**WHEREAS**, the previous agreement with Agile Occupational Medical Center has expired, and the Risk Management Division and the Fire Department are currently identifying criteria and a new timeline to begin a Request for Proposal Process to identify other qualified vendors; and

**WHEREAS**, in the meantime, the high-quality services contemplated pursuant to the proposed agreement will provide Fire Department employees with critical physical fitness assessment and health testing services aimed at improving personal health, fitness and job productivity; and

**WHEREAS**, the City Administrator has determined that the services to be provided under the Agile Occupational Medical Center contract are of a professional, scientific, or technical and temporary nature and shall not result in the loss of employment or salary by any person having permanent status in the competitive service; and
