

OAKLAND CITY COUNCIL

RESOLUTION NO. _____ C.M.S.

INTRODUCED BY COUNCILMEMBER DAN KALB, COUNCIL PRESIDENT NIKKI FORTUNATO BAS, AND COUNCILMEMBER CARROLL FIFE

RESOLUTION ON THE CITY COUNCIL'S OWN MOTION SUBMITTING TO THE VOTERS AT THE NOVEMBER 8, 2022, GENERAL MUNICIPAL ELECTION A MEASURE THAT WOULD ESTABLISH PUBLIC FINANCING FOR ELECTIONS OF CITY AND SCHOOL BOARD OFFICIALS, INCREASE TRANSPARENCY REGARDING INDEPENDENT SPENDING ON CITY ELECTIONS, AND FURTHER RESTRICT THE ABILITY OF FORMER CITY OFFICIALS AND DIRECTORS TO ACT AS LOBBYISTS BY:

(1) REPEALING THE LIMITED PUBLIC FINANCING ACT AND ADOPTING THE FAIR ELECTIONS ACT TO ENABLE RESIDENT ALLOCATION OF PUBLIC FINANCING FOR ELECTIVE OFFICE CAMPAIGNS;

(2) AMENDING THE CAMPAIGN REFORM ACT AND LOBBYIST REGISTRATION ACT; AND

3) AMENDING SECTION 603 OF THE CHARTER OF THE CITY OF OAKLAND TO FUND PUBLIC ETHICS COMMISSION STAFF TO IMPLEMENT THE FAIR ELECTIONS ACT;

AND DIRECTING THE CITY CLERK TO FIX THE DATE FOR SUBMISSION OF ARGUMENTS AND PROVIDE FOR NOTICE AND PUBLICATION, AND TAKE ANY AND ALL ACTIONS NECESSARY UNDER LAW TO PREPARE FOR AND CONDUCT THE NOVEMBER 8, 2022, GENERAL MUNICIPAL ELECTION

WHEREAS, [include one or more clauses on adoption of Limited public financing act, ocra, lobbyist ord & 603]; and

WHEREAS, [include clause on Seattle Democracy Dollars program]; and

WHEREAS, In September 2020, the Oakland Public Ethics Commission issued a report, *Race for Power: How Money in Oakland Politics Creates and Perpetuates Disparities Across Income and Race*, that reviewed outcomes from Oakland’s existing public financing program and overall campaign finance system and recommended a new approach for Oakland to expand and diversify participation and influence in the campaign process, particularly with regard to how some Oaklanders lack political power in the campaign finance process, which relies on those with money to make contributions to political campaigns. The Commission explored best practices in other jurisdictions, including other public financing models, and concluded that a Democracy Dollars program “shows the most promise for bringing equity to the campaign finance process since it equips all voters with campaign ‘cash’ to contribute to campaigns, thereby incentivizing candidates to engage across demographics regardless of wealth and history of prior engagement;” and

WHEREAS, gaps in existing municipal law deprive Oakland voters of access to information about how big independent spenders are spending money to influence their votes; and

WHEREAS, existing municipal restrictions on lobbying by city officials immediately after they leave government service are inadequate to ensure that city government is free from corruption and the appearance of corruption. Extending the lobbying ban from one year to two years after a city official leaves government service is a necessary safeguard to curb corruption, including quid pro quo corruption, and the appearance of corruption, and will thereby better protect the integrity of city government; and

WHEREAS, the City Council wishes to amplify the voices of Oakland residents in Oakland elections by replacing the current Limited Public Financing Act with a program establishing resident allocation of public financing of candidate election campaigns, increasing funding and staffing for the Public Ethics Commission in order to implement such a “Democracy Dollars” program, enhancing transparency regarding independent spending on Oakland elections, and increasing the current one year limit on former city elected officials, department heads, and budget directors from being able to act as local government lobbyists; and

