RESOI	LUTION NO.	C.M.
IVEOCI		C.IVI.

RESOLUTION IDENTIFYING PROJECTS AUTHORIZED FOR FUNDING WITH PROCEEDS OF CITY OF OAKLAND GENERAL OBLIGATION BONDS (MEASURE KK), SERIES 2020B-1 AND SERIES 2020B-2, AND ALLOCATING BOND PROCEEDS FOR THE IDENTIFIED PROJECTS

WHEREAS, an Ordinance authorizing the issuance of infrastructure bonds in an amount not to exceed \$600 million in general obligation bonds to fund various City infrastructure and affordable housing projects ("Measure KK") was approved by more than two-thirds of the qualified voters of the City at the November 8, 2016, Statewide General Election; and

WHEREAS, concurrent with this resolution, the City intends to approve the issuance of City of Oakland General Obligation Bonds (Measure KK), Series 2020B-1 and Series 2020B-2 (the "Bonds") pursuant to Measure KK and the City of Oakland Affordable Housing and Infrastructure Bond Law, Oakland Municipal Code, Chapter 4.54 in an amount not to exceed \$190,000,000.00; and

WHEREAS, Measure KK allows the proceeds of the Bonds to be used to fund projects and programs related to Streets & Road Projects, Facilities Projects, and Anti-Displacement and Affordable Housing Preservation Projects; and

WHEREAS, the Affordable Housing and Infrastructure Bond Law allows the proceeds of the Bonds dedicated to Anti-Displacement and Affordable Housing Preservation Projects to be used for "New Construction," subject to certain restrictions, some of which have expired as of November 8, 2019; and

WHEREAS, pursuant to Section 2(C) of Measure KK, prior to issuance of the Bonds, the Council must identity how the projects and programs authorized for funding with Measure KK bond proceeds address social and geographic equity, address improvements to the City's existing core capital assets, maintain or decrease the City's existing operations and maintenance costs, and address improvements to energy consumption, resiliency and mobility; and

WHEREAS, in compliance with Section 2(C) of Measure KK, Exhibit A (Streets & Road Projects), Exhibit B (Facilities Projects), and Exhibit C (Anti-Displacement and Affordable Housing Preservation Projects), reflect the results of the investigation conducted by the City Administrator of the projects and programs proposed for funding with the Bonds, and identify how the projects and programs address social and geographic equity, address improvements to the City's existing core capital assets, maintain or decrease the City's existing operations and maintenance costs, and address improvements to energy consumption, resiliency and mobility; and

WHEREAS, in addition to the descriptions and results in Exhibit A and Exhibit B, the City performed an extensive analysis of the manner in which the projects and programs described in those exhibits address social and geographic equity, address improvements to the City's existing core capital assets, maintain or decrease the City's existing operations and maintenance costs, and address improvements to energy consumption, resiliency and mobility as part of the Capital Improvement Program Prioritization Process adopted pursuant to City Council Resolution No. 87376 C.M.S., and such analysis contributed and was critical to the previous approval of those projects and programs and for their proposed inclusion in this Resolution;

WHEREAS, the projects and programs described in Exhibit A (Streets & Road Projects), Exhibit B (Facilities Projects), and Exhibit C (Anti-Displacement and Affordable Housing Preservation Projects), for the reasons described in those exhibits and as provided by the Capital Improvement Program Prioritization Process, meet the criteria established under Section 2(C) of Measure KK, are eligible for funding pursuant to Measure KK, and, with respect to program and projects related to Anti-Displacement and Affordable Housing Preservation, meet the criteria of Section 4.54.220 of the Affordable Housing and Infrastructure Bond Law; and

WHEREAS, the requirements of the California Environmental Quality Act ("CEQA"), the CEQA Guidelines as prescribed by the Secretary for Resources, and the provisions of the Environmental Review Regulations of City of Oakland have been satisfied; now, therefore, be it

RESOLVED: That the City Council finds and determines that the foregoing recitals are true and correct and are hereby incorporated herein as findings and determinations of the City Council; and be it

FURTHER RESOLVED: That the City Council identifies the projects and programs as set forth in Exhibit A (Streets & Road Projects) and Exhibit B (Facilities Projects) as projects and programs to be included in the issuance of Oakland General Obligation Bonds (Measure KK), Series 2020B-1, and the projects and programs as set forth in Exhibit C (Anti-Displacement and Affordable Housing Preservation Projects) as projects and programs to be included in the issuance of Oakland General Obligation Bonds (Measure KK), Series 2020B-2; and be it

