Interests & Experiences

Please tell us how your qualifications and participation will relate to the requested board and/or commission's mission.

Cultural Affairs Commission As someone with experience using art as a therapeutic tool, I find the arts to be critically valuable to individuals and society. I am especially passionate about the intersection of art and culture. Oakland is a beautiful and vibrant city with a tremendous amount of artistic and cultural diversity. I am proud to be a resident and have the opportunity to attend many different artistic, cultural, and community events on a regular basis. It is because of my passion and frequent participation that I would love to serve on the Cultural Affairs Commission and help guide the city with these shared values. I firmly believe that culture and the arts help to make Oakland the incredible city that it is, and I am eager to make an impact in these endeavors. Youth Advisory Committee I have an intense amount of background and experience working directly with youth and among youth causes (from my academic background, to my professional background in education, to my service on a board, and to my work in juvenile hall). Therefore, I would be a tremendous asset to the Youth Advisory Commission. I am very interested in supporting and using my skills to guide Oakland in identifying the needs of the city's youth.