WHEREAS, the City Council finds that amendments to the Oakland Campaign Reform Act and Lobbyist Registration Act further the purposes of those ordinances; now, therefore, be it

RESOLVED: That the Oakland City Council finds and determines the forgoing recitals are true and correct and adopts and incorporates them into this Resolution; and be it

FURTHER RESOLVED: That the Oakland City Council submits to the qualified voters of the City, at the November 8, 2022 election, a proposal to (1) repeal the Limited Public Financing Act, Chapter 3.13 of the Oakland Municipal Code (“O.M.C.”), and replace it with the addition of a new ordinance, O.M.C. Chapter 3.15, entitled the Fair Elections Act, (2) amend O.M.C. Chapter 3.12 (Campaign Reform Act), (3) amend O.M.C. Section 3.20.190 and add an Article VII (Miscellaneous) header and Section 3.20.250 within Chapter 3.20 (Lobbyist Registration Act), and (4) amend Section 603 of the City Charter, as set forth below. Added text is shown as underscored type; deleted text is shown as ~~strikethrough~~ type; portions of the provisions not cited or not shown in underscoring or strikethrough type are not changed.

The people of the City of Oakland do ordain as follows:

SECTION 1. Repeal of Oakland Municipal Code Chapter 3.13. Oakland Municipal Code Chapter 3.13, *Limited Public Financing Act*, is hereby repealed in its entirety.

~~Chapter 3.13—LIMITED PUBLIC FINANCING ACT~~

~~Article I.—Findings and Purpose.~~

~~3.13.010—Title.~~

~~This chapter shall be known as the "Limited Public Financing Act of the City of Oakland."~~

~~3.13.020—Findings and declarations.~~

~~The findings of this Act are as follows:~~

- ~~A. The financial strength of certain individuals or organizations should not enable them to exercise a disproportionate or controlling influence on the election of candidates.~~
- ~~B. The rapidly increasing costs of political campaigns have forced many candidates to raise larger and larger percentages of money from interest groups with a specific financial stake in matters under consideration by city government. This has caused the public perception that votes are being improperly influenced by monetary contributions.~~
- ~~C. High campaign costs are forcing officeholders to spend more time on fundraising and less time on the public's business. The constant pressure to raise contributions is distracting officeholders from urgent governmental matters.~~

~~3.13.030—Purpose of this Act.~~

~~The purpose of this Act is to accomplish the objectives stated in Oakland's Campaign Reform Act as follows:~~

- ~~A. To ensure that all individuals and interest groups in our city have a fair and equal opportunity to participate in elective and governmental processes.~~
- ~~B. To reduce the influence of large contributors with a specific financial stake in matters under consideration by the city, and to counter the perception that decisions are influenced more by the size of contributions than by the best interests of the people of Oakland.~~
- ~~C. To reduce the pressure on candidates to raise large campaign war chests for defensive purposes, beyond the amount necessary to communicate reasonably with voters.~~
- ~~D. To encourage competition for elective office.~~
- ~~E. To allow candidates and office holders to spend a smaller proportion of their time on fundraising and a greater proportion of their time dealing with issues of importance to their constituents and the community.~~

~~F. To ensure that serious candidates are able to raise enough money to communicate their views and positions adequately to the public, thereby promoting public discussion of important issues involved in political campaigns.~~

~~G. To help preserve public trust in governmental and electoral institutions.~~

~~Article II. Definitions~~

~~3.13.040 Interpretation of this Act.~~

~~Unless the term is specifically defined in this Act or the contrary is stated or clearly appears from the text, the definitions set forth in Chapter 3.12 of this Code and in Government Code Sections 81000 et seq. as amended govern the interpretation of this Act.~~

~~For purposes of this Act, "principal residence" shall mean the place in which a person's habitation is fixed, wherein the person has the intention of remaining, and to which, whenever he or she is absent, the person has the intention of returning.~~

