Hi Sameera,

I hope all is well. At this time, PMWeb does not have any authorized implementers located directly in the City of Oakland, but we have one authorized implementer in the State of California and that is HKA. We do not have any other authorized implementers for the Western portion of the United States. If you have any questions, please do not hesitate to contact me.

Thank you,

Michael P. Vernon, Esq.
General Counsel