FURTHER RESOLVED: If any projects or programs set forth in Exhibit A or Exhibit B are unable to proceed or if surplus funds remain after any projects or programs set forth in Exhibit A or Exhibit B are completed, the City Council may, upon a recommendation from the City Administrator, identify further projects or programs from the City's FY 2019-21 Capital Improvement Program "Unfunded Projects List" and may, upon complying with the requirements of Section 2(C) of Measure KK and any other applicable law, make such projects or programs eligible for funding from the issuance of Oakland General Obligation Bonds (Measure KK), Series 2020B-1; and be it

FURTHER RESOLVED: Funding for the projects and programs described above may be appropriated through the FY 2019-2021 budget in Fund 5332 Measure KK: Infrastructure Series 2020B-1 (Tax-Exempt) and Fund 5333 Measure KK: Affordable Housing Series 2020B-2 (Taxable); and be it

FURTHER RESOLVED: That the City Administrator, or their designee, may adjust the funding allocations described within Exhibit A, Exhibit B, and Exhibit C, as between each individual exhibit but may not transfer funding allocations between exhibits, to meet demand, to meet community needs, to timely expend funds, to cover the cost of issuance of the Bonds, and to allocate Bond proceeds to cover appropriate staff costs, except that, pursuant to Oakland Municipal Code section 4.54.070, no more than five percent (5%) of any affordable housing bond funds may be spent on City staff costs; and be it

FURTHER RESOLVED: That each of the Measure KK capital improvement projects identified in Exhibit A and Exhibit B shall comply with the requirements of Oakland Public Art Ordinance No. 11086 C.M.S., except to the extent the City Council determines to exclude one or more such capital improvements projects pursuant to a request of the City Administrator; and be it

FURTHER RESOLVED: That the restrictions limiting the use of affordable housing bond funds for development and construction of new affordable housing projects that are not matched by Alameda County bond funds, pursuant to Oakland Municipal Code section 4.45.210, expired on November 8, 2019; and be it

FURTHER RESOLVED: That the City Administrator may select borrowers and make loans under the Acquisition and Conversion to Affordable Housing ("ACAH") Program defined in Exhibit C; and be it

FURTHER RESOLVED: That the making of each loan under the ACAH program shall be contingent on and subject to such appropriate terms and conditions as the City Administrator, or their designee, shall establish; and be it

FURTHER RESOLVED: That as a condition of any loan made under the ACAH program the City will require that appropriate restrictions on project occupancy, rents, and operations be recorded against the property and any project improvements; and be it

FURTHER RESOLVED: That all documents for loans made under the ACAH program must be reviewed and approved by the City Attorney for form and legality prior to execution; and be it

FURTHER RESOLVED: That the City Administrator, or their designee, may subordinate the priority of any of the City's recorded interests in each project or program property to a lien or encumbrance of another private or governmental entity providing financial assistance to the project, if the City Administrator, or their designee, determines that (1) an economically feasible alternative method of financing the project on substantially comparable terms and conditions, but without subordination, is not reasonably available, (2) the City's investment in the project in the event of default is reasonably protected, and (3) subordination is in the best interests of the City; and be it

FURTHER RESOLVED: That the City Council has independently reviewed and considered this Resolution, and the Council finds and determines, based on information provided in the agenda report accompanying this Resolution, that this action complies with CEQA because it is exempt from CEQA pursuant to Section 15183 (projects consisted with community plan or zoning), Section 15183.3 (streamlining infill project), Section 15378 (not a project), Section 15301 (minor alterations to existing facilities), Section 15303 (new construction of small structures), Section 15061(b)(3) (no significant effect on the environment), Section 15267 (lower-income housing projects), Section 15302 (replacement or reconstruction of existing structures), and Section 15332 (infill development projects) of the CEQA Guidelines; and be it

FURTHER RESOLVED: That the City Administrator is appointed as agent of the City to conduct negotiations, execute and submit all documents administer the loans, extend or modify the repayment terms, and take any other actions with respect to the ACAH program consistent with this Resolution and its basic purposes; and be it

FURTHER RESOLVED: That this resolution shall be effective immediately upon passage.
