RECOMMENDATION

Staff Recommends That The City Council Adopt A Resolution Of Intention To Levy An Annual Assessment For Fiscal Year 2019-2020 For The Rockridge Business Improvement District, Approving The Annual Report Of The Rockridge Business Improvement District Advisory Board, And Scheduling A Public Hearing For December 11, 2018.

EXECUTIVE SUMMARY

State enabling legislation requires that merchant-based business improvement districts (BIDs) receive City Council approval before levying each fiscal year's assessment. Therefore, to enable the Rockridge BID to collect its Fiscal Year (FY) 2019-2020 assessment, City Council would need to adopt the attached Resolution of Intention to levy, and to schedule a related Public Hearing. The attached resolution also approves the district's annual report to the City.

If the proposed assessment is approved, the Rockridge BID will generate an estimated \$158,400 of special assessment revenues in FY 2019-2020. Funds will be used to pay for special benefit services outlined in the Rockridge BID District Management Plan (the "Plan") on file with the Office of the City Clerk and the attached annual report (*Exhibit A* to the Resolution of Intention), prepared and submitted by the Rockridge District Association, the district's City Council-appointed advisory board. Key services include, but are not limited to, enhanced cleaning and public safety services, including private security services, district beautification, including installation and maintenance of decorative banners and benches; special seasonal events such as Rockridge Out & About, and marketing and promotion activities such as internet advertising and maintenance of a district website.

BACKGROUND / LEGISLATIVE HISTORY

Sections 36500 *et seq* of California Streets and Highway Code provide for the formation of business and property-based assessment districts. Pursuant to this legislation, on November 9,

Item: _____

CED Committee

November 13, 2018

1999, the Oakland City Council approved Resolution No. 75323 C.M.S. which initiated a City of Oakland Neighborhood Business Improvement District (NBID) Program to provide technical assistance to qualified stakeholder groups to explore the feasibility of forming a Business Improvement District (BID) within their respective commercial neighborhood(s). Pursuant to these efforts Ordinance No. 12301 C.M.S. was adopted by the City Council on November 28, 2000 (as amended by Ordinance No. 13261, October 21, 2014) to establish the Rockridge BID.

Streets and Highways Code Division 18 (commencing with section 36500) also requires that merchant-based BIDs receive City Council's approval before levying each fiscal year's assessment. Therefore, to enable the Rockridge BID to collect its FY 2019-2020 assessment, City Council would need to adopt the attached Resolution of Intention to levy, and to schedule a related Public Hearing. The Public Hearing must take place no less than 10 days after the adoption of the attached Resolution of Intention. Following the public input portion of the hearing, City Council would then take final action on the proposed assessment. The attached resolution also approves the district's annual report to the City.

The billing period for the proposed assessment will be January 1, 2019 through December 31, 2019; however, services to be paid for by the above billing and collections will be provided on a March 1, 2019 through February 28, 2020 fiscal year basis, per the attached proposed budget (attached as **Exhibit A** to the Resolution of Intention).

If the City Council approves the proposed FY 2019-2020 assessment, the Rockridge BID will generate an estimated \$158,400 of special assessment revenues, which is equal to the amount projected in FY 2018-2019. The assessment is based on two variables which include business gross receipts and business type. If approved, the assessment will be collected and expended in accordance with the Plan on file with the Office of the City Clerk and the attached annual report (attached as **Exhibit A** to the Resolution of Intention) submitted by the Rockridge District Association, the district's City Council appointed advisory board.

The annual report does not propose any changes to the boundaries of the district or to the method and basis of levying the assessment approved by the City Council for FY 2018-2019.

Other BIDs (also known as Community Benefit Districts, or, CBDs) successfully formed within the City of Oakland include those located within the Montclair (established 2001), Fruitvale (established 2001, renewed in 2006 and 2011), Lakeshore/Lake Park (established 2002, renewed in 2012), Temescal/Telegraph Avenue (established 2004, renewed in 2014), Laurel (established 2005, renewed in 2015), Koreatown/Northgate (established 2007, renewed in 2017), Lake Merritt/Uptown (established 2008, renewed 2018), Downtown Oakland (established 2008, renewed 2018) and Jack London (established 2013) commercial neighborhoods. BIDs are generally recognized as supporting the goals of comprehensive economic development strategies in various cities throughout the United States and designated foreign countries (e.g. Italy, South Africa, United Kingdom, etc.).

Revenues generated by BIDs are used to provide a variety of special benefit improvements and services beyond those already provided by the local municipality. Examples of BID-funded special benefits include, but are not limited to, enhanced maintenance, public safety, as well as marketing and promotion services within affected districts. Enhanced services of this type are

intended to support increased sales and business tax revenues as well as increased job opportunities and economic vitality of affected commercial neighborhoods.

