RECOMMENDATION

Staff Recommends That City Council Adopt A Resolution Confirming The Annual Report Of The Montclair Business Improvement District Advisory Board And Levying The Annual Assessment For The Montclair Business Improvement District For Fiscal Year 2017-2018

EXECUTIVE SUMMARY

State enabling legislation, requires that merchant-based business improvement districts (BIDs) receive City Council's approval before levying each fiscal year's assessment. Therefore, for the Montclair BID to collect its Fiscal Year (FY) 2017-2018 assessment, City Council would need to adopt the attached resolution to levy the FY 2017-2018 Montclair BID assessment. The attached resolution also confirms the district's annual report to the City.

If the proposed assessment is approved, the Montclair BID will generate an estimated \$87,895 of special assessment revenues in FY 2017-2018. Funds will be used to pay for special benefit services outlined in the Montclair BID District Management Plan (the "Plan") on file with the Office of the City Clerk and the attached annual report (attached as **Exhibit A** to the Resolution), prepared and submitted by the Montclair Village Association, the district's City Council appointed advisory board. Key services include, but are not limited to, enhanced cleaning and public safety services, including private security services; district beautification, including installation and maintenance of decorative banners and benches; special seasonal events such as spring and summer Jazz & Wine Festivals, and the Montclair Village Holiday Stroll; and marketing and promotion activities such as internet advertising and maintenance of a district website.

BACKGROUND / LEGISLATIVE HISTORY

Sections 36500 *et seq* of California Streets and Highway Code provides for the formation of business and property-based assessment districts. Pursuant to this legislation, on November 9,

Item: _____
City Council
December 13, 2016

1999, the Oakland City Council approved Resolution No. 75323 C.M.S., which initiated a City of Oakland Neighborhood Business Improvement District (NBID) Program to provide technical assistance to qualified stakeholder groups to explore the feasibility of forming a Business Improvement District (BID) within their respective commercial neighborhood(s). Pursuant to these efforts Ordinance No. 12378 C.M.S. was passed by City Council on November 27, 2001 to establish the Montclair BID.

Streets and Highways Code Division 18 (commencing with section 26500) also requires that merchant-based business improvement districts (BIDs) receive City Council's approval before levying each fiscal year's assessment. Therefore, to enable the Montclair BID to collect its Fiscal Year (FY) 2017-2018 assessment, the City Council adopted, on November 29, 2016, a Resolution of Intention (ROI) to levy the FY 2017-2018 Montclair BID assessment, approve the district's annual report, and schedule a related public hearing for December 13, 2016. Adoption of the ROI was a prerequisite to City Council's consideration of the attached Resolution to approve the FY 2017-2018 assessment. The related public hearing must take place no less than 10 days and no more than 30 days after adoption of the ROI. Following the public input portion of the hearing City Council will take final action on the proposed levy.

The billing period for the proposed assessment will be January 1, 2017 through December 31, 2017 and services to be paid for by the above billing and collections will also occur on a January 1, 2017 through December 31, 2017 fiscal year basis, per the attached proposed budget (Exhibit A to the Resolution of Intention).

If the City Council approves the proposed FY 2017-2018 assessment, the Montclair BID will generate an estimated \$87,895 of special assessment revenues, which is the same as in FY 2016-2017.

The assessment is based on two variables that include business gross receipts and business type.

The annual report does not propose any changes to the boundaries of the district or to the method and basis of levying the assessment approved by the City Council for FY 2016-2017.

If Council approves the proposed levy, assessments will be collected and expended in accordance with the District Management Plan (the "Plan") on file with the Office of the City Clerk and the attached annual report (attached as **Exhibit A** to the attached Resolution) submitted by the Montclair Village Association, the district's City Council appointed advisory board.