~~For purposes of this Act, "primary place of doing business" shall mean the street address of a corporation's or association's principal executive office as filed with the California Secretary of State or the street address of an unincorporated association's principal office as filed with the California Secretary of State.~~

~~Article III. Election Campaign Fund~~

~~3.13.050 Election campaign fund.~~

~~There is hereby established an account within a special revenue fund of the city to be known as the "Election Campaign Fund."~~

~~3.13.060 Appropriation of funds.~~

~~A. The city council shall appropriate to the election campaign fund, under the city's current two-year budget cycle, an amount sufficient to fund all candidates eligible to receive public financing for the office of district city councilmember.~~

~~B. The city public ethics commission shall provide in the form and at the time directed by the mayor and city administrator a written estimate of the amount necessary to be appropriated for any two-year budget cycle according to the provisions of this Act for all eligible candidates. The amount of funds to be allocated to the election campaign fund shall be based on a consideration of anticipated campaign activity, anticipated administrative costs, and existing unspent funds within the account. The amount of funds to be allocated to the election campaign fund shall not exceed \$500,000.00 for any two-year budget cycle.~~

~~C. The election campaign fund shall be established as an interest bearing account. Unspent funds in the election campaign fund at the end of a two-year budget cycle shall remain in the fund and accrue for disbursement to candidates eligible for public financing in future elections and for administrative costs.~~

~~D. Up to seven and one-half percent of the amount allocated to the election campaign fund pursuant to Subsections 3.13.060(a) and (b) may be utilized by the public ethics commission to cover the anticipated cost of administering the provisions of this Act.~~

~~3.13.065—Allocation of election campaign fund.~~

~~No later than seven days after the city clerk has certified the names of all candidates to appear on the ballot, the public ethics commission shall determine at a publicly noticed meeting whether, based on the number of potentially eligible candidates, the amount of money in the election campaign fund is adequate to provide the maximum amount to potentially eligible candidates. If the commission determines that the election campaign fund will not be adequate to provide the maximum amount of funds to potentially eligible candidates, the commission shall order the disbursement of available funds on a pro rata or other equitable basis. The commission may at any time revise the disbursement plan consistent with these rules and prevailing law.~~

~~Article IV.—Eligibility for Public Financing.~~

~~3.13.070—Application and withdrawal procedures.~~

- ~~B. Each candidate for district city council shall file with the public ethics commission a statement of acceptance or rejection of public financing on a form approved by the public ethics commission no later than 14 calendar days after the date the city clerk has certified the names of candidates to appear on the ballot for the election in which public financing will be sought. The statement of acceptance or rejection of public financing shall advise and require that the candidate's decision to reject public financing is irrevocable for the election in which his or her name appears on the ballot. The failure to timely file a statement of acceptance or rejection of public financing shall constitute a rejection of public financing.~~
- ~~C. If a candidate declines to accept the voluntary expenditure ceilings prescribed in Section 3.12.200, the candidate shall be subject to the contribution limits of Subsections 3.12.050(a) and 3.12.060(a) and shall not be eligible for public financing.~~
- ~~D. If a candidate agrees to accept the voluntary expenditure ceilings prescribed in Section 3.12.200, the candidate shall be subject to the contribution limits of Subsections 3.12.050(b) and 3.12.060(b) as adjusted pursuant to Subsections 3.12.050(g) and 3.12.060(g), and shall be eligible for public financing upon meeting the qualification requirements as provided in this Act.~~
- ~~E. In the event expenditure ceilings are lifted pursuant to Section 3.12.200, a candidate who accepted expenditure ceilings shall be permitted to receive public financing but shall no longer be subject to expenditure ceilings.~~

~~3.13.080—Qualification procedures.~~

~~A candidate shall be approved to receive public financing if the candidate meets all of the following requirements:~~

- ~~A. The candidate has filed a timely statement of acceptance of the voluntary spending ceilings and acceptance of public financing.~~