ANALYSIS AND POLICY ALTERNATIVES

There is no anticipated adverse impact associated with the approval of the proposed resolution. Adoption of the attached resolution will advance the approval process of the FY 2019-2020 special assessment for the Rockridge BID. The special benefit services provided by the BID aim to support the economic vitality of the corresponding commercial neighborhood.

Since BIDs are self-initiated, self-funded, and self-administered entities, there are no anticipated fiscal impacts for the City associated with continuance of the above-referenced BID. Given the approximate \$158,400 of private funds that will be generated to support continued economic development within the affected district, the project merits consideration of City Council support.

The Rockridge BID encompasses approximately 360 businesses located in and around the Rockridge commercial area and estimates an upcoming annual budget of approximately \$208,400, which includes \$158,400 of projected assessments to be collected in FY 2019-2020 and \$50,000 of carryforward from the prior fiscal year. For the FY 2019-2020 assessment, a sub-classification of businesses that earn annual gross receipts of \$25,000 or less is proposed to be created with a reduced fee for that assessment year of \$60 (instead of \$120). Such sub-classification is proposed to be temporarily created to reduce the number and expense of processing hardship partial fee waiver requests, and the reduced fee amount would not apply to future assessment years unless renewed in the annual assessment resolution for such future years.

FISCAL IMPACT

No fiscal impact is anticipated to the City. The Rockridge BID is a self-funded, self-administered entity. The proposed special assessment district will pay its own operating and administrative costs, including costs for assessment collections and disbursements. If the levy is approved, the City of Oakland will conduct a special billing to collect the assessment and will remit the amount collected (minus the City's costs of collection) to the Rockridge District Association, the district's designated non-profit administrator. Until disbursed, Rockridge BID assessments will be held in a special trust fund established by the Finance Management Bureau on behalf of the district in Miscellaneous Trusts Fund (7999)/NCR & SDS Org (85411)/Pass Thru Assessments Account (24224)/Administrative Project (1000019)/Rockridge BID Program (RBID).

PUBLIC OUTREACH / INTEREST

To adopt the attached resolution, enabling legislation does not require City staff to conduct public outreach other than the required posting on the City's website. District stakeholders, however, did perform outreach necessary to secure advisory board consensus sufficient to

generate the attached annual report and proposed FY 2019-2020 district budget (attached as **Exhibit A** to the Resolution of Intention).

COORDINATION

The Controller's Bureau and Office of the City Attorney were consulted in the preparation of this report and/or its attachments and exhibits.

SUSTAINABLE OPPORTUNITIES

Economic: Rockridge BID assessments will fund activities which are intended to support the eventual increase of sales and business tax revenues, as well as, increased job opportunities and on-going economic development of the affected commercial districts.

Environmental: No specific environmental opportunities have been identified.

Social Equity: BIDs incorporate all members of an affected business owner community into a proactive entity with the financial resources to productively influence their shared environment which may be compatible with some aspects of various social equity models.

ACTION REQUESTED OF THE CITY COUNCIL

Staff recommends that the City Council adopt a resolution of intention to levy an annual assessment for fiscal year 2019-2020 for the Rockridge Business Improvement District, approving the annual report of the Rockridge Business Improvement District Advisory Board, and scheduling a Public Hearing for December 11, 2018

RDA accomplishments year 2018

Once again the time has come to bring our accomplishments for 2018 to you.

We continue to make the district a better place to be. I'm happy to say that we've have negotiated a new street cleaning contract and have brought on Pacific Landscaping as our preferred vendor. They have provided a better product as this is so important as our members see the results on a daily basis. Speaking of street cleaning I am working with the city to remedy the lack of mechanical cleaning on Claremont Ave.

I have brought the issue of illegal new stands to the city attorney's office that have been placed on College Ave, causing blight. We are hoping for a resolution very soon, as this is not only an RDA concern but affects all of Oakland.

We have been working with the RCPC, the City of Oakland, Ford Go Bike and BART to help with a solution for the placement of the bike kiosk in relation to the Fire Tile Memorial wall at the BART Plaza. We hope in doing this that we will see better lighting, new benches and an increased cleaning of the area.

We continue to work on such matters as increasing the numbers of auto and scooter parking by working with Ford Go Bike. I have now been able to work with OakDot to convert an unused driveway to create possibly 3 additional parking spaces here on College, further south on College we will be able to provide 3 motorcycles or scooter parking in what was left over space from the bike share kiosk.

The RDA is working with our property owners and the Department of Economic Development to help fill our vacant storefronts, I'm happy to say they are starting to fill. Soon to open is a Cider bar, boba tea bar, and our new Vietnamese restaurant is up and running, new Pizza Marica will also open very soon.

We are excited to celebrate year number 2 of our lighted holiday decorations. This brings cheer to the Ave and giving a more festive feel.

We are Working closely with OPD, we've seen a decrease in auto burglaries and other.

We have a board that has given countless hours of time to make all this happen. I make this statement every year, I'm still amazed that we can bring to Oakland and our district what we do with one of the smallest BID budgets.
