Combined, SB 2 and SB 3 could raise up to 5.1 billion dollars in funding toward building new housing.

SB 2 (Senator Atkins): Establishes the Building Homes and Jobs Act and imposes a \$75 fee on real estate transaction documents, excluding commercial and residential real estate sales, to provide funding for affordable housing. Assembly amendments require half of the funds collected in the first year to be spent towards persons experiencing homelessness and the remaining half to be made available to localities to update planning document and zoning ordinances. Signed into law Sept. 29th, 2017. *Bonta Co-Authored.*

Statewide Proposition SB 3 (Senator Beall): Enacts the Veterans and Affordable Housing Bond Act of 2018 and authorizes the issuance of \$4 billion in general obligation (GO) bonds for affordable housing programs and a veteran's home ownership program, subject to approval by the voters in the November 6, 2018 election. AB 72 (Assemblymember Chiu): Gives the Department of Housing and Community Development (HCD) authority to find a city's, county's, or (city and county) housing element out of substantial compliance if it determines that the city, county, or city and county acts or fails to act in compliance with its housing element, and allows HCD to refer violations of law to the Attorney General (AG).