Contributions from the candidate's own funds shall not be counted towards meeting this five percent requirement. The candidate shall provide copies of the contribution checks received and records of payments made to meet the five percent eligibility requirements.~~
- ~~D. The candidate is opposed by another candidate for the same office.~~
- ~~E. The candidate agrees to all conditions and requirements of this Act and to submit to any reasonable audit deemed appropriate by the public ethics commission or other civil authorities.~~
- ~~F. The candidate or his or her campaign treasurer or designee attends a training program conducted or sponsored by the public ethics commission.~~
- ~~G. The candidate has filed, and completely and accurately executed, all pre-election campaign statements that are due at the time public financing is payable. All candidates receiving public financing shall timely file, and completely and accurately execute, all post-election campaign statements for each election in which they received public financing.~~

~~3.13.090 Use of personal funds.~~

~~A candidate who accepts public financing shall not receive contributions or loans from the candidate's own funds which aggregate total exceeds ten percent of the voluntary expenditure ceiling for the office being sought. If the voluntary expenditure ceilings for the office being sought are lifted, this provision shall not apply.~~

~~Article V. Disbursement of Public Financing~~

- ~~A. The public ethics commission shall develop any and all forms necessary to carry out the provisions of the Act. The public ethics commission may, in its discretion, require any document or form to be filed in an electronic format that is provided by the public ethics commission to the candidates free of charge.~~
- ~~B. The public ethics commission shall review records submitted to determine a candidate's eligibility to receive public financing and requests for reimbursement promptly. For any candidate determined not to be eligible for public financing, the commission or its designee shall inform the candidate of the reasons why the candidate is not eligible and what actions, if any, the candidate may take to correct any insufficiencies.~~
- ~~C. The city auditor may conduct a discretionary audit of the Public Ethics Commission's disbursement of public financing funds to candidates or may conduct discretionary audits~~

~~of the campaign committee of any candidate who receives public financing. The audit report shall be a public record and provided to the public ethics commission. The city auditor shall conduct all audits in accordance with generally accepted government auditing standards.~~

- ~~7. Website design and maintenance costs.~~

~~C. The following conditions and restrictions shall apply to any request for reimbursement:~~

- ~~1. All requests for reimbursement shall be made on a form authorized by the public ethics commission and shall include: (a) a copy of the billing invoice for which reimbursement is sought; (b) a copy of the check(s) by which the candidate's campaign committee made payment on the billing invoice; and (c) a copy, when applicable, of the campaign literature, advertisement, radio or television script, or website configuration.~~

A request to agendize an appeal of the executive director's decision shall be made in writing and delivered to the office of the public ethics commission no more than ten calendar days after receiving written notice of the executive director's decision.~~

SECTION 2. Adoption of Oakland Municipal Code Chapter 3.15. Oakland Municipal Code Chapter 3.15, Oakland’s Fair Elections Act, is hereby adopted as follows:

Article I. - Findings and Purpose.

3.15.010 – Title.

This Chapter shall be known as the “Oakland Fair Elections Act,” hereinafter referred to as the “Act.”

3.15.020 – Findings and Declarations.

The Findings of this Act are as follows:

