKING, IN ORDER TO FACILITATE A FLEXIBLE PARKING ZONE PROGRAM**

This ordinance augments the Oakland Municipal Code and the Master Fee Schedule by creating a new on-street parking category of Flexible Parking Meter Zone within the City's existing approved parking meter zones, in which parking meter rates may be set between fifty cents and three dollars per hour. The ordinance establishes that the rate will be set within that range based on the observed demand for parking, with the goal of achieving an average occupancy rate of approximately 85% during peak hours. The geographic boundaries of Flexible Parking Zones are not established within the ordinance, but by separate resolution. The ordinance also changes the fees on certain metered off-street lots to be set at a maximum of \$2 per hour. In addition, the ordinance stipulates a change to the designation of Residential Permit Parking (RPP) Areas in the vicinity of the adopted Montclair Flexible Parking District, allowing the six adjacent block front requirement to establish an RPP district to be met by any six blocks that are adjacent to each other or to city blocks within parking district.
