Interests & Experiences

Please tell us how your qualifications and participation will relate to the requested board and/or commission's mission.

When I was first starting out in the arts I had no idea how to approach publications, galleries and institutions, how to get my art out there, or even what positions there were. Now that I have worked in venues and museums I am passionate about working with the community to help up and coming artists navigate this process and know all the various ways they can get their work out there and achieve the goals they set out for themselves.

Please submit your resume or curriculum vitae. You may upload a document. (A Word format is preferred.) Alternatively, you may paste the text of your resume in the field provided below.