- A. Residents of Oakland have a right to participate in Oakland’s elections, and the voices of residents of Oakland should matter.
- B. Spending in Oakland elections has increased significantly, reaching nearly \$5 million in candidate contributions and independent expenditures in the 2020 election.
- C. Oakland candidates rely primarily on large contributions. In the 2020 election, only 6% of contributions to candidates came from donors who gave \$100 or less. By contrast, 45% of contributions to candidates came from donors who gave \$500 or more.
- D. Candidate contributions in Oakland elections come disproportionately from Oakland’s wealthiest neighborhoods. In 2020, Oakland zip codes with a median household income greater than \$75,000 were responsible for 66% of candidate contributions while comprising only 40% of Oakland’s population. The six Oakland zip codes with median household incomes below \$60,000 provided merely a quarter of candidate contributions while comprising nearly half of Oakland’s population.
- E. The rapidly increasing costs of political campaigns are forcing officeholders to spend more time on fundraising and less time on the public’s business. Because of these increasing costs and the need to fundraise, officeholders increasingly rely on large contributions from interest groups and donors with specific financial stakes in matters under consideration by the city government.
- F. Candidates’ reliance on large contributions from a limited number of powerful contributors creates the opportunity for and appearance of corruption in city government. This undermines the integrity of the governmental process and participation in campaigns by Oakland residents.
- G. Candidates’ reliance on large contributions from a limited number of wealthy contributors also gives incumbents an advantage over potential challengers and inhibits potential

candidates for elected office who lack existing networks of wealthy contributors from running for office, thereby decreasing the competitiveness of elections in Oakland.

- H. Meaningful participation in financing the campaigns of candidates for elected office in Oakland should not be limited to people and entities with significant wealth that are able to make large contributions.
- I. Based on existing circumstances in Oakland, including those enumerated above, the programs and reforms in this Act will curb corruption, including quid pro quo corruption, and its appearance in Oakland elections and government. The programs and reforms in this Act will also ensure the right of Oakland residents to participate in democratic self-governance through effective participation in Oakland elections and government and their right to elected officials who are responsive to constituents.
- J. The Democracy Dollars Program created by this Act additionally will enlarge public discussion and participation in elections by amplifying the voices of Oakland residents in elections through their participation in the Democracy Dollars program. The Democracy Dollars Program will also support candidates for elected office who lack networks of wealthy contributors, and will encourage candidates across the political spectrum and from different backgrounds to seek elected office, thereby resulting in a pool of candidates that is more reflective of the diversity of Oakland residents and resulting in more competitive elections.

3.15.030 – Purpose.

- A. The purpose of this Chapter is to build fair elections in the City of Oakland, expand public participation in the local democratic process and empower all Oakland residents with an opportunity to engage meaningfully in the campaign process, and prevent corruption and its appearance by:
 - 1. Ensuring all Oakland residents have an opportunity to participate in local elective and governmental processes and to have their voices heard in their local democracy;
 - 2. Ensuring candidates for office are free to focus on communicating with all Oakland residents and considering policy issues rather than devoting excessive time to fundraising;
 - 3. Ensuring that access to networks of wealthy contributors is not a prerequisite for candidates to run competitive campaigns for elected office;
 - 4. Ensuring a fair elections process that holds local elected leaders accountable to the people of Oakland by strengthening residents' engagement with the City of Oakland's government;
 - 5. Ensuring candidates who receive public financing participate in public debates to assist residents with making an informed decision about each candidate and understand each candidate's stance on the issues affecting the City;
 - 6. Placing reasonable limits on the amount individuals may contribute to political campaigns in municipal elections;

7. Ensuring that candidates are able to raise enough money to communicate their views and positions adequately to the public, thereby promoting public discussion of the important issues involved in political campaigns;
 8. Ensuring that local officials and high-ranking staff are responsive to the needs of their constituencies and do not unfairly use the contacts and status earned in public service to lobby for private industries that have financial stakes in the matters under consideration by the City;
 9. Tightening prohibitions on lobbying by former elected officials (the “revolving door” problem) to ensure that local officials are responsive to all of the residents of Oakland instead of wealthy special interests;
 10. Providing full and fair enforcement of all the provisions in this Chapter; and
 11. Creating a Democracy Dollars public finance program to expand the pool of candidates and donors for City of Oakland offices and to safeguard the people's control of the elections process in the City of Oakland.
- B. This Chapter shall be liberally construed and vigorously enforced to ensure its purposes are fulfilled.

