OPD Hiring / Full Police Staffing Plan
The Oakland City Council passed Resolution No. 84767 C.M.S. on December 10, 2013, which among other mandates, requires that the City Administrator or his or her designee present a "Hiring Plan showing the timeline for achieving OPD Budgeted Staffing to achieve Sworn and Police-Support Civilian staffing levels as quickly as possible ("OPD Hiring Plan"), and that the "Hiring Plan" shall include month-by-month projections of expected staffing levels. The City Council subsequently passed the "Implementation of Budgeted Police Staffing," on June 3, 2014, which adopts the "staffing projections in the OPD Hiring/Full Police Staffing to the April 29, 2014 Public Safety Committee as the current OPD Hiring Plan." Tables 3.1 and 3.2 below provide data on staffing and projections as reported in the April 29, 2014 "Full Police Staffing Report" and the actuals shown in the staffing levels as of March 31, 2015.

## Early Warning Policy and Recommendations

Resolution No 84767 C.M.S. also requires that the OPD staffing report contain an analysis of any deviations between the expected and actual staffing levels, the expected hiring methods, and alternative hiring options, for achieving Budgeted Staffing as quickly as possible. The Oakland Police Department has been running police academies as well as two Lateral/Post-Academy Graduate courses approved by City Council to adhere to the Early Warning Policy. The second Lateral/Post-Academy course will begin on May 18, 2015 with an anticipated 15 police officers. An additional Basic Academy was also recommended to begin in November 2015 and has been proposed for funding in the proposed Biannual FY 2015-2017 Budget. This Basic Academy would enroll 50 POTs in order to maintain staffing levels during FY 15-16.
