RE: A Public Hearing And The Adoption Of A Resolution Confirming The Annual Report Of The Montclair Business Improvement District Advisory Board And Levying The Annual Assessment For The Montclair Business Improvement District For Fiscal Year 2012/13

SUMMARY

A resolution to confirm the annual report of the Montclair Business Improvement District (BID) advisory board and to levy the annual assessment for fiscal year 2012/13 for the Montclair Business Improvement District (BID) has been prepared pursuant to Streets and Highways Code Secfion 36500 *et seq.* and the City of Oakland's Neighborhood Business Improvement District program.

State law requires that business-based BIDs receive the City Council's approval before levying the upcoming fiscal year assessment. Therefore, City Council adoption of the attached resolution is required to enable the Montclair BID to collect its FY 2012/13 assessment. Assessment funds will be used to pay for economic development and beaufification activities outlined in the district management plan on file with the Office of the City Clerk and the annual report submitted by the Montclair BID advisory board (*Exhibit A* to the attached resolution).

A public hearing and majority protest procedure must precede the City Council's consideration of the attached resolution. A majority protest exists if owners of affected businesses which will pay fifty percent (50%) or more of the proposed assessments to be levied submit qualifying written protests on or before the public hearing date of December 6, 2011, for this matter.

If no majority protest exists, then the City Council may adopt the attached resolution. If, however, a majority protest exists, then the City Council cannot adopt the resolution to levy the FY 2012/13 assessments for the Montclair BID and no further proceedings to levy the proposed assessment shall be taken for a period of one year.

FISCAL IMPACTS

No fiscal impact is anticipated. The Montclair BID (MBID) is a self-funded, self-administered entity. The MBID will pay all of its own operafing costs and will be cost neutral to the City budget. If the levy is approved, the City of Oakland Finance and Management Agency (FMA)

will conduct a special billing to collect the assessment and will remit the amount collected (minus the City's costs of collection) to a designated non-profit BID administrator.

Until disbursed, MBID assessments will be held in a special trust fund established by FMA on behalf of the district in Miscellaneous Trusts Fund (7999)/NCR & SDS Org (88569)/Pass Thru Assessments Account (24224)/Undetcrmined Project (000000)/Montelair BID Program (MBID).

BACKGROUND

On November 9, 1999, the City Council approved Resolution No. 75323 C.M.S. which initiated a City of Oakland Neighborhood Business Improvement District (NBID) Program. This program is authorized by Section 36500 *et seq.* of the California Streets and Highways Code which allows for the establishment of local business improvement districts throughout the state.

Pursuant to the above legislation Ordinance No. 12378 C.M.S. was passed by City Council on November 27, 2001, to establish the Montclair BID. Subsequently, a resolution was adopted on November 15, 2011, which stated the City Council's intent to levy a FY 2012/13 assessment for the district, to approve the district's annual report, and to schedule a related public hearing for December 6, 2011.

The BID model for economic development is also being used in the Rockridge (established 2000), Fruitvale (established 2001 and renewed in 2006 and 2011), Lakeshore/Lake Park (established 2002), Temescal (established 2004), Laurel (established 2005), Koreatown/Northgate (established 2007), Lake Merritt/Uptown (established 2008), and the Downtown Oakland (established 2008) districts.

BIDs seek to create both a stable cash flow and to incorporate all of the members of a business community into a productive and proactive entity representing the interests of that community.

Revenues generated by BIDs are applied to a variety of special benefit improvements and services beyond those already provided by existing municipal services. Examples of BID-funded services include, but are not limited to, enhanced maintenance services, safety and security, marketing and promotions and special events. These types of enhanced and supplemental services are intended to support increased sales and business tax revenues as well as increased job opportunities and to improve the vitality of affected commercial neighborhoods.

KEY ISSUES AND IMPACTS

There is no anticipated adverse impact associated with the authorization to levy FY 2012/13 assessments for the Montclair BID.

In terms of positive impacts, authorizing the continued collection of assessments for the district will provide the Montclair BID an on-going funding source for enhanced safety and security, beautified physical appearance, and organized economic development and markefing activities within the district. These special benefit services are intended to improve the conditions and image of the affected BID and to support on-going economic revitalization within the district. Reauthorization of the levy will also enable the Montclair BID to continue serving as an effective self-help model for other Oakland business districts.

PROGRAM DESCRIPTION

The Montclair BID encompasses approximately 218 businesses located in and around the Montclair commercial area and estimates an annual budget of approximately \$90,860 of which \$71,250 represents projected assessments to be collected in FY 2012/13.

If Council approves the FY 2012/13 levy for the Montclair BID, assessments will be levied in accordance with the district management plan on file with the Office of the City Clerk and the attached Annual Report (*Exhibit A* to the Resolution of Intenfion) submitted by the Montclair District Association, the district's City Council-appointed advisory board. The annual report and district management plan set forth actions that will serve to attract business and improve the commercial climate within the district. Key aspects of these documents include, but are not limited to, enhanced eleaning including sidewalk cleaning and power washing; enhanced public safety including private security services; beautified physical appearance including the installation and maintenance of decorative planters; special events such as the Pacific Fine Arts Festival, Annual Holiday Stroll, Village Restaurant Walk, Easter Egg Hunt, Halloween Parade, Family Fun Festival and farmers' markets; and special marketing activities such as production and district e-newsletter and business directory, maintenance of a district website, and design and installation of wayfinding maps as provided for in *Exhibit A* to the attached resolution.

The annual report indicates no changes in the boundaries of the business improvement district or in any benefit zones in the area. There is no change in the original method and basis of levying the assessment.

SUSTAINABLE OPPORTUNITIES

Economic: The proposed levy will fund activifies which are intended to support the eventual increase of property, sales, and business tax revenues as well as increased job opportunities and economic development of the Montclair commercial district.

Environmental: The proposed levy will enable the Montclair BID to continue its efforts to strengthen and beautify the physical image of the existing neighborhood commercial area through the use of enhanced sidewalk, street cleaning and maintenance. Attractive new banners, directional signage and holiday decorations will also uplift and unify the district's appearance.

Social Equity: BIDs incorporate all members of a business community into a productive and proactive entity representing the interests of that community. Administration of the cash flow generated by the district itselficontributes to local merchant self-empowerment and provides enhanced services for the overall physical and economic betterment of the district.

DISABILITY AND SENIOR ACCESS

The reauthorization of assessments for the BID has no direct implications for disability and senior access. However, improved public safety and security provided by the BID may serve to make the area safer and more accessible to all visitors, including senior citizens and disabled persons.

RECOMMENDATION(S) AND RATIONALE

Adoption of the attached resolution will support continued delivery of special benetit services within the Montclair BID as outlined in the district's Annual Report (*Exhibit A* to the attached resolution). Such business improvement districts represent a proactive effort on the part of neighborhood business owners to improve the conditions and image of their area which assists in the economic revitalization and physical maintenance of the district.

Additionally, because BIDs are self-initiated, self-funded, and self-administered entities, there are no anticipated tiscal impacts for the City associated with continuance of the Montclair BID. Consequently, the Montclair BID should be viewed as a positive self-help model for other neighborhood commercial areas. Accordingly, staff recommends that the City Council adopt the attached resolution contirming the annual report of the Montclair BID advisory board and levying the annual assessment for fiscal year 2012/13 for the Montclair BID.

ACTION REQUESTED OF THE CITY COUNCIL

Staff request that the City Council adopt the resolution confirming the annual report of the Montclair BID advisory board and levying the annual assessment for the Montclair BID for fiscal year 2012/13.