SECTION 3. Repeal and Reenactment of Oakland Municipal Code Chapter 3.12. Oakland Municipal Code Chapter 3.12, *Oakland Campaign Reform Act*, is hereby repealed and reenacted as follows with deleted text shown as ~~strikethrough~~ and new text underscored:

Article I. - Findings and Purpose.

3.12.010 - Title.

This Chapter shall be known as the City of Oakland Campaign Reform Act, hereinafter "the Act."

3.12.020 - Findings and Declarations.

The Oakland City Council finds and declares each of the following:

- A. Monetary contributions to political campaigns are a legitimate form of participation in our political process, but the financial strength of certain individuals or organizations should not enable them to exercise a disproportionate or controlling influence on the election of candidates.
- B. The rapidly increasing costs of political campaigns have forced many candidates to raise larger and larger percentages of money from interest groups with a specific financial stake in matters under consideration by the City government. This has caused the public perception that votes are being improperly influenced by monetary contributions. This perception is undermining the credibility and integrity of the governmental process.
- C. Candidates are raising less money in small contributions and more money in large individual and organizational contributions. This has created the public impression that the small contributor has an insignificant role to play in political campaigns.
- D. High campaign costs are forcing elected City Officials to spend more time on fundraising and less time on the public's business. The constant pressure to raise contributions is distracting elected City Officials from urgent governmental matters.
- E. Elected City Officials are responding to high campaign costs by raising larger amounts of money. This fundraising distracts them from important public matters, encourages contributions, which may have a corrupting influence, and gives incumbents an overwhelming and patently unfair fundraising advantage over potential challengers.
- F. Based on existing circumstances in Oakland, including those enumerated in the Oakland Fair Elections Act, the contribution limits established by this Act will not prevent candidates from raising the resources necessary to run an effective campaign.
- G. Disclosure of donors who have financial interests with the City of Oakland and also of City Officials who solicit contributions safeguards against potential conflicts of interest.

~~G~~H. For transparency, and to protect our democracy, including from the risk of secretive big money, it is important that the public have a right to know who is paying for, and who is sending, advocacy and campaign communications.

I. The enhanced transparency requirements established by this Act will ensure the right of Oakland residents to know who is spending big money to influence their vote by requiring disclosure for big independent spenders and by requiring ads run by political committees to identify additional top donors. This additional transparency will enable voters to better evaluate the sources and credibility of the electoral advertising they are receiving.

HJ. The integrity of the governmental process, the competitiveness of campaigns and public confidence in local officials are all diminishing.

~~I~~K. This Act shall be liberally construed and vigorously enforced to ensure its purposes are fulfilled.

3.12.030 - Purpose of this Act.

The purpose of this Act is to accomplish the following:

- A. To ensure that all individuals and interest groups in our City have a fair and equal opportunity to participate in elective and governmental processes.
- B. To reduce the influence of large contributors with a specific financial stake in matters under consideration by the City, and to counter the perception that decisions are influenced more by the size of contributions than by the best interests of the people of Oakland.
- C. To limit overall expenditures in campaigns, thereby reducing the pressure on candidates to raise large campaign war chests for defensive purposes, beyond the amount necessary to communicate reasonably with voters.
- D. To reduce the advantage of incumbents and thus encourage competition for elective office.
- E. To allow candidates and elected City Officials to spend a smaller proportion of their time on fundraising and a greater proportion of their time dealing with issues of importance to their constituents and the community.
- F. To ensure that serious candidates are able to raise enough money to communicate their views and positions adequately to the public, thereby promoting public discussion of the important issues involved in political campaigns.
- G. To curb corruption and the appearance of corruption by providing reasonable limits on contributions to candidates and their campaign committees and requiring disclosure of the sources of money spent to influence elections in Oakland.
- H. To ensure that residents of Oakland have more information about the sources of funds that are used to influence their vote by enhancing the public disclosure of independent spending and requiring additional information in on-ad disclaimers by political committees.

I. To help restore public trust in governmental and electoral institutions.