Other BIDs (also known as Community Benefit Districts, or, CBDs) successfully formed within the City of Oakland include those located within the Rockridge (established 2000), Fruitvale (established 2001, renewed in 2006 and 2011), Lakeshore/Lake Park (established 2002, renewed in 2012), Temescal/Telegraph Avenue (established 2004, renewed in 2014), Laurel (established 2005, renewed in 2015), Koreatown/Northgate (established 2007), Lake Merritt/Uptown (established 2008), Downtown Oakland (established 2008) and Jack London

(established 2013) commercial neighborhoods. BIDs are generally recognized as supporting the goals of comprehensive economic development strategies in various cities throughout the United States and designated international countries (e.g. Italy, South Africa, United Kingdom, etc.).

Revenues generated by BIDs are used to provide a variety of special benefit improvements and services beyond those already provided by the local municipality. Examples of BID-funded special benefits include, but are not limited to, enhanced maintenance, public safety, as well as marketing and promotion services within affected districts. Enhanced services of this type are intended to support increased sales and business tax revenues as well as increased job opportunities and economic vitality of affected commercial neighborhoods.

ANALYSIS AND POLICY ALTERNATIVES

There is no anticipated adverse impact associated with the approval of the proposed resolution. Adoption of the attached resolution will approve the FY 2017-2018 special assessment for the Montclair BID. The special benefit services provided by the BID aim to support the economic vitality of the corresponding commercial neighborhood.

Since BIDs are self-initiated, self-funded, and self-administered entities, there are no anticipated fiscal impacts for the City associated with continuance of the above-referenced BID. Given the approximate \$87,895 of private funds that will be generated to support continued economic development within the affected district, the project merits consideration of City Council support.

The Montclair BID encompasses approximately 218 businesses located in and around the Montclair commercial area and estimates an upcoming annual budget of approximately \$147,035, which includes \$87,895 of projected assessments to be collected in FY 2017-2018, \$4,500 of carryforward from the prior fiscal year, and \$54,640 of income generated from various other Montclair BID activities and events, as reported in **Exhibit A** to the attached resolution

FISCAL IMPACT

No new fiscal impact is anticipated to the City. The Montclair BID is a self-funded, self-administered entity.

The proposed special assessment district will pay its own operating and administrative costs, including costs for assessment collections and disbursements.

If the levy is approved, the City of Oakland will conduct a special billing to collect the assessment and will remit the amount collected (minus the City's costs of collection) to the Montclair Village Association, the district's designated non-profit administrator.

The City's cost of collection is based on actual Finance Management Bureau staff time and materials expended. Collection costs are calculated and charged to the district by the Finance Management Bureau. It is currently anticipated that FY 2017-2018 collection costs will be approximately \$1,900.

Until disbursed, Montclair BID assessments will be held in a special trust fund on behalf of the district in Miscellaneous Trusts Fund (7999)/NCR & SDS Org (85411)/Pass Thru Assessments Account (24224)/Undetermined Project (0000000)/Montclair BID Program (RBID).

PUBLIC OUTREACH / INTEREST

To adopt the attached resolution, enabling legislation does not require City staff to conduct public outreach other than the required posting on the City's website. District stakeholders, however, did perform outreach necessary to secure advisory board consensus sufficient to generate the attached annual report and proposed FY 2017-2018 district budget (attached as **Exhibit A** to the Resolution of Intention).

COORDINATION

The Controller's Bureau and Office of the City Attorney were consulted in the preparation of this report and/or its attachments and exhibits.

SUSTAINABLE OPPORTUNITIES

Economic: Montclair BID assessments will fund activities which are intended to support the eventual increase of sales and business tax revenues, as well as, increased job opportunities and on-going economic development of the affected commercial districts.

Environmental: No specific environmental opportunities have been identified.

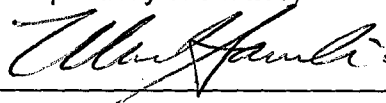

Social Equity: BIDs incorporate all members of an affected business owner community into a proactive entity with the financial resources to productively influence their shared environment which may be compatible with some aspects of various social equity models.

ACTION REQUESTED OF THE CITY COUNCIL

Staff recommends that City Council adopt a resolution confirming the annual report of the Montclair Business Improvement District Advisory Board and levying the annual assessment for the Montclair Business Improvement District for fiscal year 2017-2018.
